For Maxine Lisbon was murdered, and now her killer is stalking Jennie. And worse, the man who can help the most, private eye Sam Magee, is the one who least wants to. **Abracadabra, Stop the Curse!** Dunnia

Balcázar-Goldstein, 2010-07-28 This is the story of a great lie between members of a middle-class family, the Daniels. The direction of their lives changed dramatically as a result of a marriage and the birth of a child. The Daniels' alcohol dependency, the Powells' unhealthy influence, a priest's spiritual failure erodes the weak structure which apparently sustains the moral principles of our characters when they fall into a vast web woven into disloyalty, revenge, and lust. Overwhelmed by the devastating result of their acts, they realized but not until much later that they had been their only victims for wanting to control the lives of others with the sole purpose of satisfying their harmful intentions. Reduced to living in constant turbidity, they did not suspect that inner reconciliation and redemption were hidden from the beginning behind love. I would like to add a credit for the artist Jorge Posada, who provided his paintings for the covers of both books. Covers by Colombian artist Jorge Posada <http://www.jorgeposada.art.com>. She That Plays the Queen Aline Waites, 2016-12-14 The uneasy relationship of two glamorous leading ladies living in the spotlight, Stars of Stage and Screen. They are sworn enemies whose lives have been in collision from their first meeting during World War Two as seven-year-old children in blitz-ridden Hull until their uneasy reconciliation in their forties. The settings are real, and so are some of the events, but all the characters are figments of my imagination which has been nourished by a lifetime in the business known as show. You must get over this antagonism to Jessica. Nobody else has a problem with her. She is one of the most popular ladies in the business. Huh, nobody has known her as long as I have. That is, as maybe. But you are hardly as high in the popularity stakes. Maxine shrugged. I'm not in the business to be popular. Then that is a problem. You really should be a little more careful. Actors have ways of destroying those who are dismissive of them. They can ruin your performance in ways you will never understand. It's very kind of you, Stanley, to take such trouble over me, but I have never kowtowed to anyone in my life, and I'm not about to start now. Then you may just find you are out of a job. Amy is learning your part right now as we speak. **Verona** Marcus Hogan, 2025-03-31 The epic prequel series continues. They left war behind them in France. What lies ahead is far more perilous.
