Lost Adventures Of Sherlock Holmes:

The lost adventures of Sherlock Holmes Ken.; Green Greenwald, Denis Green, Anthony Boucher, 1993 Published by arrangement with Wieser Wieser **The Lost Adventures of Sherlock Holmes** Ken Greenwald, 1989 Adapted from the original Sherlock Holmes radio broadcasts featuring Basil Rathbone and Nigel Bruce the long lost tales answer the unsolved mysteries of the original stories **The Lost Adventures of Sherlock Holmes** Martin Petiška, **The Lost Adventures of Sherlock Holmes** Eduard Martin, 1996 **Sherlock Holmes' Lost Adventure** , The Collected Papers of Sherlock Holmes - Volume 2 David Marcum, 2022-03-24 At the age of ten in the mid 1970 s David Marcum discovered Mr Sherlock Holmes and from that point he knew that the original 60 Canonical adventures would never be enough This coupled with his life long desire to write meant that eventually he would find a way to add new stories to The Great Holmes Tapestry The years passed and David collected read and chronologicized literally thousands of traditional Canonical Sherlockian pastiches Then in 2008 with time on his hands while laid off from his civil engineering job during the Great Recession David finally found his way to Watson s Tin Dispatch Box producing The Papers of Sherlock Holmes These first nine short stories originally sat on a shelf in his Holmes book collection before he eventually decided to share them with others That first collection was initially published by a small press in 2011 and then in 2013 by the premiere Sherlockian publisher MX Publishing and after that there was no turning back Since then in addition to editing over 60 volumes most of which are Sherlockian anthologies David has written and published over 80 Sherlockian adventures in a variety of anthologies and magazines Now these are being collected along with a few others that haven t been seen before These first five volumes contain the majority of David s Holmesian stories so far with additional adventures to be collected and published as part of this ongoing series in 2022 Join us as we return to Baker Street and discover more authentic adventures of Sherlock Holmes the man described by the estimable Dr Watson as the best and wisest whom I have ever known The game is afoot Volume II Records 5 Short Stories and a Novel Sherlock Holmes Tangled Skeins The Mystery at Kerrett s Rood The Curious Incident of the Goat Cart Man The Matter of Boz s Last Letter The Tangled Skein at Birling Gap The Gower Street Murder and Sherlock Holmes and The Eye of Heka A Novel **The Alternative Sherlock Holmes** Peter Ridgway Watt, Joseph Green, 2017-03-02 Between 1887 and 1927 Sir Arthur Conan Doyle wrote sixty Sherlock Holmes stories and his great Canon has become the most praised most studied and best known chapter in the history of detective fiction Over twenty thousand publications pertaining to the Sherlock Holmes phenomenon are known to have been published most of them historical and critical studies In addition however almost since the first stories appeared such was their uniqueness and extraordinary attraction that other authors began writing stories based on or derived from them A new genre had appeared pastiches parodies burlesques and stories that attempted to copy or rival the great detective himself As the field widened there was hardly a year in the twentieth century in which new short stories or novels did not appear Many hundreds are now known to have been published some of

them written by authors well known for their work in other literary fields The non canonical Sherlock Holmes literature not only constitutes a literary field of considerable historical interest but includes many stories that are both enjoyable and fascinating in their own right Although a large bibliography on these stories exists and a few limited anthologies have been published no attempt has previously been made to collect them all and discuss them comprehensively The Alternative Sherlock Holmes does so it provides a new and valuable approach to the Sherlock Holmes literature as well as making available many works that have for years remained forgotten Presented as an entertaining narrative of interest to both the aficionado and the scholar it provides full bibliographic data on virtually all the known stories in the field **Night Watch**

Stephen Kendrick,2006-11-07 In this brilliantly crafted pastiche Stephen Kendrick brings Sherlock Holmes and Father Brown together in an unprecedented collaboration on a singularly shocking murder case It is Christmas Day 1902 and a priest s mutilated body has been found in a London church that is hosting a secret interfaith meeting to discuss the possibility of a Parliament of World Religions A summons from the Prime Minister plunges Holmes into a case with international political and ecclesiastical complications Untrampled snow surrounding the church suggests that the murderer remains within and that he is presumably one of the leaders of the world s great faiths Throughout the night as more deaths are discovered Holmes and Dr Watson follow one false lead after another But with his legendary astuteness Holmes manages to wrap the case up in less than twenty four hours or so it seems Two weeks later Father Brown the meek young priest translator pays a call at Baker Street to reveal a few loose ends The intersection of religion and politics faith and sin enmity and forgiveness these themes are subtly interwoven into this fast paced mystery that is filled with classic intrigue Sherlock Holmes.
