Scripture Sculpture A Do It Yourself Manual For Biblical Preaching:

Scripture Sculpture Ramesh Richard,1995 Based on the author s international seminars this easy to follow guide to expository preaching carefully leads readers through the seven steps of the Scripture sculpture process giving many practical suggestions along the way Includes illustrative charts and examples *Preaching Like the Prophets* Robert A. Carlson,2017-02-08 The Old Testament prophets are a neglected treasury of biblical examples for pastoral preaching Too often the prophets are misunderstood as focusing on future or social justice issues This book shows that the prophets are essentially preachers very good ones whom we must learn from By comparing recent rhetorical analysis of the prophets to some of the best of current preaching literature this book shows that the prophets preached the way that we ought to preach It will help you to hear the prophets the same way that a pastor benefits from listening to a seasoned and exceptionally gifted preacher We can benefit not only from what the prophets say but how they say it By seeing how the prophets grab and keep their listeners how they enhance clarity and relevancy how they make truth come alive and how they persevere in their ministry you too can learn to preach like the prophets

Anointed Expository Preaching Stephen Olford,David Olford,2003-09-01 What is expository preaching In this brilliant new book Dr Stephen F Olford and Dr David L Olford both widely respected preachers in their own right define expository preaching exposing Scripture instead of imposing upon it teach its technique and express its significance all true preaching is expository This book equips and encourages preachers of all kinds to respect their calling and minister God s inerrant Word by the Olford s marvelous methods *By the Book* Nomer Bernardino, *12 Essential Skills for Great Preaching* Wayne McDill,2006 In this newly expanded second edition of 12 Essential Skills for Great Preaching Dr Wayne McDill draws on decades of experience as a preacher and homiletics professor to inspire other preachers to live up to their God given potential Here are twelve proven ways to pack more content and effectiveness into every sermon covering all of the bases from general preparation to the end result of increasing each listener s faith Recent seminary graduates and seasoned pastors alike will identify skills that need personal improvement and McDill encourages them to strengthen such areas at their own pace and in whatever order they feel is best Every chapter in this new edition has been revised and updated Also included are additional worksheet helps and sermon examples

Preparing Expository Sermons Ramesh Richard,2001-11-01 The Bible is what God has made Sermons are what we make with what God has made This is the foundation for developing expository messages according to Ramesh Richard His method explained in Preparing Expository Sermons has been field tested in training seminars for thousands of preachers around the world Richard s book is a simple do it yourself resource for developing and preaching expository sermons It guides the reader through a seven step process with many practical suggestions and illustrative charts along the way In addition there are eleven appendixes that include information on o how to choose a text o preaching narratives o understanding your audience o forms of sermon introduction A comprehensive sermon evaluation questionnaire is included

as well Preparing Expository Sermons an updated and expanded version of Scripture Sculpture is ideal for beginning preachers lay preachers without formal training or any pastor who is looking for a refresher course in expository sermon preparation

Preach the Word Myles MacBean,2019-11-11 How should we help equip the church leaders of Africa today There remains a well documented lack of theologically sound Bible centric preaching in Sub Saharan Africa The majority of sermons are preached by untrained or undertrained church leaders Following a practical theology praxis this book develops a conceptual framework for the evaluation of existing alternative approaches to grassroots preacher training It also proposes broad principles for effective preacher training and offers a practical solution The 20th century had seen the Christian church in Africa grow 36 fold to 360 million This amazing growth is arguably the largest religious change in human history in such a short period It has shifted the focus of Christianity from North to South This rapid growth is debatably considered by some missiologists and theologians to have resulted in an African church a mile wide and an inch deep That is a church of great size but lacking in spiritual depth The rapid growth has led to insufficient numbers of trained leaders being available to oversee their congregations Most leaders are unpaid Untrained or undertrained leaders have an inadequate knowledge of scripture and lack understanding of its interpretation They also lack the skills they need to communicate its truths Even so they preach up to 90% of the sermons in rural Africa Despite a tremendous hunger for training among many of those preachers traditional college based theological education cannot keep up with the demand for trained pastors and preachers in an affordable or culturally appropriate manner

From and Before God Sugel Michelén,2019-11-05 Imagine this scene You are standing in the pulpit of your church preaching on a Sunday morning Without your knowledge the Lord Jesus himself is sitting in the last row listening attentively to what you re saying How would this reality impact your preaching The truth is that this is no mere illustration the Lord is present in His churches every Sunday listening to the preaching of His Word The apostle Paul wrote in 2 Corinthians 2 17 that ministers are to preach as from God and before God Those who preach God s Word are commissioned by God to preach and they do their preaching before God for an audience of one This according to Sugel Michel n is the biblical foundation for expository preaching preaching that draws out what is in the Word of God In this work Michel n regarded as one of the best preachers in the Spanish speaking church makes a biblical case for expository preaching and models for readers how to prepare and preach as from and before God
