Douglas Powe Jr., 2016-04-15 Drawing from the strength of their previous book *Transforming Evangelism* Henry Knight and Douglas Powe show us a Wesleyan way to form missional communities and congregations Drawing from John Wesley's own organizing abilities this will better equip today's congregations to be more transformational Each chapter also has study questions

Transforming Evangelism Henry H. Knight III, F. Douglas Powe Jr., 2019-02-15 Because of the more aggressive and confrontational tactics we hear about evangelism has developed a bad connotation Doors are shut hurriedly phone calls end abruptly and e-mails left unanswered After all isn't this a task better handled by the pastor Perhaps it's time to reexamine John Wesley's model of evangelism as a full natural circle where it's a communal beginning point rather than a solitary end The central motive of authentic evangelism is Having received a message that's made all the difference in our lives we desire to share that message with others in the hope that it will transform their lives as well Wesley models an evangelism that reaches out and welcomes invites and nurtures and speaks to both head and heart Evangelism is about relationship the authors write How we are in relationship to God who is able to transform us into new beings How we are in relationship to our neighbor whom we must love like ourselves As one reviewer says Knight and Powe have given us a relational book They describe the deep connection between John Wesley's thoughts Charles Wesley's hymns scholarly thinking about evangelism and biblical understandings of the gospel all in relation to the needs concerns and hopes of everyday people Learn on your own or as a congregational group from this practical study on living an evangelistic life that demonstrates the transforming power of loving God and neighbor

Unleashing the Word Adam Hamilton, 2011-12-01 Imagine announcing a new series of sermons and seeing worship attendance increase by 1 000 people on the first Sunday of the new series Or consider a pastor developing sermon plans two to three years out What kind of pastor sits in a bar with a notepad just looking for ideas for sermons Or has as his aim to preach the best prepared best researched sermons his congregation has ever heard All of these and more explain part of the reason the United Methodist Church of the Resurrection has grown from four people to over 10 000 in just thirteen years In Unleashing the Word Adam Hamilton helps pastors and church leaders consider the purpose planning and execution

of excellent preaching He offers detailed descriptions of the sermon planning writing and preaching process behind one of the fastest growing churches in the United States He includes numerous personal anecdotes and enough sermon ideas to keep the average pastor busy for years Finally after you have read how sermons are planned and prepared at the Church of the Resurrection you can watch the included DVD which features four full length sermons and other resources to help you apply what you ve read in the book If you only buy one book on preaching this year this is the book you must buy Rock Beneath the Sand Lois E.
