Robbins, 2009-12-16 From David L Robbins bestselling author of The End of War and War of the Rats comes a novel of searing intensity and uncompromising vision Part mystery part legal thriller it is a story of crime and punishment set in a small southern town during one brutal hot and unforgiving summer that lays bare the potential of the human heart to hate and ultimately to heal Scorched Earth The inhabitants of Good Hope Virginia haven t felt the cooling effects of rain in weeks The crops are withering The ground is parched There is no relief in sight With the town a tinderbox waiting to explode all it takes is a spark to ignite all the prejudice the rage and the secrets that are so carefully kept hidden And then in the midst of the terrible heat a tragedy occurs A baby is born and dies in her mother s arms The child Nora Carol is buried quickly and quietly the next day in a church graveyard It should have ended right there but it didn t for Nora Carol is of mixed race The white deacons of Good Hope s Victory Baptist Church trying to protect the centuries old traditions of their cemetery have the body exhumed That night the church is set ablaze and the sole witness is the only suspect Elijah Waddell Nora Carol s father Nat Deeds a former prosecutor and an exile of Good Hope is pressed into service as Elijah's attorney With a politically savvy prosecutor and a vindictive sheriff aligned against him Nat knows it will be nearly impossible to get Elijah acquitted But Elijah refuses to

accept a plea As the evidence mounts Nat begins to suspect there is something his client isn t telling him and the next revelation turns Good Hope into a powder keg a body is found in the ashes of the church Now Elijah is accused of murder and the case is no longer a matter of winning or losing but of life or death The only way Nat can save his client is to scratch and claw for any shred of evidence even if he has to bend the law to find it As the summer heat intensifies and passions reach their boiling point Nat must navigate through the incendiary secrets kept by friends and neighbors by the guilty and the innocent to an act of justice that has nothing to do with the law The Scorched Earth Drew Karpyshyn, 2014-08-19 New York Times bestselling author Drew Karpyshyn has long thrilled readers with his kinetic fast paced storytelling style Now he returns with The Scorched Earth the second novel in his acclaimed series about four young people who will either save the world or bring about its destruction The Children of Fire four mortals touched by the power of Chaos each embody one aspect of a fallen and banished immortal champion Keegan the wizard Scythe the warrior Cassandra the prophet Vaaler the king Grown to adulthood the Children are in search of the ancient Talismans that can stop the return of Daemron the Slayer ancient enemy of the Old Gods But in acquiring Daemron's Ring they unleashed a flood of Chaos magic on the land leaving death destruction and a vengeful gueen in their wake Now beset on all sides by both mortal and supernatural enemies they realize that their strength and faith will be tested as never before And their greatest trial will be finding Daemron's Sword the last of the ancient Talismans before the entire mortal world is engulfed in the war and Chaos that will herald the return of the Slayer Praise for The Scorched Earth Drew Karpyshyn's doom laden spin on myth and magic invigorates ancient archetypes in the second entry of the Chaos Born trilogy The journey is complicated by unnerving ambiguity grim imagery and pessimistic overtones as if Michael Moorcock s decadence were filtered through J R R Tolkien s heroism Publishers Weekly If you re a fan of fantasy and looking to try something new this series continues to shine Karpyshyn writes deep intriguing characters set in a strange world of unique magic It s a place where magic is dangerous but essential Rogoo Depot An enjoyable read I recommend this for all fantasy fans Book Reviews Giveaways Scorched Earth, etc. [A novel.].
