Mshaka,2009-04-23 There is a great mystique about the entertainment industry and a fervent desire in many to be part of it But what many women don t realize is that most entertainment career guides are written from the point of view of the male executive or are filled with industry and legal jargon making them difficult to read and understand Now in Put Your Dreams First Thembisa Mshaka uses her 15 years of experience in the music industry to expose the hidden truths that women need to know as they aspire toward entertainment careers such as how to avoid compromising one s self respect and the little known fact that women run a large part of the business This highly informative guide is for every woman wanting to know how to navigate the entertainment superhighway and find that job of a lifetime      The Roots of Our Discontent Pasquale De Marco,2025-05-22 In a time of widespread discontent and disillusionment The Roots of Our Discontent offers a scathing indictment of the American political system and a clarion call for change With meticulous research and incisive analysis this book exposes the deep seated problems that ail our nation from the bloated bureaucracy and unchecked executive power to the corrosive influence of money in politics and the apathy of the citizenry Martin L Gross a fearless investigative journalist delves into the inner workings of Washington D C revealing the self serving machinations of politicians and special interests that have led to the current state of gridlock and dysfunction He pulls back the curtain on the revolving door between government and corporate power exposing the cozy relationships that undermine the public interest Gross argues that the two party system once a vehicle for compromise and progress has become a major obstacle to solving the nation s problems He skewers the partisan bickering and ideological posturing that have paralyzed Congress and prevented meaningful action on critical issues He also takes aim at the imperial presidency

which has accumulated excessive power and eroded the checks and balances essential to a healthy democracy The book also examines the growing economic inequality and the erosion of the middle class demonstrating how the current system benefits the wealthy and powerful at the expense of ordinary Americans Gross exposes the loopholes and tax breaks that allow corporations and the wealthy to avoid paying their fair share while the burden falls disproportionately on working families With a keen eye for detail and a passion for justice Gross paints a vivid picture of a nation in crisis a nation desperately in need of reform The Roots of Our Discontent is a must read for anyone concerned about the future of American democracy a clarion call for action that demands we confront the challenges facing our nation and work together to build a better future for all If you like this book write a review on google books [A Man's Recovery from Traumatic Childhood Abuse](#) Robert Blackburn Knight, Mark Falstein, 2014-02-25 First published in 2002 Routledge is an imprint of Taylor Francis an informa company
