Lord Of The Wrinkles:

Practical Observations on the Lord's Supper C. Matthew McMahon, Therese B. McMahon, 2024-05-20 Practical Observations on the Lord's Supper offers an in depth exploration into the significant spiritual act of participating in the Lord's Supper going beyond mere ritual to reveal a deep spiritual communion with Christ This book does not engage in theological debates or critique differing perspectives instead it focuses on the experiential aspects of the Supper emphasizing the personal and communal relationship with Christ that is nurtured through this sacred practice McMahon explores the essence of the Lord's Supper presenting it as more than just a ceremonial partaking of bread and wine more than a memorial It is depicted as an intimate dialogue with Christ a moment of joyful and comforting communion that has the potential to elevate the believer's spiritual life McMahon explains the Apostle Paul's concept of worthy participation drawing from 1 Corinthians 11 to highlight how such engagement with the Supper can lead to a spiritual exchange of divine grace and blessings Through participation in the Lord's Supper believers are invited to a deeper understanding and connection with Christ It is an occasion for Christ to impart His spiritual grace fostering the believer's sanctification and growth in faith The Supper is portrayed as a pivotal expression of fellowship with Christ allowing believers to partake in His benefits and merits and by faith grow in their walk before him This work encourages readers to reflect on their personal approach to the Lord's Supper urging them to seek a more meaningful and enriching experience that strengthens their bond with Christ It is a call to recognize the Supper as a vital expression of spiritual fellowship a sacred sign of unity with Christ that demands reverence and thoughtful engagement Practical Observations on the Lord's Supper is an essential read for anyone seeking to deepen their understanding of this central Christian sacrament and to enhance their spiritual journey through a more purposeful and fulfilling participation in the Lord's Supper

Sensitive to Listen and Willing to Obey Doris M. Arwine,2014-05-15 God uses people daily to communicate His fragrance and message to us Too often we dont check to see what aroma or impression we are leaving for others to see hear or smell After visiting someones home or before checking out of a motel or when moving we double check to make sure we havent left anything behind Even criminals check to make sure they havent left any clues at the crime scene to identify them A story reminded me of this A robber thought he had committed the perfect crime He assumed he left no clues behind But he didn t count on someone remembering how he smelled The smell he left behind was what helped convict him Yes we leave something everywhere we go Stuart Holden reminded a young man moving from a boarding house of this fact when the young man said he was just double checking to make sure he wasn t leaving anything behind Theres one thing you will leave behind young man your influence
