*Lost and Found* Roberta Israeloff, 1997-10-14 Revisiting her past through old journals and diaries author Roberta Israeloff traces her passage from self confident tomboy to a teenager trying to understand what it means to be female in today s society Her recollections juxtaposed with thoughts on her current life capture from a personal perspective the journey to womanhood Will appeal to readers of REVIVING OPHELIA Library Journal ,2006 Revisiting The Great White North? Darren E. Lund, 2015-01-20 Returning seven years later to their original pieces from this landmark book over 20 leading scholars and activists revisit and reframe their rich contributions to a burgeoning scholarship on Whiteness With new reflective writings for each chapter and valuable sections on relevant readings and resources this volume refreshes and enhances the first text to pay critical and sustained attention to Whiteness in education with implications far beyond national borders Contributors include George Sefa Dei Tracey Lindberg Carl James Cynthia Levine Rasky and the late Patrick Solomon Courageously examining diverse perspectives contexts and institutional practices contributors to this volume dismantle the underpinnings of inequitable power relations privilege and marginalization The book s relevance extends to those in a range of settings with abundant and poignant lessons for enhancing and understanding transformative social justice work in education Revisiting The Great White North offers terrific grist for examining the persistence of Whiteness even as it shape shifts Chapters are comprehensive theoretically rich and anchored in personal experience Authors reflections on the seven years since publication of the first edition of this book complexify how we understand Whiteness while simultaneously driving home the need not only to grapple with it but to work against it Christine Sleeter Professor Emerita California State University Monterey Bay Our understanding of racial inequities in education will be impoverished unless we look deeply at White privilege its variation in different contexts and resistances to change Such is the call in this important book by Lund Carr and colleagues whose analyses within Canadian contexts framed and re framed for this captivating revised edition will be useful to educators and scholars around the world Read this book today Kevin Kumashiro Dean School of Education University of San Francisco President National Association for Multicultural Education Darren Lund and Paul Carr have given the contributors to their original 2007 text the opportunity to revisit rethink reconceptualize and reframe their earlier work The result is an interesting invigorating and unsettling group of chapters that challenge readers to also revisit and rethink their own ideas about Whiteness privilege and power Teachers administrators policymakers and researchers will all benefit from this critical work Sonia Nieto Professor Emerita Language Literacy and Culture College of Education University of Massachusetts Amherst Lund and Carr bring together a superb collection of authors who collectively challenge readers to go beyond liberal platitudes about race until educators confront the political social and economic consequences of inequitably distributed privilege the path towards equality and freedom will remain elusive By immersing us in the discourse of Whiteness the essays in this book illuminate that very path Joel Westheimer

University Research Chair Professor Faculty of Education University of Ottawa      **Cultural Amnesia** Stephen Bertman, 2000-02-28 Applying the metaphor of Alzheimer's disease to our national state of mind Bertman offers a chilling prognosis for our country's future unless radical steps for recovery are taken He looks beyond the classroom to the larger social forces that conspire to alienate Americans from their past a materialistic creed that celebrates transience and disposability and an electronic faith that worships the present to the exclusion of all other dimensions of time Jacket      *The First Ladies* Margaret Brown Klapthor, 1995 Brief biographies and portraits of wives sisters daughters nieces and other relatives of Presidents who have served as White House hostesses from Martha Washington to Hillary Clinton      Talking about Leaving Revisited Elaine Seymour, Anne-Barrie Hunter, 2019-12-10 Talking about Leaving Revisited discusses findings from a five year study that explores the extent nature and contributory causes of field switching both from and among STEM majors and what enables persistence to graduation The book reflects on what has and has not changed since publication of Talking about Leaving Why Undergraduates Leave the Sciences Elaine Seymour Nancy M Hewitt Westview Press 1997 With the editors guidance the authors of each chapter collaborate to address key questions drawing on findings from each related study source national and institutional data interviews with faculty and students structured observations and student assessments of teaching methods in STEM gateway courses Pitched to a wide audience engaging in style and richly illustrated in the interviewees own words this book affords the most comprehensive explanatory account to date of persistence relocation and loss in undergraduate sciences Comprehensively addresses the causes of loss from undergraduate STEM majors an issue of ongoing national concern Presents critical research relevant for nationwide STEM education reform efforts Explores the reasons why talented undergraduates abandon STEM majors Dispels popular causal myths about why students choose to leave STEM majors This volume is based upon work supported by the Alfred P Sloan Foundation Award No 2012 6 05 and the National Science Foundation Award No DUE 1224637      **Development Studies Revisited** Charles Cooper, E. V. K. FitzGerald, 2016-04-15 First published in 1989 The Journal of Development Studies was founded 25 years ago as a professional journal for what had by then become an established sub discipline within British social science The Journal has consistently published a broad spectrum of British research on development studies a catholicity that has been reflected in the composition of the Editorial Board over the years and has always welcomed authors from the USA the European Continent and above all from the Third World Collated from the last twenty five years of the journal presented here are a collection of 20 odd papers that represent less than three per cent of articles published since 1964      New Books on Women and Feminism, 1997      Revisiting Moral Panics Vivienne E. Cree, Gary Clapton, Mark Smith, 2016-06-15 We live in a world that is increasingly characterised as full of risk danger and threat Every day a new social issue emerges to assail our sensibilities and consciences Drawing on the popular Economic Social and Research Council ESRC seminar series this book examines these social issues and anxieties and the solutions to them through the concept of moral panic With a commentary

