upon pp 18 19 and 24 the whole of the illustrations have been engraved expressly for the book and unless it is otherwise specified all are from my own sketches About fifty have been drawn on the wood by Mr James Mahoney and I am much indebted to that artist for the care and fidelity with which he has followed my slight memoranda and for the spirit that he has put into his admirable designs Most of his drawings will be identified by his monogram Twenty of the remainder are the work of Mr Cyrus Johnston and out of these I would draw especial attention to the view of the Matterhorn facing p 36 the striated rock upon p 63 and the bits from the Mer de Glace upon pp 138 139 The illustrations have been introduced as illustrations and very rarely for ornamental purposes We have subordinated everything in them to accuracy and it is only fair to the artists who have honored me by their assistance to say that many of their designs would have ranked higher as works of art if they had been subjected to fewer restrictions About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
