*Television in Black-and-white America* Alan Nadel,2005 La couverture indique Alan Nadel s new book reminds us that most of the images on early TV were decidedly Caucasian and directed at predominantly white audiences Television did not invent whiteness for America but it did reinforce it as the norm particularly during the Cold War years Nadel now shows just how instrumental it was in constructing a narrow conservative and very white vision of America During this era prime time TV was dominated by adult Westerns with heroes like The Rebel s Johnny Yuma reincarnating Southern values and Bonanza s Cartwright family reinforcing the notion of white patriarchy programs that Nadel shows bristled with Cold War messages even as they spoke to the nation s mythology America had become visually reconfigured as a vast Ponderosa crisscrossed by concrete highways designed to carry suburban white drivers beyond the moral challenge of racism racial poverty and increasingly vocal civil rights demands

*Magic Lands* John M. Findlay,1993-09-22 The American West conjures up images of pastoral tranquility and wide open spaces but by 1970 the Far West was the most urbanized section of the country Exploring four intriguing cityscapes Disneyland Stanford Industrial Park Sun City and the 1962 Seattle World s Fair John Findlay shows how each created a sense of cohesion and sustained

people's belief in their superior urban environment This first book length study of the urban West after 1940 argues that Westerners deliberately tried to build cities that differed radically from their eastern counterparts In 1954 Walt Disney began building the world's first theme park using Hollywood's movie making techniques The creators of Stanford Industrial Park were more hesitant in their approach to a conceptually organized environment but by the mid 1960s the Park was the nation's prototypical research park and the intellectual downtown for the high technology region that became Silicon Valley In 1960 on the outskirts of Phoenix Del E Webb built Sun City the largest most influential retirement community in the United States Another innovative cityscape arose from the 1962 Seattle World's Fair and provided a futuristic somewhat fanciful vision of modern life These four became magic lands that provided an antidote to the apparent chaos of their respective urban milieus Exemplars of a new lifestyle they are landmarks on the changing cultural landscape of postwar America Lonely Planet Western USA Anthony Ham,2022-11 Lonely Planet's Western USA is your passport to the most relevant up to date advice on what to see and skip and what hidden discoveries await you Cruise down coastal highways soak up Seattle's culture or be awestruck by the Grand Canyon all with your trusted travel companion Get to the heart of Western USA and begin your journey now Inside Lonely Planet's Western USA Travel Guide Up to date information all businesses were rechecked before publication to ensure they are still open after 2020's COVID 19 outbreak NEW top experiences feature a visually inspiring collection of destination's best experiences and where to have them Improved planning tools for family travelers where to go how to save money plus fun stuff just for kids Color maps and images throughout Highlights and itineraries help you tailor your trip to your personal needs and interests Insider tips to save time and money and get around like a local avoiding crowds and trouble spots Essential info at your fingertips hours of operation websites transit tips prices Honest reviews for all budgets eating sleeping sightseeing going out shopping hidden gems that most guidebooks miss Cultural insights give you a richer more rewarding travel experience history people music landscapes wildlife cuisine politics Over 40 maps Covers Rocky Mountains Southwest California Pacific Northwest and more The Perfect Choice Lonely Planet's Western USA our most comprehensive guide to Western USA is perfect for both exploring top sights and taking roads less traveled Looking for more extensive coverage Check out Lonely Planet's USA for a comprehensive look at all the country has to offer About Lonely Planet Lonely Planet is a leading travel media company providing both inspiring and trustworthy information for every kind of traveler since 1973 Over the past four decades we've printed over 145 million guidebooks and phrasebooks for 120 languages and grown a dedicated passionate global community of travelers You'll also find our content online and in mobile apps videos 14 languages armchair and lifestyle books ebooks and more enabling you to explore every day Lonely Planet guides are quite simply like no other New York Times Lonely Planet It's on everyone's bookshelves it's in every traveler's hands It's on mobile phones It's on the Internet It's everywhere and it's telling entire generations of people how to travel the world Fairfax Media Australia **Los Angeles Magazine** ,2005-11 Los Angeles magazine is a regional magazine of national

stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture entertainment fashion art and architecture and news that define Southern California Started in the spring of 1961 Los Angeles magazine has been addressing the needs and interests of our region for 48 years The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian Billboard ,1967-09-09 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends

