*Entangled Edens* Candace Slater, 2002 The skill with which Slater combines various levels and modalities of narrative utilizing her personal experience as a colorful unifying thread is truly remarkable Antonio Candido author of *Antonio Candido On Literature and Society* Howard S Becker editor A very important book that quite gracefully elegantly and persuasively moves beyond the usual myth and history format to put at its center stories about the Amazon and the people who tell them *Entangled Edens* persuasively argues that the Amazon can only be grasped understood and come to terms with through its myths and stories It addresses a very real failing of modern environmentalism which for all its virtues tends to dehumanize and metaphorically depopulate when it does not villainize populations that do share its concerns or share them in very different ways Instead of forcing us to choose between land and people Slater uses the stories and the people who tell them to rethink human relations with nature and each other Richard White author of *The Organic Machine The Remaking of the Columbia River* Elegant erudite profoundly serious *Entangled Edens* is a source of inspiration and knowledge for the reader interested in the Amazon Without the cultural tradition and the life experience of Amazonia's people any analysis of the Amazon risks becoming inconsequential or opportunistic This is one of the powerful messages of this important reflection on the Amazon whose greatest riches are ultimately its people Candace Slater has written a book that will last Milton Hatoum author of *The Tree of the Seventh Heaven* 1994 and *The Brothers* 2002 *Caregiving Sourcebook, 1st Ed.* James Chambers, 2021-03-01 Consumer health information about caregiving and the types of caregivers with information Includes index glossary of related terms and other resources [The Publishers' Circular and Booksellers' Record](#), 1929 *American Anxieties, Foreign Landscapes* Nigel De Juan Hatton, 2005 *Book Prices: Used and Rare, 1994* Edward N.
