Trans Biblical Joseph A. Marchal, 2025-04-08 Trans Biblical provides some of the most exciting new scholarly work in trans biblical interpretation to help us better understand our Bibles our bodies and one another in a fraught and fractious world Trans Biblical New Approaches to Interpretation and Embodiment in Scripture offers a collection of wide ranging essays exploring key issues animating trans biblical interpretation from a variety of angles and emphases Contributors who themselves represent a range of gender identities answer the question what makes a biblical reading trans or a trans reading biblical in diverse and exciting ways They also promote new ways of thinking about gender variation in the ancient world while more sensitively and critically addressing ongoing debates about gender and embodiment This collection is a helpful entrance into how biblical readers and interpreters can make new more creative reflexive and accountable connections to influential texts and traditions It represents a historic effort to situate expand and elaborate on the current trajectories of trans biblical interpretation Gender variance is as old as stories about creation and biblical texts are more variable than we have been trained to see They disrupt present day assumptions of a simple and stable gender binary often deployed against trans nonbinary and gender nonconforming people Taking us from Genesis through the Gospels and epistles and into rabbinic and early Christian scriptural engagement Trans Biblical sharpens our

awareness of what is in these texts and builds up our capacities for what can be done with our encounter with biblical texts and traditions In short the work of the scholars gathered in this one convenient collection meets an important even urgent need by providing a range of entry points and approaches to biblical texts and traditions in a contextually and theoretically nuanced fashion *The Love of David and Jonathan* James E. Harding, 2016-04-08 Were David and Jonathan gay lovers This very modern question lies behind the recent explosion of studies of the David and Jonathan narrative Interpreters differ in their assessment of whether 1 and 2 Samuel offer a positive portrayal of a homosexual relationship Beneath the conflict of interpretations lies an ambiguous biblical text which has drawn generations of readers from the redactors of the Hebrew text and the early translators to modern biblical scholars to the task of resolving its possible meanings What has not yet been fully explored is the place of David and Jonathan in the evolution of modern Western understandings of same sex relationships in particular how the story of their relationship was read alongside classical narratives such as those of Achilles and Patroclus or Orestes and Pylades *The Love of David and Jonathan* explores this context in detail to argue that the story of David and Jonathan was part of the process by which the modern idea of homosexuality itself emerged **Catalog of Copyright**

Queer Theologies: The Basics Chris Greenough, 2019-10-01 *Queer Theologies The Basics* is a concise and illuminating introduction to the study of this controversial and discursive subject area This book provides an accessible exploration into the major themes within queer studies queer theologies and themes of gender and sexuality in Christianity Topics covered include The development of queer theologies Queering traditional theology Queer theologies in global contexts Queer Bible Queer theologies from queer lives With a glossary of key terms and suggestions for further reading throughout this book is an ideal starting point for anyone seeking a full introduction to Christian queer theologies as well as broader themes in theology gender and sexuality **Holy Bible, Human Bible** Gordon Oliver, 2006-11-20 For most pastors and church members the field of biblical studies belongs to a different world Biblical studies in the west is dominated by technical enquiry into the origins authorship and sociological background of the text while pastoral studies focus on concerns of pastoral counseling and healing of persons and communities The fields ask the same questions in the same places yet often do not communicate with one another *Holy Bible Human Bible* asks bluntly whether it is possible to be truly human and truly biblical simultaneously It asks imaginative questions out of genuine curiosity What is a Bible anyway Who owns the Bible How does it witness to Jesus Christ Can Jesus and pastoral practice really belong together It retrieves the Bible from being a boundary between believers and instead builds a bridge from the academy and the local congregation Concise critical and constructive *Holy Bible Human Bible* will enable pastors biblical scholars and laypersons to use the Bible Reading the Bible as a Feminist Jennifer L. Koosed, 2017-06-12 This work provides a brief introduction to feminist interpretation of scripture Feminist interpretation is first grounded in feminism as an intellectual and political movement Next this

introduction briefly recounts the origins of feminist readings of the Bible with attention to both early readings and the beginnings of feminist biblical scholarship in the academy Feminist biblical scholarship is not a single methodology but rather an approach that can shape any reading method As a discipline it began with literary critical readings especially of the Hebrew Bible but soon also broached questions of women s history especially in the New Testament and Christian origins Since these first forays feminist interpretation has influenced almost every type of biblical scholarship The third section of this essay then looks at gender archaeology feminist poststructuralism and postcolonial readings and newer approaches informed by gender and queer theory Finally it ends by examining feminist readings of Eve **Towards an Asian**

