Myths In Stone Religious Dimensions Of Washington D C

David Brown

Myths In Stone Religious Dimensions Of Washington D C:

Myths in Stone Jeffrey F. Meyer, 2001-02-13 Washington D C is a city of powerful symbols from the dominance of the Capitol dome and Washington Monument to the authority of the Smithsonian This book takes us on a fascinating and informative tour of the nation s capital as Jeffrey F Meyer unravels the complex symbolism of the city and explores its meaning for our national consciousness Meyer finds that mythic and religious themes pervade the capital in its original planning in its monumental architecture and in the ritualized events that have taken place over the 200 years the city has been the repository for the symbolism of the nation As Meyer tours the city s famous axial layout he discusses many historical figures and events compares Washington to other great cities of the world such as Beijing and Berlin and discusses the meaning and history of its architecture and many works of art Treating Washington D C as a complex religious center Meyer finds that the city functions as a unifying element in American consciousness This book will change the way we look at Washington D C and provide a provocative new look at the meaning of religion in America today It will also be a valuable companion for those traveling to this city that was envisioned from its inception as the center of the world **Myths in**

Stone Jeffrey F. Meyer, 2001-02-13 This is an examination of Washington DC as a secular pilgrimage site Meyer argues that the city was conceived and executed along various axes of power and influence that suggest the central and continually contested values that inform religious and civic beliefs **The Rough Guide to Washington, DC** Rough

Guides, 2011-08-01 The Rough Guide to Washington DC is the definitive guide to this historic city with clear maps and detailed coverage of all the city s best attractions Discover Washington DC s highlights with stunning photography and information on everything from the city s memorials and museums along the Mall to showpieces like the International Spy Museum Find detailed practical advice on what to see and do in Washington DC relying on up to date descriptions of the best hotels bars clubs shops and restaurants for all budgets The Rough Guide to Washington DC also includes full colour sections of the region s top sights and there are plenty of maps to help you plan your trip to the lively and fascinating capital of the United States Make the most of your holiday with The Rough Guide to Washington DC *The Rough Guide to Washington*

DC Jules Brown, Jeff Dickey, 2008 A comprehensive travel guide to Washington DC with maps and information on accommodations and restaurants shopping and entertainment and interesting tourist sites **Formed From This Soil**

Thomas S. Bremer, 2014-10-10 Formed from This Soil offers a complete history of religion in America that centers on the diversity of sacred traditions and practices that have existed in the country from its earliest days Organized chronologically starting with the earliest Europeans searching for new routes to Asia through to the global context of post 9 11 America of the 21st century Includes discussion of race ethnicity gender sexual orientation socio economic class political affiliations and other elements of individual and collective identity Incorporates recent scholarship for a nuanced history that goes beyond simple explanations of America as a Protestant society Discusses diverse beliefs and practices that originated in the Americas

as well as those that came from Europe Asia and Africa Pedagogical features include numerous visual images sidebars with specialized topics and interpretive themes discussion questions for each chapter a glossary of common terms and lists of relevant resources to broaden student learning The Politics of the Sacred in America Anthony Squiers,2017-12-21 This book provides a comprehensive investigation of the political dimensions of civil religion in the United States By employing an original social psychological theory rooted in semiotics it offers a qualitative and quantitative empirical examination of more than fifty years of political rhetoric Further it presents two in depth case studies that examine how the cultural totemic sign of the Founding Fathers and the signs of America s sacred texts the Constitution and the Declaration of Independence are used in attempts to link partisan policy positions with notions that the country collectively holds sacred The book s overarching thesis is that America s civil religion serves as a discursive framework for the country s politics of the sacred mediating the demands of particularistic interests and social solidarity through the interaction of social belief and institutional politics like elections and the Supreme Court The book penetrates America s unique political religiosity to reveal and unravel the intricate ways in which politics political institutions religion and culture intertwine in the United States

