Child Custody and Visitation Disputes in Sweden and the

United States Diane Pranzo, 2013-04-04 What are the social and cultural features that have the most impact on the interpretation of the legal standard best interest of the child One method for answering this question is through a comparison of two societies Sweden and the United States both of which apply the same legal standard to similar contested custody and visitation cases This study views love law and knowledge as separate discourses Love encompasses the interpretations of the actors whose claims arise from the emotions associated with care concern and relationships namely parents the children who are the subject of a case and other family members Justice encompasses the interpretations and claims which are made by judges but its discourse includes the legal process and legal policies Knowledge is encompassed by the concerns and claims of professionals and or experts including social science discussions of care welfare and psychology and the interpretations

and descriptions given by the professionals and experts regarding the actors in the cases This book hypothesizes that a comparison of two societies that focuses on the interaction between the discourses of love justice and knowledge in the process of decision making in best interests of the child disputed custody cases reveals features of decision making that would be unavailable to researchers studying custody disputes in only one society **Improving Child and Family Assessments**

Danielle Turney,Dendy Platt,Julie Selwyn,Elaine Farmer,2011-09-15 This book brings together findings from 10 years of UK research that shed light on different aspects of child and family assessment examining the evidence for what works in promoting the best outcomes for children It covers thresholds for assessment and intervention what information should be collected and assessments in different contexts **Gendered Justice?**

Jo Roberts,2022-08-25 Built upon the foundations of women s real life experiences which have real world implications Gendered Justice introduces a range of recommendations and implications for both policy and practice in the field of criminal justice **Working With Violence**

Judith Milner,Steve Myers,2007-05-04 Assessing and managing violence places a heavy burden on practitioners in social work criminal justice and health care settings Milner and Myers examine current explanatory theories of violence and how these influence assessment and intervention Using case studies and a variety of agency documents the strengths and weaknesses of these approaches are weighed up and a framework is presented to help workers looking to effect positive change Philosophies and Practices of Emancipatory Nursing

Paula N. Kagan,Marlaine C. Smith,Peggy L. Chinn,2014-07-17 Awarded First Place in the 2015 AJN Book of the Year Award in two categories History and Public Policy and Professional Issues This anthology presents the philosophical and practice perspectives of nurse scholars whose works center on promoting nursing research practice and education within frameworks of social justice and critical theories Social justice nursing is defined by the editors as nursing practice that is emancipatory and rests on the principle of praxis which is practice aimed at attaining social justice goals and outcomes that improve health experiences and conditions of individuals their communities and society There is a lack in the nursing discipline of resources that contain praxis approaches and there is a need for new concepts models and theories that could encompass scholarship and practice aimed at purposive reformation of nursing other health professions and health care systems Chapters bridge critical theoretical frameworks and nursing science in ways that are understandable and useful for practicing nurses and other health professionals in clinical settings in academia and in research In this book nurses ideas and knowledge development efforts are not limited to problems and solutions emerging from the dominant discourse or traditions The authors offer innovative ways to work towards establishing alternative forms of knowledge capable of capturing both the roots and complexity of contemporary problems as distributed across a diversity of people and communities It fills a significant gap in the literature and makes an exceptional contribution as a collection of new writings from some of the foremost nursing scholars whose works are informed by critical frameworks *The Rehabilitation of Partner-Violent Men* Erica Bowen,2011-03-07 THE

REHABILITATION OF PARTNER VIOLENT MEN Informed by theory and evidence this text offers a full account of a pressing social problem Professor Clive Hollin School of Psychology The University of Leicester UK This is a book which clearly sets out the history theoretical developments interventions and possibilities for the future within a UK context It is an excellent source of good information about where we are and an excellent springboard for future developments in both research and practice Professor Liz Gilchrist Department of Psychology Glasgow Caledonian University UK Erica Bowen s book The Rehabilitation of Partner Violent Men is a timely and important contribution to the literature of effective interventions The content would be of interest to students researchers and practitioners Dr Nicola Graham Kevan School of Psychology University of Central Lancashire UK Violence within intimate relationships is not just a modern occurrence yet while the nature of the abuse has changed little over hundreds of years great strides have been made in dealing with male perpetrators of domestic violence in the UK The Rehabilitation of Partner Violent Men presents an historical account of the policy changes that have led to the provision of rehabilitation programmes for male perpetrators of intimate partner violence within the British criminal justice system Drawing on both national and international literature the book provides an overview of the theoretical foundation behind current approaches to rehabilitation as well as a critical examination of evaluation methodology and an appraisal of the effectiveness of current practices While probing deeply into the nature of intimate partner violence The Rehabilitation of Partner Violent Men offers rich and revealing insights into the efficacy of intervention programmes and their profound influences on the lives of millions of women around the world each year

Relational Autonomy and Family Law Jonathan Herring, 2014-03-11 This book explores the importance of autonomy in family law It argues that traditional understandings of autonomy are inappropriate in the family law context and instead recommends the use of relational autonomy The book starts by explaining how autonomy has historically been understood before exploring the problems with its use in family law It then sets out the model of relational autonomy which it will be argued is more appropriate in this context Finally some examples of practical application are presented The issues raised and theoretical discussion is relevant to any jurisdiction
