Emerging issues, unfolding odysseys

Edited by Mary Ann Tetresult, Robert A. Denemark,
Kenneth P. Thomas and Kurt Burch

THE ROUTLEDGE / RIPE STUDIES IN GLOBAL POLITICAL ECONOMY

Rethinking Global Political Economy Emerging Issues Unfolding Odysseys

Catherine Eschle, Bice Maiguashca

Rethinking Global Political Economy Emerging Issues Unfolding Odysseys:

Rethinking Global Political Economy Kurt Burch, Robert A. Denemark, Kenneth P. Thomas, Mary Ann Tétreault, 2004-02-24 Rethinking Global Political Economy contains incisive analysis of history linguistics class culture empirical data and normative concerns This important volume presents innovative approaches to fundamental issues in global political economy Together they provide multiple arguments and avenues for rethinking global political economy in a time of turmoil and system transformation It will appeal to those interested in seeing new perspectives and healthy heterodoxy in the study of political economy

The Discourse of Neoliberalism Simon Springer, 2016-07-29 Why should we be worried about neoliberalism if we are not able to fully appreciate its deleterious effects How can we fully appreciate its intricacies and power without attending to and seeking to potentially reconcile the various critical theorizations of how it actually operates The Discourse of Neoliberalism offers a critical political economy meets poststructuralist perspective on the relationship between neoliberalism and power By advancing a geographical approach to understanding the discursive formations and material consequences of neoliberalism the book exposes how processes of neoliberalization are shot through with violence It argues that reading neoliberalism as a discourse better equips us to understand the power of this variegated economic formation as an expansive process of social spatial transformation that is intimately bound up with the production of poverty inequality and violence across the globe It illuminates the vital and ongoing power of neoliberalism in order to open up a critical space for thinking through how life beyond neoliberalism might be achieved

Susan Strange and the Future of Global Political Economy Randall Germain, 2016-04-28 This edited volume addresses the 2007 2009 financial crisis as the occasion to engage critically with the corpus of Susan Strange's work in order to consider what changes if any this crisis portends for the structural organization of the global political economy The contributors use Strange's rich conceptual framework to explore the financial crisis and its aftermath and reflect critically on the broader contributions which her work has made to the discipline of IPE The volume makes three valuable contributions for scholars and students First it raises the profile of Susan Strange a unique and powerful contributor to the field of IPE whose ideas matter to our current circumstance and can provide deep and enduring insights into important questions and issues Secondly each contributor to this volume combines her work and ideas with that of other traditions or individual theorists in ways that extend and or deepen Strange's own efforts Finally this volume leaves us with a judicious optimism about the future of both IPE and the world as it actually is on the ground This book will be of interest to scholars and students who are interested in the dynamics shaping contemporary and future developments in the global political economy as well as those who are interested in the theoretical debates about how to study IPE

Global Economic Governance and the Development Practices of the Multilateral Development Banks Susan Park, Jonathan R. Strand, 2015-08-27 As pillars of the post 1945 international economic system the Regional and Sub Regional Development Banks RSDBs have long been considered mini World Banks

reiterating the policy approach of the largest official multilateral development lender in the world The main objective of the collection is to identify what role the RSDBs play in global economic governance and why This edited collection draws together cutting edge original research on these understudied institutions In the burgeoning sub field of global economic governance as well as the broader study of international organisations IOs too often the focus remains on the World Bank and the International Monetary Fund IMF Second order IOs such as the RSDBs receive much less attention despite their longevity and regional importance This volume corrects this oversight by bringing together methodologically diverse research on the RSDBs that interrogates the role and impact of these organisations in global economic governance The book investigates the African Development Bank AfDB the Asian Development Bank AsDB the Inter American Development Bank IDB and the European Bank for Reconstruction and Development EBRD and select sub regional development banks in comparison to the World Bank Group This work will be of great interest to students and scholars of IPE IR and Development Studies

