Myths And Folklore Of Ireland:

Myths and Folk-Lore of Ireland Jeremiah Curtin, 2020-09-28 The young man went home sad and weary The king and queen were outside watching and when they saw him approaching they knew great trouble was on him When he came to where they were he wouldn't speak but went straight into the castle and wouldn't eat or drink He was sad and lamenting for a good while till at last he disappeared one day the king and queen knew not whither After that they didn't hear of him didn't know was he dead or alive The young man after he left home was walking along over the kingdom for a long time One day he saw no house big or little till after dark he came in front of a hill and at the foot of the hill saw a small light He went to the light found a small house and inside an old woman sitting at a warm fire and every tooth in her head as long as a staff She stood up when he entered took him by the hand and said You are welcome to my house son of the king of Erin Then she brought warm water washed his feet and legs from the knees down gave him supper and put him to bed When he rose next morning he found breakfast ready before him The old woman said You were with me last night you'll be with my sister to night and what she tells you to do do or your head'll be in danger Now take the gift I give you Here is a ball of thread do you throw it in front of you before you start and all day the ball will be rolling ahead of you and you'll be following behind winding the thread into another ball He obeyed the old woman threw the ball down and followed All the day he was going up hill and down across valleys and open places keeping the ball in sight and winding the thread as he went till evening when he saw a hill in front and a small light at the foot of it

Curtin, 1996 [Myths and Folk-Lore of Ireland](#) Jeremiah Curtin, 2020-12-08 In *Myths and Folk Lore of Ireland* Jeremiah Curtin presents a rich tapestry of Irish oral traditions weaving together enchanting tales that illuminate the cultural identity and historical context of the Emerald Isle Through a scholarly lens Curtin employs a narrative style that is both engaging and faithful to the oral tradition capturing the lyrical quality of the stories and the nuances of local dialects This collection not only serves as a testament to the enduring power of myth but also reflects the broader literary movement of the late 19th century which sought to preserve the vanishing lore of various cultures amidst the rapid industrialization of Europe Jeremiah Curtin an American folklorist and translator with deep Irish roots dedicated much of his career to collecting and preserving folk tales His immersive experiences in Ireland informed his understanding of its folklore and enabled him to communicate these stories with authenticity His academic background and passion for linguistics helped him uncover the subtleties of these tales as he strived to honor the voices of the storytellers and the cultural heritage they represented Readers seeking insight into the heart of Irish culture will find Curtin's work indispensable *Myths and Folk Lore of Ireland* is not merely a collection it is an invitation to explore the enchanting narratives that continue to shape Ireland's identity Recommended for
