Fink,2019-03-08 Corrective church discipline is probably the most difficult task of a church and its leaders It s often time consuming ugly has fallout and usually involves criticism Therefore rather than deal with the difficulties of implementing church discipline we often look for ways to get around it so we don t have to deal with the problems it might entail This might be an easier approach but it s not the biblical approach This book tackles this important doctrine head on and seeks to let God say what He intended to say about church discipline After all He is the one who spoke about it in the first place
