The Greatest Story Never Told Audrey Carr, 2013-12-18 The story of Jesus is well known worldwide. But have you ever wondered if it is the true and complete story of the Savior? Could there be more to the Son of God? Author Audrey Carr addresses those questions in *The Greatest Story Never Told: An Advanced Understanding of Christianity*. She not only presents the real story of Jesus in which he did not die on the cross but also includes his unitary gospel of oneness with God that traditional Christianity has missed. Quoting from highly documented scholarly works, this story of Jesus incorporates Judaism, Christianity, Hinduism, Buddhism, and Taoism. With details and maps of his many years in India, Carr provides a photograph of his real tomb in Kashmir. Carr also offers information about meditation techniques he practiced for Jesus was not a Christian but a Hindu Buddha. The Kingdom of Heaven was his term for Enlightened Consciousness. Unlike other scholarly books, *The Greatest Story Never Told* is intended for the everyday person. Readers will come away with a new meaningful life-changing understanding of Jesus and his teachings. Carr seeks to destroy what is false and resuscitate the real truth beyond all myths and she reveals the connections between major religions. Spiritually uplifting and challenging, *The Greatest Story Never Told* is for anyone who is ready for an advanced understanding of Jesus and all the other God men of the ages who have realized their divine identity. **The Lost Years of Jesus Revealed**, 1959 **Digging through**

History Again Richard A. Freund, 2023-01-07 *Digging through History Again: New Discoveries from Atlantis to the Holocaust* follows archaeologist Richard Freund's journey through some of the most fascinating archaeological sites of human history including the mysterious Atlantis, Qumran and the Dead Sea Scrolls, a medieval synagogue in northern Spain and the long buried Holocaust camp Sobibor and long neglected sites of the Holocaust. Each chapter takes readers through a different archaeological site showing what we can learn about past religious life and religious faith through the artifacts found there as well as what has given each site such strong staying power over time. It also highlights the technological developments in geoscience and archaeology of the last 25 years that allows us to uncover more with less time, expense and labor while observing the sensitivities associated with Jewish traditions. *Digging Through History Again* further explores just how expansive the lost Atlantis Civilization really is, expands upon information known about the Dead Sea Scrolls and the newly

discovered caves where more scrolls will be found and uncovers new excavations of the death camp of Sobibor the secrets of the Warsaw Ghetto and escapes from Sobibor Ponar and Fort IX that will help set a standard for future archaeology of the Holocaust Richard Freund and the research in Digging through History are featured in the National Geographic documentary Atlantis Rising which premiered on National Geographic in 2017 and a documentary follows Oscar winning executive producer James Cameron and Emmy winning filmmaker Simcha Jacobovici as they investigate the myths and realities of Atlantis The chapter on the Archaeology of Jewish Resistance during the Holocaust is also a part of the new television documentary Resistance They Fought Back set to air in 2023 Digging through History is the only book that details Freund's groundbreaking research on Atlantis and on Jewish resistance during the Holocaust that is featured in the films

alchemical secret of the imperishable Light Body of ancient Egypt deep within our DNA The Mysteries of the Great Cross of Hendaye reveals one of Western occultism s deepest secrets The alchemical transformation of base metal into gold is also the transformation of the current Iron Age into the Golden Age Based on the work of the enigmatic 20th century alchemist Fulcanelli authors Weidner and Bridges show how the greatest alchemical secret is that of time itself and that coded into an obscure monument in southwestern France the cross in the town square of Hendaye is the imminent date of the apocalypse The authors explorations of this symbolism lead them from the cross of Hendaye to the western facade of the cathedral of Notre Dame in Paris the Pyrenees ancient Egypt and the secret origins of Atlantis in Peru to reveal that we are indeed living in a fatal season and that this season is intimately connected to our solar system s alignment with the galactic center The authors in depth examination of alchemy s connection with the coming end days also reveals that this astro alchemical knowledge was part of the sacred science of the Egyptians and the Atlanteans whose coded messages are at last deciphered to guide humanity to its future destiny *Nicholas Roerich* John McCannon,2022-11-15 Russian painter explorer and mystic Nicholas Roerich 1874 1947 ranks as one of the twentieth century s great enigmas Despite mystery and scandal he left a deep if understudied cultural imprint on Russia Europe India and America As a painter and set designer Roerich was a key figure in Russian art He became a major player in Diaghilev s Ballets Russes and with Igor Stravinsky he cocreated The Rite of Spring a landmark work in the emergence of artistic modernity His art his adventures and his peace activism earned the friendship and admiration of such diverse luminaries as Albert Einstein Eleanor Roosevelt H G Wells Jawaharlal Nehru Raisa Gorbacheva and H P Lovecraft But the artist also had a darker side Stravinsky once said of Roerich that he ought to have been a mystic or a spy He was certainly the former and close enough to the latter to blur any distinction His travels to Asia supposedly motivated by artistic interests and archaeological research were in fact covert attempts to create a pan Buddhist state encompassing Siberia Mongolia and Tibet His activities in America touched Franklin Delano Roosevelt s cabinet with scandal and behind the scenes affected the course of three US presidential elections In his lifetime Roerich baffled foreign affairs ministries and intelligence services in half a dozen countries He persuaded thousands that he was a humanitarian and divinely inspired thinker but convinced just as many that he was a fraud or a madman His story reads like an epic work of fiction and is all the more remarkable for being true John McCannon s engaging and scrupulously researched narrative moves beyond traditional perceptions of Roerich as a saint or a villain to show that he was in many ways both in equal measure **The Story of Jesus** William H. Kautz,2012-04-10 THE STORY OF JESUS AN INTUITIVE ANTHOLOGY Many contemporary Christians suspect that there is more to Jesus and his enduring message than the little that has survived in historical writings and the legendary Christian tradition This book offers a narrative account of Jesus life from the perspective of twenty contemporary writers who have developed their natural intuitive abilities to an unusually high level They are therefore able to bring forth new and detailed information not ordinarily accessible by historical or literary means

Some of them had demonstrated their unusual skill by probing deeply into the personal lives and minds of historical individuals other than Jesus while some had provided important and detailed technical information which was then verified scientifically They apply their intuitive skills here to uncover fresh information about the man Jesus his contemporaries and his extensive teachings which never found their way into the New Testament Gospels and related historical documents These new findings offer a much richer view of the man himself than that available from traditional Christian sources They also provide illuminating insights and a deep spiritual understanding of Jesus original and hidden teachings The Story of Jesus is essential reading for all inquirers and seekers into these hidden and previously lost portions of Christian spiritual history
