Selected Poems Federico García Lorca, 2007 Federico García Lorca is perhaps the most celebrated of all twentieth century Spanish writers known not only for his plays but also for several collections of poems published both in his short lifetime and after Lorca's poetry is steeped in the land climate and folklore of his native Andalusia though he writes memorably of New York and Cuba too Writing often in modernist idiom and full of startling imagery he evokes a world of intense feelings silent suffering and dangerous love This unique parallel text edition balances poems from Lorca's early collections with his better known later work providing a clear vision of his poetic development and drawing attention to the brilliance and originality of some of the earlier work Key poems from all Lorca's collections appear here including the recently discovered *Sonnets of Dark Love* Martin Sorrell's translations are thoughtful and accomplished and D Gareth Walters's shrewd Introduction with its distinctive focus on the achievements of the poet gives a clear and balanced appraisal of the poetry while steering away from the tendency to mythologize Lorca's life and death This edition also includes helpful notes a bibliography a chronology and an index of titles

Early Modern Maternities in the Iberian Atlantic Emily Colbert Cairns, Nieves Romero-Díaz, 2025-10-01. Early Modern Maternities in the Iberian Atlantic is the first volume to emphasize women's personal experiences and their life trajectories as mothers within the Peninsula and across the Atlantic. Although an official discourse that defined the conditions of motherhood emerged in the eighteenth century before this period there were many different articulations of motherhood through which women negotiated hierarchical relationships power struggles and alliances. While the individual experiences were unique and depended upon the positionality of race and class the complexities of being a

mother were universal The wide variety of written and visual documents included in this volume highlight women s voices in the first person along with more subtle references to motherhood as well as silences This collection broadens our understanding of the complexities of motherhood addressing the pressures of becoming a mother miscarriage the acts of giving birth and lactation and the ordeals of raising children