A Handbook of Biblical Difficulties, Or, Reasonable Solutions of Perplexing Things in Sacred Scripture Robert Tuck,1889 **Holy Axiom** Art Koroma,2014-05-19 TRUTH EXPOSED THE BIBLE IS A MYTH It is as though a dark thunder cloud is hanging over humanity The atmosphere is sultry Man s intuitive faculty labors sluggishly under a heavy pressure Only the nerves affecting the senses and human instincts of the bodies are in a highly strung condition Artificially stimulated through the error of a wrong doctrine a false religion and self delusion In this respect the man of today is not normal but is burdened with a morbid sexual instinct aggravated tenfold for which in a hundred forms and ways established a religion that has today become the ruin of all humanity Infectious and contagious as a plague all this gradually influences also those who still seek desperately to cling to an ideal that floats half hidden in their subconscious mind They indeed stretch forth their arms longingly towards it but ever again after a glance at their surroundings drop them with a sigh of hopelessness and despair Utterly helpless they observe with horror how swiftly the clear vision regarding morality and bad habits is obscured how the capacity to judge is lost and how these concepts change to such an extent that

so much which only a short time before would still have aroused disgust and contempt is very soon regarded as quite natural not even causing surprise But the cup will soon be filled to the brim A terrible awakening must come In this sultry atmosphere the Holy Axiom grows ever more dense and ominous At any moment now the first flash of lightning may be expected rending and lighting up the darkness and brilliantly illuminating the most obscure corner so relentlessly and sharply as to bring liberation to those striving for light and clarity but destruction to those who have no longing for the Light

I Want to Know, Sam's Club Kathryn C. Bowler, Rick Osborne, 2001-03-13 Describes God and the various ways we can know about God especially through Jesus **Mentoring for Ministry** Craig Thomas Kocher, Jason Byassee, James C. Howell, 2017-05-19 The art of mentoring like all great arts is a grace to be received a gift to be given and a skill that can be learned and practiced This book explores the practice and grace of that art The pastors in these pages share their hard won experience of mentoring and being mentored their wobbles and successes insights and wisdom harvested from years in the vineyard **After Pentecost: Language and Biblical Interpretation** Zondervan, 2022-03-01 There is always some view of language built into biblical interpretation If we are to read Scripture to hear God's address it is vital that we attend to current debates about language and become critically conscious in this respect Craig Bartholomew After Pentecost is the second volume from the Scripture and Hermeneutics Seminar This annual gathering of Christian scholars from various disciplines was established in 1998 and aims to reassess the discipline of biblical studies from the foundations up and forge creative new ways for reopening the Bible in our cultures The Seminar was aware from the outset that any renewal of biblical interpretation would have to attend to the issue of language In this rich and creative volume the importance of linguistic issues for biblical interpretation is analyzed the challenge of postmodernism is explored and some of the most creative recent developments in philosophy and theology of language are assessed and updated for biblical interpretation CONTRIBUTORS INCLUDE Mary Hesse Ray Van Leeuwen Anthony Thiselton Kevin Vanhoozer Nicholas Wolterstorff Introducing a Hermeneutics of Suspicion Jo Henderson-Merrygold, 2024-06-13 A hermeneutics of suspicion challenges cisnormative presuppositions that shape and at times occlude the variations in gender and sex exhibited by key characters in the ancestral narrative of Genesis 12-50 It charts the progression from Paul Ricoeur's hermeneutics of suspicion through liberation feminist and queer approaches Focusing on Derrida's queer and trans hermeneutics Henderson Merrygold then offers a new strategy for reading against fixed binary gender assumptions where a character's sex always matches that assigned at birth The initial case study addresses Sarah who is the proto matriarch of the ancestral narratives in Genesis Masculinities contrast with femininities and Sarah's own agency makes the picture of a consistent gender hard to identify By closely reading the text different facets of Sarah's story emerge to emphasise how much the narrative directs the reader towards a cisnormative reading However Henderson Merrygold shows it is not only the images of Sarah as feminine woman and mother that remain visible The subject of the second case study Esau is regularly judged to be a hypermasculine character due to his

bodily appearance but repeatedly fails to fulfil the expectations related to that appearance Though often condemned as a poor example of hyper masculinity a cispicious reading identifies a richer and more nuanced figure Attending to Esau s actions his rejection of the gendered expectations appears intentional allowing him to settle more comfortably into his own identity This project advocates for and demonstrates the value of creative interpretations of biblical texts that challenge both malestream and feminist gender assumptions

Personality Type & Scripture: Mark Leslie J. Francis,1997-01-05 In this fascinating and original book Leslie J Francis applies personality type theory to the way we study the bible Why when two people are asked what they find important in a biblical text are they likely to come up with different answers Why when a sermon speaks strongly to someone do others find it incomprehensible In recent years both inside and outside the Christian community the Myers Briggs Type Indicator MBTI has been extensively used as an aid to spiritual growth self knowledge and community building Type theory has become an invaluable resource in the spheres of education management and pastoral care Here Leslie J Frances suggests that in learning to understand our own preferred pattern of spirituality we do not only deepen our understanding of the gospels but also increase our sensitivity to the approaches of others Personality Type and Scripture brings together the texts from St Mark s gospel which are included in Year B of the Revised Common Lectionary and uses the insights of MBTI theory to explore the range of possible responses to them Accessible enough for use in personal Bible reading its disciplined and professional approach makes it an invaluable companion for Bible study leaders and preachers