*Fodor's Southern California 2008* Fodor's,Fodor's Travel Publications, Inc. in the explosion of California youth images in popular culture Disneyland television shows such as The Mickey Mouse Club Gidget and other beach movies the music of the Beach Boys all these broadcast nationwide a lifestyle of carefree wholesome fun supposedly enjoyed by white middle class suburban young people in California Tracing the rise of the California teen as a national icon Kirse May shows how idealized images of a suburban youth culture soothed the nation's postwar nerves while denying racial and urban realities Unsettling challenges to this mass mediated picture began to arise in the mid 1960s however with the Free Speech Movement's campus revolt in Berkeley and race riots in Watts In his 1966 campaign for the governorship of California Ronald Reagan transformed the backlash against the dangerous youths who fueled these actions into political triumph As May notes Reagan's victory presaged a rising conservatism across the nation *Forever L.A.* Douglas Keister, 2010-05-01 Stunning photographs fascinating text and easy GPS directions for finding gracious architecture fabulous artwork and memorable gravesites of famous Los Angeles residents A simple guide for cemetery lovers 1,000 Places to See in the United States and Canada Before You Die Patricia Schultz, 2016-11-29 Covering the U S A and Canada like never before and for the first time with full color photographs here are 1 000 compelling essential offbeat utterly unforgettable places Pristine beaches and national parks world class museums and the Just for Laughs festival mountain resorts salmon rich rivers scenic byways the Oyster Bar and the country's best taco lush gardens and coastal treks at Point Reyes rafting the Upper Gauley if you dare Plus resorts vineyards hot springs classic ballparks the Talladega Speedway and more Includes new attractions like Miami's Perez Art Museum and Manhattan's High Line plus more than 150 places of special interest to families And for every entry what you need to know about how and when to visit Patricia Schultz unearths the hidden gems in our North American backyard Don't even think about packing your bag and sightseeing without it New York Daily News **Disney Theme Parks and America's National Narratives** Bethanee Bemis, 2022-12-27 Disney Theme Parks and America's National Narratives takes a public history approach to situating the physical spaces of the Disney brand within memory and identity studies For over 65 years Disney's theme parks have been important locations for the formation and negotiation of the collective memory of the American narrative Disney's success as one of America's most prolific storytellers its rise as a symbol of America itself and its creation of theme parks that immerse visitors in three dimensional versions of certain American values and historic myths have both echoed and shaped the way the American people see themselves Like all versions of the American narrative Disney's vision serves to reassure us affirm our shared values and unite a diverse group of people under a distinctly American identity or at least it did The book shows how the status Disney obtained led the public to use them both as touchstones of identity and as spaces to influence the American identity writ large This volume also examines the following how Disney's original cartoons and live action entertainment offerings drew from American folk history and ideals how their work during World War II cemented them as an American symbol at home and abroad how the materialization of the American themes already espoused by the brand at their theme parks created a

place where collective memory lives how legitimization by presidents and other national figures gave the theme parks standing no other entertainment space has how Disney has changed alongside the American people and continues to do so today This book will be of interest to students and scholars of history media cultural studies American studies and tourism

Disney Declassified Aaron H. Goldberg ,2016-01-13 Welcome to the world of Disney Declassified a REAL look at some of the situations that play out in their theme parks their corporate boardroom and all too often a courtroom Some of the situations are heartbreaking others are head scratching and all of them are tales Disney would rather you not hear Walt Disney the company bearing his name and their theme parks have been analyzed and chronicled almost ad nauseam The word Disney conjures up different feelings for different people For many The Walt Disney Company stands for all things wholesome family centric moral and entertaining but every now and then scandalous and salacious behavior seeps into the utopian world of Disney Disney Declassified isn't about the analysis of the Disney Company at a deep or philosophical level actually it's quite the contrary it's a collection of true stories with Disney being the setting or the catalyst in situations that are very un-Disney like In some of these instances not every Disney story ends happily ever after The shocking time a baby was born and abandoned in a Magic Kingdom toilet When an eight year old girl was randomly shot in the back while riding aboard the Disneyland Railroad The controversial story of a handicapped woman having her Disneyland annual pass suspended for speeding and running into other guests with her motorized scooter What do a priest accused of molesting multiple children and the founder of a Ponzi scheme have in common They both fled their situations and went to work at Walt Disney World The role a former Nazi SS member played in the construction of Walt Disney World Two hostage situations at Walt Disney World with one at EPCOT tragically ending in suicide How a peeping Tom set up an elaborate system to spy on female cast members as they changed for work inside of Cinderella's Castle Ever hear of something called Sphinctering If you were one of the unlucky guys working for the fire company on Walt Disney World property you may have been subjected to this form of male on male sexual harassment Find out how the public helped to identify and track down a despicable child pornographer based on the Disney resort in the background images the police released from his reprehensible videos The Disney docket doesn't end with cases of ride accidents sex crimes death and violence There are multiple stories of people faking cancer to score a free trip to Walt Disney World interesting copyright infringement and Americans with Disability Act lawsuits and a touching story how a young boy with autism utilizes Disney characters to communicate with his family However you feel about Disney lover or hater explore these stories and many more when the real world collides with Disney and their world Chances are you may never view Disney the same way again
