into the sea more than 700 km away from land without any hope of any rescue team finding me alive because the sea in the area I was flying was infested with sharks The rough sea would topple and sink my helicopter the moment I touch down on the water And probably I was destined to go down into the depths of the ocean along with my sinking helicopter Annual Report on the Vital Statistics of Massachusetts ,1880 Vital Records of Beverly, Massachusetts Beverly (Mass.),1907
