**Our Liverpool** Piers Dudgeon, 2012-10-25 This ebook edition contains the full text version as per the book. Doesn't include original photographic and illustrated material. OUR LIVERPOOL is an oral history about the real Liverpool about the city before its slick transformation to European City of Culture and about the spirit that remains at its heart. Here at last is Liverpool's grievous and glorious past. And here through the people's voices we find old Liverpool without the gift wrap. Its stories pulsate with the rhythms of an alternately funny, flippant, belligerent, stubborn and warm heart and they broadcast the values of a community which are the city's true legacy to the modern world. Piers Dudgeon has listened to dozens of people who remember the city as it was and who have lived through its many changes. They talk of childhood and education, of work and entertainment, of family, community values, health, politics, religion and music. Their stories will make you laugh and cry. It is people's own memories that make history real and this engrossing book captures them vividly.      Hodson's Booksellers, publishers and stationers' directory for London and country, 1855      **Liverpool Sectarianism** Keith Daniel Roberts, 2017-04-01 Presenting evidence from an array of archival and original resources, this book chronicles the development and derailment of sectarian tensions in the city of Liverpool.      History, directory and gazetteer of the county palatine of Lancaster.