Debtfare States and the Poverty Industry Susanne Soederberg, 2014-09-19 WINNER of the BISA IPEG Book Prize 2015 <http://www.bisa.ipeg.org/ipeg-book-prize-2015-winner-announced> Under the rubric of financial inclusion lending to the poor in both the global North and global South has become a highly lucrative and rapidly expanding industry since the 1990s A key inquiry of this book is what is the financial in which the poor are asked to join Instead of embracing the mainstream position that financial inclusion is a natural inevitable and mutually beneficial arrangement Debtfare States and the Poverty Industry suggests that the structural violence inherent to neoliberalism and credit led accumulation have created and normalized a reality in which the working poor can no longer afford to live without expensive credit The book further transcends economic treatments of credit and debt by revealing how the poverty industry is extricably linked to the social power of money the paradoxes in credit led accumulation and debtfarism The latter refers to rhetorical and regulatory forms of governance that mediate and facilitate the expansion of the poverty industry and the reliance of the poor on credit to augment replace their wages Through a historically grounded analysis the author examines various dimensions of the poverty industry ranging from the credit card payday loan and student loan industries in the United States to micro lending and low income housing finance industries in Mexico Providing a much needed theorization of the politics of debt Debtfare States and the Poverty Industry has wider implications of the increasing dependence of the poor on consumer credit across the globe this book will be of very strong interest to students and scholars of Global Political Economy Finance Development Studies Geography Law History and Sociology The Open Access version of this book available at <http://www.taylorfrancis.com/books/e/9781315761954> has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license <https://www.youtube.com/watch?v=2lU6PHjyOzU>

Transnational Financial Associations and the Governance of Global Finance Heather McKeen-Edwards, Tony Porter, 2013 The role of business in global governance is now widely recognized but exploration of its role in global financial governance has been more haphazard than systematic This book provides the first

comprehensive analysis of the role of transnational financial associations TFAs in the organization of global finance This book develops three theoretical themes of assemblage functionality and power as enrolment These themes challenge approaches that treat financial power as emanating from a single location or force Whilst existing approaches tend to treat TFAs as irrelevant or as merely transmitting power originating elsewhere this book argues that power must be created by painstakingly assembling actors networks and objects that are often quite autonomous and working at cross purposes to one another a process in which TFAs play a central role The book explores these themes in chapters examining the roles of TFAs in interacting with public authorities constructing global financial markets and creating financial communities The authors additionally analyse the roles of TFAs in the European Union in the Global South and in promoting goals other than profitability including Islamic finance microfinancing savings banks and cooperatives Making a distinctive contribution to our understanding of global finance and global governance Transnational Financial Associations and the Governance of Global Finance is an important book for students and scholars of international political economy finance global governance and international relations

Asymmetric Crisis in Europe and Possible Futures Johannes Jäger, Elisabeth

Springler, 2015-04-10 The crisis in Europe is often discussed as a crisis of European integration or a crisis of national economies within Europe Both the methodological Europeanism and methodological nationalism miss out the important links between economic and political processes at different spatial scales within Europe and therefore asymmetries and phenomena of uneven development In addition a discussion of possible scenarios which systematically addresses the implications of anti crisis policies is missing This volume seeks to close this gap by systematically integrating the analysis of economic policy or technical solutions to the crisis within a broader framework of political economy It argues that combining critical political economy approaches and post Keynesian perspectives allows for a systematic understanding of the economic and political dimensions of the crisis Although both approaches have the capacity to deal with asymmetries and uneven development the heterogeneity in Europe has been an often largely neglected dimension of analysis However this recent crisis has shown that this is an essential dimension which has to be addressed in order to better understand the dynamics of European development and integration Hence this book aims to deal with asymmetries in Europe and to bridge the gap between the two perspectives This work will initiate an integrative debate that is crucial for a deeper understanding of the current crisis and is an important resource for all students and scholars of IPE European political economy and European politics

