

**THE POWER OF
PRESIDENTIAL IDEOLOGIES**

Dennis Florig

Power Of Presidential Ideologies

Alexander Hiland

Power Of Presidential Ideologies:

The Power of Presidential Ideologies Dennis Florig, 1992-08-21 This study examines how presidents shape the way people think about political issues In addition it explores the limits that political ideology places on presidential action Tracing the interplay between political philosophy policymaking and party politics from Franklin Roosevelt to George Bush the work looks beyond the typical focus on personality and political tactics to the underlying ideological significance of presidential philosophies and actions It develops new concepts that lend historical and comparative perspective to current debates about the role of government in American society and it presents a new way of seeing and interpreting the presidency Dennis Florig finds that presidential ideologies matter but not in the way they seem to matter Ideologies both illuminate and obscure political realities And while presidential ideologies have had huge impacts on the way both ordinary citizens and policymakers understand the political world they have also served to mystify the forces that drive decisionmaking sometimes masking the real face of political power This important new study will be of interest to scholars in American history government and politics

Presidential Power, Rhetoric, and the Terror Wars Alexander Hiland, 2019-10-21 Presidential Power Rhetoric and the Terror Wars The Sovereign Presidency argues that the War on Terror provided an opportunity to fundamentally change the presidency Alexander Hiland analyzes the documents used to exercise presidential powers including executive orders signing statements and presidential policy directives Treating these documents as genres of speech act that are ideologically motivated Hiland provides a rhetorical criticism that illuminates the values and political convictions at play in these documents This book reveals how both President George W Bush and President Barack Obama wielded the personal power of the office to dramatically expand the power of the executive branch During the War on Terror the presidency shifted from an imperial form that avoided checks and balances to a sovereign presidency where the executive branch had the ability to decide whether those checks and balances existed As a result Hiland argues that this shift to the sovereign presidency enabled the violation of human rights myriad policy mistakes and the degradation of democracy within the United States

Presidential Power John P. Burke, 2016-03-29 Presidential power is perhaps one of the most central issues in the study of the American presidency Since Richard E Neustadt s classic study first published in 1960 there has not been a book that thoroughly examines the issue of presidential power Presidential Power Theories and Dilemmas by noted scholar John P Burke provides an updated and comprehensive look at the issues constraints and exercise of presidential power This book considers the enduring question of how presidents can effectively exercise power within our system of shared powers by examining major tools and theories of presidential power including Neustadt s theory of persuasion and bargaining as power constitutional and inherent powers Samuel Kernell s theory of going public models of historical time and the notion of internal time Using illustrative examples from historical and contemporary presidencies Burke helps students and scholars better understand how presidents can manage the public s

expectations navigate presidential congressional relations and exercise influence in order to achieve their policy goals

Ideologies and Institutions Richard J. Piper, 1997-05-08 In this important and original book J Richard Piper provides the most comprehensive examination to date of the profound impact of ideological prescriptions on twentieth century American politics Piper analyzes the institutional and constitutional developments associated with the American conservative liberal paradigm from the New Deal to the present focusing on constitutional jurisprudence presidential congressional relations the role of the judiciary federalism and the administrative state Concluding that America's competing constitutional philosophies frequently serve not as ends in themselves but as instruments for attaining power and policy goals Piper raises significant questions about the future of the conservative liberal dichotomy that has characterized American politics since the New Deal *Ideologies and Institutions* is unique in its focus on institutional prescriptions and its integration and synthesis of extensive history political science and sociology literature Anyone interested in constitutional issues political history and the distinctions between the liberal and conservative philosophies will find *Ideologies and Institutions* valuable

The Power of Ideology Alex Roberto Hybel, 2013-05-13 Since the Roman Empire leaders have used ideology to organize the masses and instil amongst them a common consciousness and equally to conquer assimilate or repel alternative ideologies Ideology has been used to help create safeguard expand or tear down political communities states empires and regional or world systems This book explores the multiple effects that competing ideologies have had on the world system for the past 1 700 years the author examines the nature and content of Christianity Islam Confucianism Protestantism secularism balance of power doctrine nationalism imperialism anti imperialist nationalism liberalism communism fascism Nazism ethno nationalism and transnational radical Islamism alongside the effects their originators sought to craft and the consequences they generated This book argues that for centuries world actors have aspired to propagate through the world arena a structure of meaning that reflected their own system of beliefs values and ideas this would effectively promote and protect their material interests and believing their system to be superior to all others they felt morally obliged to spread it Radical transnational Islamism Hybel argues is driven by the same set of goals This book will be of interest to students and scholars of international politics international relations theory history and political philosophy

