Lost Lunar Baedeker:

The Lost Lunar Baedeker Mina Loy, 1996 There was a time when it was common to couple Mina Loy's name with that of W C Williams or Marianne Moore her advanced contemporaries considered her a literary and artistic genius a descendant of Sappho by way of Emily Dickinson But the public was scandalized by her work and some critics openly scorned it Not only were her Futurist inspired techniques unlike anything most readers had encountered before but her subjects procreation parturition prostitution suicide addiction retardation were considered shocking even by some modernists Mina Loy vanished from the literary scene just as dramatically as she arrived on it and for most of the century her bold experiments have remained a well kept secret But in recent years Loy's work has been discovered by a new generation of poets and critics and has begun to surface in revisionist anthologies What has been needed is a reliable text of the essential Loy poems To assemble **The Lost Lunar Baedeker** Roger Conover has rescued Loy's poems and prose works from the Dada magazines and other ephemeral publications where they first appeared All of Loy's notorious Futurist and feminist satires are included as are many poems from her Paris and New York periods the complete cycle of Love Songs and several previously unknown texts Detailed notes accompany the text BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

The Lost Lunar Baedeker Mina Loy, Roger L. Mina Loy, 2022 *Modernism, Technology, and the Body* Tim Armstrong, 1998-02-28 This book is a study of the relations between the body and its technologies in modernism Tim Armstrong traces the links between modernist literary texts and medical psychological and social theory across a range of writers including Yeats Henry James Eliot Stein and Pound Armstrong shows how modernist texts enact experimental procedures which have their origins in nineteenth century psychophysics biology and bodily reform techniques but within a context in which the body is reconceived and subjected to new modes of production representation and commodification Drawing on a wide range of disciplines Armstrong challenges the received oppositions between technology and literature the instrumental and the aesthetic by demonstrating the leaky boundaries and complex interconnections between these domains This book offers a cultural history of modernism as it negotiated the enduring fact of the human body in a period of rapid technological change **The Feminist Avant-Garde in**

American Poetry Elisabeth A. Frost, 2005-04 The Feminist Avant Garde in American Poetry offers a historical and theoretical account of avant garde women poets in America from the 1910s through the 1990s and asserts an alternative tradition to the predominantly male dominated avant garde movements Elisabeth Frost argues that this alternative lineage distinguishes itself by its feminism and its ambivalence toward existing avant garde projects she also thoroughly explores feminist avant garde poets debts and contributions to their male counterparts **Curious Disciplines** Sarah

Hayden,2018-04-15 Foregrounding Loy s critical interrogation of Futurist Dadaist Surrealist and Degenerate artisthood and exploring her poetic legacies today Curious Disciplines reveals Loy s importance in an entirely novel way **A History of Twentieth-Century British Women's Poetry** Jane Dowson,Alice Entwistle,2005-05-19 Publisher Description *The Last Lunar Baedeker* Mina Loy,1982 **Modernism and Mourning** Patricia Rae,2007 The essays in *Modernism and Mourning* examine the work of mourning in modernist literature or more precisely its propensity for resisting this work Drawing from recent developments in the theory and cultural history of mourning its contributors explore the various ways in which modernist writers repudiate Freud s famous injunction to mourners to work through their grief endorsing instead a resistant or melancholic mourning that shapes both their themes and their radical experiments with form The emerging picture of the pervasive influence of melancholic mourning in modernist literature casts new light on longstanding critical arguments especially those about the politics of modernism It also makes clear the pertinence of this literature to the present day in which the catastrophic losses of 9 11 of retaliatory war of racially motivated genocide of the AIDS epidemic have made the work of mourning a subject of widespread interest and debate Patricia Rae is Head of the Department of English at Queen s University **Dynamic Form** Cara L. Lewis,2020-07-15 *Dynamic Form* traces how intermedial experiments shape modernist texts from 1900 to 1950 Considering literature alongside painting sculpture photography and film Cara Lewis examines how these arts inflect narrative movement contribute to plot events and configure poetry and memoir As forms and formal theories cross from one artistic realm to another and back again modernism shows its obsession with form and even at times becomes a formalism itself but as Lewis writes that form is far more dynamic than we have given it credit for Form fulfills such various functions that we cannot characterize it as a mere container for content or matter nor can we consign it to ignominy opposite historicism or political commitment As a structure or scheme that enables action form in modernism can be plastic protean or even fragile and works by Henry James Virginia Woolf Mina Loy Evelyn Waugh and Gertrude Stein demonstrate the range of form s operations Revising three major formal paradigms spatial form pure form and formlessness and recasting the history of modernist form this book proposes an understanding of form as a verbal category as a kind of doing *Dynamic Form* thus opens new possibilities for conversation between modernist studies and formalist studies and simultaneously promotes a capacious rethinking of the convergence between literary modernism and creative work in other media *The Cambridge History of American Poetry* Alfred Bendixen,Stephen Burt,2014-10-27 *The Cambridge History of American Poetry* offers a comprehensive exploration of the development of American poetic traditions from their beginnings until the end of the twentieth century Bringing together the insights of fifty distinguished scholars this literary history emphasizes the complex roles that poetry has played in American cultural and intellectual life detailing the variety of ways in which both public and private forms of poetry have met the needs of different communities at different times *The Cambridge History of American Poetry* recognizes the existence of multiple traditions and a dramatically fluid canon providing current

perspectives on both major authors and a number of representative figures whose work embodies the diversity of America's democratic traditions

Mina Loy's Critical Modernism Laura Scuriatti, 2019-04-22 This volume argues that Loy's corpus of works produces a kind of critical modernism the author makes the case that Loy's corpus exhibits a skeptical detached attitude towards its own simultaneous celebration and criticism of modernist aesthetic paradigms The author provides a new in depth investigation of specific aspects of the Florentine and Italian context in particular which have so far been neglected by scholarship The volume presents new insights into Loy's feminism and argues that her texts respond to the rewriting of Otto Weininger's then widely influential theories in the magazine *Lacerba* It shows that Loy's texts present dialogic narratable eccentric selves and subjectivities which create uncomfortable critical spaces within modernism as a broad movement

Music and Literary Modernism Robert P. McParland, 2009-10-02 In *Music and Literary Modernism* the intersections of music literature and language are examined by an international group of scholars who engage in studies of modernist art and practice The essays collected here present the significant place of music in the writing of T S Eliot Ernest Hemingway James Joyce James Weldon Johnson Mina Loy Stephen Mallarmé Ezra Pound Marcel Proust Gertrude Stein Wallace Stevens and Virginia Woolf as well as the importance of literary art for composers such as George Antheil Pierre Boulez Olivier Messiaen and The Beatles Contributors explore the role of music and literary modernism in the postmodern sublime sound and music in language the uneasy alliance of jazz and pop song in high modernist work the Beatles as modernists and other topics This is a revised and updated second edition