Global Citizenship and the Legacy of Empire April Biccum, 2012-08-06 This book investigates the parallels

between mainstream development discourse and colonial discourse as theorized in the work of Homi Bhabha Gayatri Spivak and Edward Said Aiming to repoliticize post colonial theory by applying its understandings to contemporary political discourses author April Biccum critically examines the ways in which development in its current form has recently begun to be promoted among the metropolitan public Biccum contends that what has begun is a sustained marketing campaign for

development that is a repetition augmentation and ultimately much greater success of the work of the Empire Marketing Board of 1926 Demonstrating how this marketing campaign for development attempts to facilitate support for neo liberal globalization Biccum contends that this theatre of legitimation is emerging in response to growing critical voices and counter hegemonic activity on the international stage Featuring in depth analyses of the UK cultural values DfID the commemoration of the slave trade and campaigns including Live8 and Make Poverty History this book will be of interest to students and scholars of postcolonial studies development studies and international political economy It will also offer insights valuable to a wider range of subjects including critical theory and globalization studies

Images of Gramsci Andreas Bieler, Adam Morton, 2014-06-03 A comprehensive reassessment of the relevance of Gramsci's theory and practice at the beginning of the twenty first century Whilst commentaries on Antonio Gramsci and arguments surrounding his political and intellectual legacy have proliferated little attention has been hitherto directed to linking the connections and contentions between Political Theory and International Political Economy This volume brings together leading authorities engaged in common debates to produce for the first time a major collection that clarifies addresses and lays bare the manifest connections and contentions within political and international theory surrounding the legacy of Antonio Gramsci In Part I scholars examine various approaches to Gramsci's thought including his methodological principles the specific conception of civil society he offers his writings on war and cultural struggle the spatial dimension of his thinking and his philosophy of history Part II focuses on very new developments in Gramsci scholarship concerning the questioning of contemporary world order This includes reflections on his relevancy to issues of globalising capitalism transformations in the state revolutionary praxis orientalism and empire as well as European regionalism This book was previously published as a special issue of the leading Critical Review of International Social and Political Philosophy CRISPP

Global Standards of Market Civilization Brett Bowden, Leonard Seabrooke, 2006-10-03 Global Standards of Market Civilization brings together leading scholars representing a range of political views to investigate how global standards of market civilization have emerged their justification and their political economic and social impact Key chapters show how as the modern state system has evolved such standards have also developed incorporating the capacity for social cooperation and self government to which states must conform in order to fully participate as legitimate members in international society This study analyzes their justification and their political economic and social impact Civilization is a term widely used within modern political discourse its meaning yet it is poorly understood and misused part I explores the idea of a standard of civilization its implications for governance and the use of such standards in political theory and economic thought as well as its historical application part II presents original case studies that demonstrate the emergence of such standards and explore the diffusion of liberal capitalist ideas through the global political economy and the consequences for development and governance the International Monetary Fund's capacity to formulate a global standard of civilization in its reform programs and problems in

the development of the global trade including the issue of intellectual property rights This book will be of strong interest to students and scholars in wide range of fields relating to the study of globalization including international political economy international political theory international relations theory comparative political economy international law historical sociology and economic history

Rethinking Global Political Economy Emerging Issues Unfolding Odysseys Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Rethinking Global Political Economy Emerging Issues Unfolding Odysseys free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Rethinking Global Political Economy Emerging Issues Unfolding Odysseys free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Rethinking Global Political Economy Emerging Issues Unfolding Odysseys free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Rethinking Global Political Economy Emerging Issues Unfolding

Odysseys. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Rethinking Global Political Economy Emerging Issues Unfolding Odysseys any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Rethinking Global Political Economy Emerging Issues Unfolding Odysseys Books

1. Where can I buy Rethinking Global Political Economy Emerging Issues Unfolding Odysseys books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Rethinking Global Political Economy Emerging Issues Unfolding Odysseys book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Rethinking Global Political Economy Emerging Issues Unfolding Odysseys books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Rethinking Global Political Economy Emerging Issues Unfolding Odysseys audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms:

Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Rethinking Global Political Economy Emerging Issues Unfolding Odysseys books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
