Nicholls, 2019-01-02 Ellen hasn't done a show since well before she had kids. Why she allowed herself to be roped in at the last minute to sing, play the cello as well as the lead in Glenn's one-night stand production of Shakespeare's *As You Like It* is a mystery. By the end of the first rehearsal she is floundering; by the end of the second she is in love. Or at least she has a crazy thing for Lana, an utterly relaxed and experienced actor with no apparent responsibilities. The problem is with one rehearsal to go, Ellen can't really fathom her own heart, or Lana's. All she can say for certain is, "I'd really just like to get her into a hotel room for a weekend and see what happens."

Mafia Movies Dana Renga, 2019-07-15 The mafia has always fascinated filmmakers and television producers. Al Capone, Salvatore Giuliano, Lucky Luciano, and the others are some of the historical figures that contribute to the myth of the Italian and Italian American mafias perpetuated onscreen. This collection looks at mafia movies and television over time and across cultures, from the early classics to the *Godfather* trilogy and contemporary Italian films and television series. The only comprehensive collection of its type, *Mafia Movies* treats over fifty films and TV shows created since 1906 while introducing Italian and Italian American mafia history and culture. The second edition includes new original essays on essential films and TV shows that have emerged since the publication of the first edition, such as *Boardwalk Empire* and *Mob Wives*, as well as a new roundtable section on Italy's other mafias in film and television, written as a collaborative essay by more than ten scholars. The edition also introduces a new section called *Double Takes* that elaborates on some of the most popular mafia films and TV shows, e.g., *The Godfather* and *The Sopranos*, organized around themes such as adaptation, gender, and politics, urban spaces, and performance and stardom.

It's a Wonderful Mid-Life Crisis Mark Nicholls, 2019-04 Max and Marion are usually the sort of friends who can go for a year without seeing each other and catch up on everything in a second once they do. In these four strange and amusing encounters, however, something new seems to be happening. Max finds himself increasingly flummoxed by his interesting friend as Marion plays about with various scenarios in which she sidesteps work, suspends the kids, and liberates her life partner while making a direct and long overdue approach towards more time meditating under the Me Tree.