by Charles Critcher and contributions from both well known and up and coming researchers and practitioners this is a stimulating and innovative overview of moral panic ideas which will be an essential resource Revisiting Minjung Sunyoung Park,2019-03-11 An epoch marking alliance of laborers students dissident intellectuals and ordinary citizens was at the heart of South Korea's transformation from a dictatorship into a vibrant democracy during the 1980s Collectively known as the minjung the people these agents of Korean democratization historically carved out an expanded role for civil society in the country's politics In Revisiting Minjung some of the foremost experts in 1980s Korean history literature film art and music provide new insights into one of the most crucial decades in South Korean history Drawing from the theoretical perspectives of transnationalism post Marxist studies intersectional feminism popular culture studies and more the volume demonstrates how an era that is often associated with radical politics was in effect the catalyst for the subsequent flourishing of democratic and liberal values in South Korea Revisiting Minjung brings new themes new subjectivities and new theoretical perspectives to the study of the rich ecosystem of 1980s Korean culture Treated here is a wide array of topics including the origins of minjung ideology its critique by the right wing minjung art and music workers literary culture women writers and the resurgence of feminism erotic cinema science fiction transnational political travels and the representations of race and queerness in 1980s popular culture The book thus details the origins and development of some of the movements that shape cultural life in South Korea today and it does so through analyses that engage some of the most pressing debates in current scholarship in Korea and abroad 1890s Paris Fashions Revisited: Retracing the Elegance and Glamour Pasquale De Marco,2025-03-08 Step back in time to the glamorous world of 1890s Paris where fashion was art and art was fashion This captivating book takes you on a journey through the iconic silhouettes intricate details and lasting influence of Parisian couture during this transformative era Immerse yourself in the elegance of the bustles bodices and elaborate embellishments that defined the decade Discover how fashion reflected the social and cultural changes of the time as women pushed boundaries and challenged conventions through their clothing choices Explore the vibrant streets of Paris where grand boulevards teemed with fashionable women and department stores displayed the latest creations of renowned designers Feel the excitement of the fashion shows and balls where the elite and the aspiring mingled showcasing their exquisite taste and impeccable style Meet the women who shaped the fashion landscape of the 1890s From the Gibson Girl embodying the ideal of beauty and refinement to the suffragettes who used fashion as a tool for activism these women defied expectations and left an enduring legacy on the world of style Delve into the artistic influences that shaped the fashion of the era Discover how Art Nouveau Japonism and Symbolism manifested in the intricate patterns motifs and color palettes of the period's clothing See how designers drew inspiration from these artistic movements to create garments that were both visually stunning and conceptually innovative The legacy of 1890s Parisian fashion continues to inspire and influence contemporary style From runway shows to street fashion designers and fashion enthusiasts alike find endless inspiration in the silhouettes fabrics and