Money, Power, and Ideology Marcus Mietzner, 2013-12-16 Are political parties the weak link in Indonesia's young democracy More pointedly do they form a giant cartel to suck patronage resources from the state Indonesian commentators almost invariably brand the country's parties as corrupt self absorbed and elitist while most scholars argue that they are poorly institutionalized This book tests such assertions by providing unprecedented and fine grained analysis of the inner workings of Indonesian parties and by comparing them to their equivalents in other new democracies around the world Contrary to much of the existing scholarship the book finds that Indonesian parties are reasonably well institutionalized if compared to their counterparts in Latin America Eastern Europe and other parts of Asia There is also little evidence that Indonesian parties are cartelized But there a significant flaw in the

design of Indonesia's party system while most new democracies provide state funding to parties Indonesia has opted to deny central party boards any meaningful subsidies As a result Indonesian parties face severe difficulties in financing their operations leading them to launch predatory attacks on state resources and making them vulnerable to manipulation by oligarchic interests

Parties, Power, and Change Jessica Hejny, Adam Hilton, 2025-09-09 No detailed description available for Parties Power and Change

The Presidency and Political Science: Paradigms of Presidential Power from the Founding to the Present: 2014 Raymond Tatalovich, Steven E Schier, 2014-12-18 This history of presidential studies surveys the views of leading thinkers and scholars about the constitutional powers of the highest office in the land from the founding to the present

Political Ideologies Leon P. Baradat, 2015-10-15 Brief and accessible Political Ideologies follows the evolution of political thought over 300 years Organized chronologically this text examines each major ideology within a political historical economic and social context Leon Baradat's skillful prose ensures that students obtain a clear understanding of how ideas are influencing the political realities of our time

Ideas of Power Verlan Lewis, 2019-05-02 This groundbreaking book presents a new understanding of ideological change It shows how and why America's political parties have evolved

Power and Ideology in Brazil Peter McDonough, 2014-07-14 Drawing on personal interviews with over 250 Brazilian leaders in industry banking politics labor the civil service and the church Peter McDonough challenges the conventional notion of elites in authoritarian regimes as unideological pragmatists He demonstrates that the Brazilian Originally published in 1981 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Presidential Power and the American Political System Frank M. Sorrentino PhD, 2019-04-05 The most significant and dynamic struggles for power in the United States of America occur between presidents and the federal bureaucracies and these struggles often overshadow those between Congress and the courts The Federal Bureau of Investigation along with other agencies such as the Central Intelligence Agency the National Security Agency and the Department of Defense all wield significant political power In Presidential Power and the American Political System author Frank M Sorrentino analyzes the president's ability to influence and prevail over these powerful bureaus He eloquently evaluates how effective presidents have been in this regard since these agencies have great expertise and control over crucial national and international security information In addition presidents must effectively navigate the unique American political system that includes separation of powers federalism and decentralized and undisciplined political parties all of which serve to dilute executive power Using the case study of the FBI Sorrentino shows how bureaus can inject their interests and political values into their work and goals Presidential Power and the

American Political System demonstrates the power of the FBI in particular to be a bureau that pursues its own interests and can have a significant impact on limiting presidential power and other actors in the wider American political system

Keeping the Republic: Power and Citizenship in American Politics, 5th Brief Edition Christine Barbour, Gerald C.

Wright, 2012-12-20 A consistent and compelling narrative is crucial to student engagement with any book But sadly so many brief editions are mere cut and paste versions of their comprehensive selves Not the case with *Keeping the Republic*'s brief edition Carefully condensed by Barbour and Wright this text gives your students all the continuity and crucial content of the full version just in a more concise value oriented package And now your students benefit from a new full color interior design Photos jump off the page and colorful charts tables and maps enhance students data literacy Repeatedly praised for engaging students to think critically about who gets what and how in American politics Barbour and Wright show them how institutions and rules determine who wins and who loses in the political arena The authors carefully craft each graphic boxed feature and vignette to develop students analytic capabilities By introducing them to the seminal work in the field and showing them how to employ the themes of power and citizenship this proven text builds confidence in students who want to take an active part in their communities and government so they play their part in keeping the republic **The Oxford**

Handbook of the American Presidency George C. Edwards, William G. Howell, 2011-08-04 With engaging new contributions from major figures in the field *The Oxford Handbook of the American Presidency* provides the key point of reference for anyone working in American politics today **Ideologues and Presidents** Thomas S. Langston, 2017-07-05 *Ideologues and Presidents* argues that ideologues have been gaining influence in the modern presidency There were plenty of ideologues in the New Deal but they worked at cross purposes and could not count on the backing of the cagey pragmatist in the Oval Office Three decades later the Johnson White House systematically sought the help of hundreds of liberals in drawing up blueprints for policy changes But when it came time to implement their plans Lyndon Johnson's White House proved to have scant interest in ideological purity By the time of the Reagan Revolution the organizations that supported ideological assaults on government had never been stronger The result was a level of ideological influence unmatched until the George W Bush presidency In Bush's administration not only did anti statist and social conservatives take up positions of influence throughout the government but the president famously pursued an elective war that had been promoted for a decade by a networked band of ideologues In the Barack Obama presidency although progressive liberals have found their way into niches within the executive branch the real ideological action continues to be Stage Right How did American presidential politics come to be so entangled with ideology and ideologues *Ideologues and Presidents* helps us move toward an answer to this vital question **Science and Ideology in the Policy Sciences** Paul Diesing, 2005-06-01 The purpose of this book is to examine how ideology operates in the sense of influencing the conduct of inquiry in the policy sciences defined as economics political science and sociology The author seeks to identify the main ideologies and show how each ideology

