Reich, 2012-07-01 Complaining psychologists assert is good for the soul It acts as a relief valve to help dispel the pent up energy generated by our frustration If we weren't able to complain we would no doubt exhibit more physical violence and engage more frequently in destructive behavior Our neighbors outrage us our children mock us strangers insult us government agencies mistreat us unscrupulous entrepreneurs victimize us and even inanimate objects conspire to screw up our lives Compelling inner voices harass us the crowd in the Agora thwarts us and irrationality surrounds us everywhere It's enough to make someone paranoid 2 501 Things That Really Piss Me Off demonstrates that misery loves company and that we are the company that misery loves Intended as a catalog of everything irksome in our lives 2 501 Things That Really Piss Me Off reviews the broad spectrum of affronts annoyances nuisances grievances vexations mortifications and molestations that disrupt our equanimity and that daily pervert the simple pleasures of living It gives voice to the time honored practice of people everywhere in the world griping Within these pages the reader will find items of anger reflection humor social comment and even the occasional non sequitur For its octogenarian author it is pure catharsis but it is also the author's intention that the reader be entertained and with a little luck enriched by the realization that the demons that confound him confound the rest of us as well That he is not alone in his Weltschmerz
