Landmark Essays on Rhetorical Criticism Thomas W. Benson,2020-08-18 This book is an anthology of landmark essays in rhetorical criticism In historical usage a landmark marks a path or a boundary as a metaphor in social and intellectual history landmark signifies some act or event that marks a significant achievement or turning point in the progress or decline of human effort In the history of an academic discipline the historically established senses of landmark are mixed together jostling to set out and protect the turfmarkers of academic specialization aligning footnotes to signify the beacons that have guided thought and against these conservative tendencies attempting to contribute fresh insights that tempt others along new trails The editor has chosen essays for this collection that give some sense of the history of rhetorical criticism in this century especially as it has been practiced in the discipline of speech communication He also emphasizes materials that may illustrate where the discipline conceives itself to be going how it has marked its boundaries how it has established beacons to invite safety or warn us from the rocks and how it has sought to preserve a tradition by subjecting it to constant revision and struggle In the hope of providing some coherence the scope of this collection is limited to rhetorical criticism as it has been practiced and understood within the discipline of speech communication in North America in this century

[Renewing Rhetoric's Relation to Composition](#) Shane Borrowman,Stuart Brown,Thomas Miller,2010-02-25 Examining the development of rhetoric and composition using the writings of Theresa Jarnagin Enos as a basis for studies of broader trends this book explores topics including the historical relations of rhetoric and composition their evolution within programs of study and Enos s research on gender

Encyclopedia of Public Relations Robert L. Heath,2013-08-20 When initially published in

2005 the two volume Encyclopedia of Public Relations was the first and most authoritative compilation of the subject It remains the sole reference source for any library serving patrons in business communication and journalism as it explores the evolution of the field with examples describing the events changing practices and key figures who developed and expanded the profession Reader s Guide topics include Crisis Communications Management Cyberspace Ethics Global Public Relations Groups History Jargon Management Media News Organizations Relations Reports Research and Theories Models Led by renowned editor Robert L Heath with advisory editors and contributors from around the world the set is designed to reach a wide array of student readers who will go on to serve as opinion leaders for improving the image and ethics of the practice The Second Edition continues to explore key challenges facing the profession such as earning the trust and respect of critics and the general public Much greater emphasis and space will be placed on a theme that was just emerging when the First Edition appeared the Internet and social media as public relations tools International coverage and representation has been greatly expanded as well Finally biographies which are now widely available on the Web have been deleted to give room to areas of enhanced coverage and biographical material are included where appropriate within the context of topical entries However a long entry on women pioneers in public relations has been included as an appendix
