Foster,2005-01-01 Prayer and Worship Renovare,2007-05-29 Prayer and worship compose the heart of the devotional life and are essential practices for a close relationship with God But too often our prayer is nothing more than a checklist of requests and our worship happens only in church What does it mean to communicate with God How do we enter his presence in the midst of our daily lives Utilizing the beloved book of the Psalms this guide reveals many different ways to come before God in prayer and worship including wrestling with God pleading with God lamenting to God and longing for God Conveniently organized for individual or group study Prayer and Worship offers insights and avenues to help us bring every part of our lives before God and truly enter his presence **Embracing the Love of God** James B. Foster's Celebration of Discipline, Special Anniversary Edition** Everest Media,2022-07-02T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 We must be willing to go down into the recreating silences into the inner world of contemplation if we want to move beyond the superficialities of our culture 2 The Bible mentions two different Hebrew words to describe meditation and they are used to convey the idea of listening to God s word reflecting on God s works rehearsing God s deeds and more 3 God wants to have a relationship with us and the Bible tells us that he spoke to Moses face to face as a man speaks to his friend However the Israelites were not ready for such intimacy and so they told Moses not to speak to them anymore 4 The biblical foundation for meditation is the belief that Jesus continues to act and speak even if people cannot see him with the naked eye He is resurrected and at work in our world He is not idle and he has not developed laryngitis *Living the Mission* Renovare,2007-05-29 Living the Mission explores what it means to be a Christian today By examining the early church s struggle in the wake of Jesus s devastating death and awe
