## Shame Exposure And Privacy:

**Shame, Exposure, and Privacy**, 1992      Shame, Exposure, and Privacy Carl Schneider, 1977-04      The Legal Aspects of Shaming: An Ancient Sanction in the Modern World Meital Pinto, Guy Seidman, 2023-09-06 Offering an original legal definition of shaming this incisive book argues for greater attention to shaming by legal scholars and practitioners Suggesting nuanced procedures to regulate shaming in diverse areas of law it seeks to make shaming by legal entities legitimate and effective and to use legal mechanisms to limit inappropriate shaming in non legal contexts      *Paul And The Religious Experience Of Reconciliation* Gilbert I. Bond, 2005      **Loss of the Assumptive World** Jeffrey Kauffman, 2013-05-13 The assumptive world concept is a psychological principle of the conservation of human reality or culture it is a lens for seeing the psychological disturbances that occur in times of change In this collection the authors examine the assumptive world from diverse theoretical perspectives providing the reader with an array of different viewpoints illuminating the concept and its clinical usefulness      **The Ethics of Homelessness**, 2021-11-22 This book extends the study of homelessness beyond the need of shelter Philosophical exploration exposes the fragility of human fulfillment in contemporary society The authors weave the moral fabric of what it means to be human They show how economic and political values compromise the dignity of homeless persons They argue for recognition of rights for the homeless who otherwise would be voiceless and without membership in the moral community This pioneering contribution instills our moral sensitivity to the homeless condition and justifies our moral responsibility to change that condition

*Copyright, Defamation, and Privacy in Soviet Civil Law* S.Z. Levitsky, 2024-12-23      Understanding Privacy Daniel J. Solove, 2010-03-30 Solove offers a comprehensive overview of the difficulties involved in discussions of privacy and ultimately provides a provocative resolution He argues that are multiple forms of privacy related to one another by family resemblances His theory bridges cultural differences and addresses historical changes in views on privacy      **I Hope I Don't Intrude** David Vincent, 2015 Taking his title from the catch phrase of the eponymous hero of the 1825 play *Paul Pry* a huge success in London New York and around the English speaking world David Vincent explores the worlds of privacy and celebrity in 19th century Britain examining debates about mass communication and state surveillance that link to today's concerns      *The Continuing Relevance of Wesleyan Theology* Nathan Crawford, 2011-06-01 What does the Wesleyan message have to say to the greater theological world This is a question that Laurence Wood has taken up as his concern throughout his career In order to honor his work this collection takes up this question through a series of essays designed to show how Wesleyan Theology while distinctive has a continued relevance to the wider world of theological scholarship This collection does this in two ways First by showing how the Wesleyan distinctives have been present throughout the history of theology And secondly the collection brings the Wesleyan distinctives into conversation with various contemporary theological conversations ranging from theological hermeneutics and the science religion dialogue to the practice of preaching and spirituality The

result is a volume that puts Wesleyan theology into continued dialogue with the broader theological world showing its vitality and importance for the contemporary situation

**Theatrical Shows and Ascetic Lives** Blake Leyerle, 2001-07-28 This book provides an original and rewarding context for understanding the prolific fourth century Christian theologian John Chrysostom and the religious and social world in which he lived Blake Leyerle analyzes two highly rhetorical treatises by this early church father attacking the phenomenon of spiritual marriage Spiritual marriage was an ascetic practice with a long history in which a man and a woman lived together in an intimate relationship without sex What begins as an analysis of Chrysostom's attack on spiritual marriage becomes a broad investigation into Chrysostom's life and work the practice of spiritual marriage itself the role of the theater in late antique city life and the early history of Christianity Though thoroughly grounded in the texts themselves and in the cultural history of late antiquity this study breaks new ground with its focus on issues of rhetoric sexuality and power Leyerle argues that Chrysostom used images and tropes drawn from the theater to persuade religious men and women that spiritual marriage was wrong In addition to her analysis of the significance of the rhetorical strategies used by Chrysostom Leyerle gives a thorough discussion of the role of the theater in late antiquity particularly in Antioch one of the gems among late antique cities She also discusses gender in the context of late antique religion shedding new light on early Christian attitudes toward sexuality Throughout Leyerle weaves an ongoing conversation with contemporary theory in film and gender studies that gives her study an important analytic dimension