produces a preference for certain problems methods and hypotheses how it sensitizes scientists to certain phenomena and suggests certain interpretations of those phenomena and how it closes off other phenomena and concepts from investigation and testing or at least distorts that investigation In this book Diesing critically examines all the major schools of policy related social thought from 1930 to 1975 He deals with Neoclassical Economics and its various applications the Keynesians the Systems Approach the Schumpeter perspective the Critical Intellectuals the Pluralists the J K Galbraith School New Left Marxism and the Ecological Paradigm of Schumacher and others The world looks different if your perspective is that of a rational small businessman working in a society of hypothetical perfect competition as opposed to that of a proletarian looking up at your oppressors Part One is descriptive and evaluative considering each ideology in turn Part Two considers the policy implications In 1982 Diesing published a remarkable book entitled *Science and Ideology in the Policy Sciences* When I interviewed Diesing in Buffalo in the summer of 1984 he told me that to date the publication had been reviewed in only two professional journals I was astounded *Science Ideology* was the best book I had read in a decade and it related directly to all the policy sciences The lack of professional response may partially reflect Diesings disinterest in self promotion but beyond this is the community problem Scholars are recognized within disciplines but there is only a tiny community of social science I consider this to be the most brilliant of Diesings books Like all of Diesings works it remains highly relevant today from the introduction by Richard Hartwig

The President as Leader Erwin C. Hargrove, 1998 Hargrove argues that political leadership must contain a moral element if it is to be fully effective He suggests a model with which to analyze compare and evaluate political leaders and then assesses the presidencies of Franklin Roosevelt Lyndon Johnson and Ronald Reagan according to the model's normative implications Jacket

Power and Legitimacy Per-Arne Bodin, Stefan Hedlund, Elena Namli, 2013 This book sheds new light on the continuing debate within political thought as to what constitutes power and what distinguishes legitimate from illegitimate power It does so by considering the experience of Russia a polity where experiences of the legitimacy of power and the collapse of power offer a contrast to Western experiences on which most political theory formulated in the West is based The book considers power in a range of contexts philosophy and discourse the rule of law and its importance for economic development the use of culture and religion as means to legitimate power and liberalism and the reasons for its weakness in Russia The book concludes by arguing that the Russian experience provides a useful lens through which ideas of power and legitimacy can be re evaluated and re interpreted and through which the idea of the West as the ideal model can be questioned

Higher Education: Handbook of Theory and Research John C. Smart, 2009-04-24 Published annually since 1985 the Handbook series provides a compendium of thorough and integrative literature reviews on a diverse array of topics of interest to the higher education scholarly and policy communities Each chapter provides a comprehensive review of research findings on a selected topic critiques the research literature in terms of its conceptual and methodological rigor and sets forth an agenda for future research intended to advance knowledge

on the chosen topic The Handbook focuses on twelve general areas that encompass the salient dimensions of scholarly and policy inquiries undertaken in the international higher education community The series is fortunate to have attracted annual contributions from distinguished scholars throughout the world The Political Ideology of Ayatollah Khamenei Yvette Hovsepian-Bearce,2015-07-03 Ayatollah Ali Hosseini Khamenei Supreme Leader of the Islamic Republic of Iran is one of the most controversial and influential Muslim leaders in the world today As Iran s main decision maker his theocratic ideology and decisions carry global consequences The Political Ideology of Ayatollah Khamenei is the first book to identify and analyze the development and evolution of the theocratic ideology of the Supreme Leader from 1962 to 2014 using his own writings speeches and biographies as well as literature published in the Islamic Republic of Iran This work provides new insights into Khamenei s political thought and behavior and their impact on Iran s domestic regional and international policies Correlating the development of Khamenei s personality character and political behavior with Iran s internal and external challenges this study explores key issues of the Middle East region in particular Iran s political posture toward Israel the United States and the Muslim world and the diplomatic crises unfolding over Iran s nuclear development program This work provides a comprehensive chronological and thematic survey of Khamenei s life This book will be of interest to students scholars researchers diplomats and policymakers focusing on Middle Eastern politics Iranian affairs Islamic studies and international relations and could serve as an essential resource for those striving to understand Iran s policies toward Israel the United States and the Muslim world as shaped by its supreme autocrat

Power Of Presidential Ideologies Introduction

In the digital age, access to information has become easier than ever before. The ability to download Power Of Presidential Ideologies has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Power Of Presidential Ideologies has opened up a world of possibilities. Downloading Power Of Presidential Ideologies provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Power Of Presidential Ideologies has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Power Of Presidential Ideologies. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Power Of Presidential Ideologies. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Power Of Presidential Ideologies, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Power Of Presidential Ideologies has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Power Of Presidential Ideologies Books

1. Where can I buy Power Of Presidential Ideologies books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Power Of Presidential Ideologies book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Power Of Presidential Ideologies books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Power Of Presidential Ideologies audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Power Of Presidential Ideologies books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
