**Elementary Social Studies 2013 Home School Bundle Grade 2** ,2012-03 As your child progresses through his or her homeschool programs he or she should build a solid educational foundation which should include Social Studies The myWorld Social Studies Grade 2 curriculum can be your guide on that journey These materials help you as you educate your child on Social Studies topics such as history government civics and geography myWorld Social Studies uses storytelling techniques to ensure your child connects to the information cognitively and emotionally myWorld Social Studies unique approach to education is designed to ensure your child is engaged in the learning process The curriculum was developed using educational research to ensure its effectiveness Grade 2 is a natural progression from Grade 1 which creates a seamless homeschool experience After completing this homeschool program your child should Have a better sense of North America s geography and be able to identify countries mountain ranges and major rivers Be able to locate hemispheres poles and the equator on a map Know the names of American historic figures and leaders and their importance in the development of society Understand the election process used in the U S Know how and why governments use their powers i e to protect citizen security manage conflict and maintain order Gain an appreciation for diversity and people from backgrounds different than their own Understand that historic events may be presented differently depending on the observer s point of view The materials included in myWorld Social Studies Grade 2 will help you achieve those and other goals as you progress through your child s homeschool program With DVDs for both you and your child and a detailed workbook educating your child will be easy and fun For more information on everything that is included in this product visit the Features and Benefits page Grade 2 We Do Our Part The heart and soul of myWorld Social Studies is the myStory System We began with the world s oldest educational technique storytelling and applied the latest educational research to create a ground breaking approach to Social Studies instruction We connect to students emotions through stories preparing them to learn focusing on Social Studies content while reinforcing literacy instruction Meaningful discussion questions and videos related to the questions will keep your child interested and engaged myWorld Social Studies is a comprehensive K 6 social studies curriculum designed to lay the ground work for civic competence so that students develop the knowledge skills and values necessary to be active engaged and responsible citizens myWorld Social Studies helps students become actively engaged in Social Studies content through experiences that personalize instruction and make learning meaningful as well as fun Pearson creates education materials for all types of learners When creating a program we ensure that the material will be accessible to as many students as possible and as such we create many ancillary products to fit specific situations to meet a variety of needs While

there are many components to each of our overall educational programs some of these ancillaries do not meet the needs of homeschoolers others do not make sense in a homeschool environment and some require an expensive technological infrastructure to deploy The homeschool product configurations while selected from a larger program are complete curriculum bundles designed for your children to be engaged and to thrive while being mindful of your budget It is important to note that at times there will be resources mentioned throughout your materials that are not included in your package however this will not hinder your child s successful completion of the course     People and Places ,2002     *People and Places* ,2005     **Neighbors Near and Far** ,1983     **Scott Foresman Social Studies** Candy Dawson Boyd,Pearson Education, Inc,Scott, Foresman and Company,Pearson/Scott Foresman,2008     *The Field Trip Book* Ronald V. Morris,2010 Looking for social studies adventures to help students find connections to democratic citizenship Look no further The Field Trip Book Study Travel Experiences in Social Studies provides just the answer teachers need for engaging students in field trips as researching learners with emphasis on interdisciplinary social studies plus skills in collecting and reporting data gathered from field explorations This is the book for those educators who want to make social studies field experiences real and meaningful for their students These real world social studies experiences are teacher tested and focus on anthropology civics economics geography history and sociology The Field Trip Book Study Travel Experiences in Social Studies makes social studies exciting for elementary and middle school students by introducing them to content in the world around them This book is perfect for the elementary or middle school teacher museum educator or parent looking forward to increasing interaction between students and learning sites