**The Empathic God** Frank Woggon, 2024 In *The Empathic God* Frank Woggon constructs a clinical theology of atonement Woggon calls for a caring participation in God's ongoing work of salvation through a praxis of spiritual care The book will help practitioners and students of spiritual care as well as clergy to critically reflect on where spiritual care practice and theology meet

Varieties of Feminist Liberalism Amy R. Baehr, 2004-04-05 Over the past thirty years western political philosophy has been enriched by a renewed interest in liberalism and by the development of feminism Although liberalism is one of the important historical roots of feminism many contemporary feminist political philosophers reject liberal political theory Indeed that liberalism and feminism are incompatible has been the dominant view among feminist scholars over the past 30 years *Varieties of Feminist Liberalism* is a groundbreaking collection that examines the relationship between these two rich normative traditions The essays in this volume present versions of feminism that are explicitly liberal or versions of liberalism that are explicitly feminist By bringing together some of the most respected and well known scholars in mainstream political philosophy today Amy R Baehr challenges the reader to reconsider the dominant view that liberalism and feminism are incompatible This long overdue volume is the first to bring together papers by feminist liberals and to aim explicitly at reconciling feminism and liberalism

**The Ethics of Homelessness: Philosophical Perspectives**, 2020-01-20 This new and expanded edition of G John M Abbarno's anthology *The Ethics of Homelessness* underscores what is ignored in plain sight people without a home or dwelling are also without privacy and dignity It is argued that they lack moral standing The

chapters uncover the harsh realities of poverty where economic value overrides competing human values Naomi Zack argues that homelessness is symbolic of society's materialistic values It has a tendency to resist sufficient charity and perpetuates conditions of injustice Uma Narayan questions whether the homeless have protection under the U S Constitution Other authors present an enlarged sphere of homeless to include runaway children refugees adoptees and the disabled The book demonstrates the value of applied philosophy Values and Education ,2021-10-25 This book brings together eighteen essays on education and matters of evaluative concern to which it gives rise The essays range from discussions of basic issues on the nature of education and the importance of its two sides teaching and learning to practical issues that bear on curricular development Several of the authors focus on liberal education and its place in a liberal state Some authors take up the topic of moral education while others examine the notion of multicultural education Broad social issues of educational opportunity and affirmative action are also considered A number of authors speak to educational reforms and conditions in particular countries including Italy Canada and the United States For anyone with an interest in formal education or a love of life long learning the essays in this book offer fresh ideas for reflection *Privacy, Intimacy, and Isolation* Julie C.

Inness,1992 A treatise which defines a new theory on the nature and value of privacy centred on the concept of intimacy

Encyclopedia of Death and Dying Glennys Howarth,Oliver Leaman,2003-12-16 In recent years there has been a massive upsurge in academic professional and lay interest in mortality This is reflected in academic and professional literature in the popular media and in the proliferation of professional roles and training courses associated with aspects of death and dying Until now the majority of reference material on death and dying has been designed for particular disciplinary audiences and has addressed only specific academic or professional concerns There has been an urgent need for an authoritative but accessible reference work reflecting the multidisciplinary nature of the field This Encyclopedia answers that need The Encyclopedia of Death and Dying consolidates and contextualizes the disparate research that has been carried out to date The phenomena of death and dying and its related concepts are explored and explained in depth from the approaches of varied disciplines and related professions in the arts social sciences humanities medicine and the sciences In addition to scholars and students in the field from anthropologists and sociologists to art and social historians the Encyclopedia will be of interest to other professionals and practitioners whose work brings them into contact with dying dead and bereaved people It will be welcomed as the definitive death and dying reference source and an essential tool for teaching research and independent study **Performing Privacy and Gender in Early Modern Literature** M. Trull,2013-05-07 This book

argues that the early modern public private boundary was surprisingly dynamic and flexible in early modern literature drawing upon authors including Shakespeare Anne Lock Mary Wroth and Aphra Behn and genres including lyric poetry drama prose fiction and household orders An epilogue discusses postmodern privacy in digital media Exploring