details of this bygone era Explore the enduring appeal of 1890s fashion and its lasting impact on the world of style If you like this book write a review      Norbert Elias's Lost Research John Goodwin, Henrietta O'Connor, 2016-03-03 Based on the re-discovery of a lost sociological project led by Norbert Elias at the University of Leicester this book re-visits the project The Adjustment of Young Workers to Work Situations and Adult Roles Norbert Elias's Lost Research makes use of the interview booklets documenting the lives of nearly 900 Leicester school leavers at the time to give a unique account of Elias's only foray into large scale publicly funded research Covering all aspects of the research from the development of the research proposal the selection and management of the research team the fieldwork Elias's theoretical work to the ultimate demise of the research project this book makes a significant contribution to our understanding of existing Eliasian texts by introducing this project to a wider audience and investigating and applying Elias's theoretical work to the areas of youth and school to work transitions Shedding new light on Elias's thought whilst exploring questions of methodology and the relevance of older research to modern questions this book will be of interest to social theorists as well as sociologists with interests in research methodology and the history of sociology      **Lancaster Revisited** Heather Maurer Lennon, 2005 Lancaster Revisited is an engaging look at this historic town located in the heart of New England This book takes the reader on a tour of residential life from cottages and town homes to lavish country estates of the Gilded Age Glimpse places that vanished as Fort Devens annexed a portion of the town and witness the devastation caused by the flood of 1936 and the Great New England Hurricane of 1938 Learn the poignant story of one of Lancaster's hometown boys lost in World War II and meet the father of the Nashua River Greenway plan Vintage photographs depict the pleasures of small town life including two of Lancaster's anniversary celebrations Enhanced by insightful captions these images bring to life memories of days gone by in this charming and picturesque place      *Gender, Genre, and the Romantic Poets* Philip Cox, 1996 This book offers new insights into the ambiguous masculinity within male romantic poetry discussing the work of Byron Wordsworth Shelley Keats and Coleridge among others      Engels Revisited Janet Sayers, Mary Evans, Nanneke Redclift, 2009 This reissued work first published in 1987 examines the problematic and divisive attitudes which bourgeois and socialist feminists take to the question of the links between patriarchy and capitalism and the importance of class conflict as a major cause of women's subordination Engels still occupies a central role in this debate and feminists writing in the hundred years since the publication of *The Origin of the Family Private Property and the State* frequently turn to this book in an attempt to find validation for their central argument The contributors to this volume reconsider Engels theories and review evidence from those societies that have attempted to implement his belief that the key to the emancipation of women lies in their entry to social production      **Love Canal Revisited** Elizabeth D. Blum, 2008-03-19 Thirty years after the headlines Love Canal remains synonymous with toxic waste When this neighborhood of Niagara Falls New York burst upon the nation's consciousness the media focused on a working class white woman named Lois Gibbs who gained prominence as an activist fighting to save families from the poison

buried beneath their homes Her organization the Love Canal Homeowners Association challenged big government and big business and ultimately won relocation But as Elizabeth Blum now shows the activists at Love Canal were a very diverse lot Blum reveals that more lurks beneath the surface of this story than most people realize and more than mere toxins She takes readers behind the headlines to show that others besides Gibbs played important roles and to examine how race class and gender influenced the way people from African American women to middle class white Christian groups experienced the crisis and became active at Love Canal Blum explores the often rocky interracial relationships of the community revealing how marginalized black women fought to be heard as they defined their environmental activism as an ongoing part of the civil rights struggle And she examines how the middle class Ecumenical Task Force consisting of progressive educated whites helped to negotiate legal obstacles and to secure the means to relocate and compensate black residents Blum also demonstrates how the crisis challenged gender lines far beyond casting mothers in activist roles Women of the LCHA may have rejected feminism because of its anti family stance but they staunchly believed in their rights And the incident changed the lives of working class men who found their wives in the front lines rather than in the kitchen In addition male bureaucrats and politicians ran into significant opposition from groups of both men and women who pressed for greater emphasis on health rather than economics for solutions to the crisis No previous account of Love Canal has considered the plight of these other segments of the population By doing so Blum shows that environmental activism opens a window on broader social movements and ideas such as civil rights and feminism Her book moves the story of Love Canal well beyond its iconic legacy the Superfund Act that makes polluters accountable to highlight another vital legacy one firmly rooted in race class and gender

**Baltimore Women War Workers in the Post-war Period** United States. Women's Bureau, 1948 With the return to peacetime production after the end of the war an immediately important question facing the Women's Bureau was What has happened to women war workers The Women's Bureau explored this question by a resurvey during the fall of 1946 of a group of former women war workers in Baltimore who had been interviewed in the fall of 1944 Leaf 1

*Gender Responsive Budgeting in South Asia* Pranab Kumar Panday, Shuvra Chowdhury, 2021-11-08 This book analyzes the practice of local level participatory planning and budgeting and its impact on gender responsive budgeting GRB in Bangladesh The book offers a conceptual framework that brings into focus the contribution of successful participatory budgeting practice to ensure GRB the examination of whether men and women fall under existing income and expenditure patterns differently It suggests that the ideas of participatory budgeting and GRB should be evolving together to provide a concrete idea to address gender needs The book provides a theoretical explanation that contributes to the consolidation of the practice of GRB at the local government level through participatory budgeting Conceptualizing the process of participatory budgeting and GRB in the context of Bangladesh the book will be of interest to researchers in the field of Development Studies Political Science Public Administration and Gender as well as Asian Studies in particular South Asian

Studies     The "Japanese Employment System" Revisited Toshiko Tsukaguchi-le Grand,1999     **Lost Talent** Sandra Hanson,2010-08-12 The challenge faced by the U S in the next two decades is developing a balanced qualified and well trained workforce for jobs in science and other technical fields For Hanson this includes equity for women which begins with creating conditions so that young girls who start out doing well in science do not end up with little training and knowledge The recovery of this lost talent is the central concern of this book