T&T Clark Handbook of Asian American Biblical Hermeneutics Uriah Y. Kim,Seung Ai Yang,2019-05-30 The first reference resource on how Asian Americans are currently reading and interpreting the Bible this volume also serves a valuable role in both developing and disseminating what can be termed as Asian American biblical hermeneutics The volume works from the important background that Asian Americans are the fastest growing ethnic racial minority population in the USA and that 42% of this group identifies as Christian This provides a useful starting point from which to examine what may be distinctive about Asian American approaches to the Bible Part 1 of the Handbook describes six major ethnic groups that make up 85% of Asian population by country of origin China Philippines Indian Subcontinent Vietnam Korea Japan and outlines the specific concerns each group has when its members read the Bible Part 2 of the Handbook examines major critical methods in biblical interpretation and suggests adjustments that may be helpful for Asian Americans to make when they are interpreting the Bible Finally Part 3 provides 25 interpretations by Asian American biblical scholars on specific texts in the Bible using what they consider to be Asian American hermeneutics Taken together the Handbook interprets the Bible both with and for the Asian American communities *Berlin - Washington, 1800-2000* Andreas Daum,Christof Mauch,2005-12-26 Publisher description *God and Enchantment of Place* David Brown,2004-10-14 David Brown argues for the importance of experience of God as mediated through place in all its variety He explores the various ways in which such experiences once formed an essential element in making religion integral to human life and argues for their reinstatement at the centre of theological discussions about the existence of God In effect the discussion continues the theme of Brown s two much praised earlier volumes *Tradition and Imagination* and *Discipleship and Imagination* in its advocacy of the need for Christian theology to take much more seriously its relationship with the various wider cultures in which it has been set In its

challenge to conventional philosophy of religion the book will be of interest to theologians and philosophers and also to historians of art and culture generally

The Nativist Movement in America Katie Oxx, 2013-07-15 By the mid nineteenth century anti Catholicism had become a central conflict in America Fueling the dissent were Protestant groups dedicated to maintaining what they understood to be the Christian vision and spirit of the founding fathers Afraid of the religious and moral impact of Catholics they advocated for stricter laws in order to maintain the Protestant predominance of America Of particular concern to some of these native born citizens or nativists were Roman Catholic immigrants whose increasing presence and perceived allegiance to the pope alarmed them The Nativist Movement in American History draws attention to the religious dimensions of nativism Concentrating on the mid nineteenth century and examining the anti Catholic violence that erupted along the East Coast Katie Oxx historicizes the burning of an Ursuline convent in Charlestown Massachusetts the Bible Riots in Philadelphia and the theft and destruction of the Pope's Stone in Washington D C In a concise narrative together with trial transcripts and newspaper articles poems and personal narratives the author introduces the nativist movement to students illuminating the history of exclusion and these formative clashes between religious groups

Political Illusion and Reality David W. Gill, David Lovekin, 2018-09-27 Are all governments east and west Muslim and secular authoritarian and constitutional Republican and Democratic fundamentally the same all of them under the extraordinary growing power of technique and bureaucracy Is all politics then just an illusory affair of lies deception propaganda partisan passions and chaos on the surface of government and party In his vast and penetrating writings Bordeaux sociologist Jacques Ellul 1912 1994 points in those directions Political Illusion and Reality is a collection of twenty three essays on Ellul's political thought Veteran as well as younger Ellul scholars political leaders activists and pastors discuss aspects of Ellul's thought as they relate to their own fields of study and political experience Beginning with his 1936 essay *Fascism Son of Liberalism* translated and published here in English for the first time Ellul and these authors will provoke readers to think some new thoughts about politics and government and think more deeply about the main issues we face in our politically divided and troubled times

Buried Beneath Us Anthony Aveni, 2013-11-19 A beautifully illustrated look at the forces that help cities grow and eventually cause their destruction told through the stories of the great civilizations of ancient America You may think you know all of the American cities But did you know that long before New York Chicago Los Angeles or Boston ever appeared on the map thousands of years before Europeans first colonized North America other cities were here They grew up flourished and eventually disappeared in the same places that modern cities like St Louis and Mexico City would later appear In the pages of this book you will find the astonishing story of how they grew from small settlements to booming city centers and then crumbled into ruins

US Public Memory, Rhetoric, and the National Mall Roger C. Aden, 2018-04-26 *US Public Memory Rhetoric and the National Mall* examines the nation's front yard understanding it as both a public face the United States presents to the world and a site where its less apparent moral story

is told This book provides a uniquely thorough interdisciplinary and integrated examination of how the National Mall shares a moral story of the United States and in so doing reveals the soul of the nation The contributors explore 11 different memorials monuments and museums found across the Mall considering how each rhetorically remembers a key element of the nation s past what the rhetorical memory tells us about the nation s soul and how each site must thus be understood in relation to the commemorative landscape of the Mall

Radical Betrayal Anders W. Edwardsson,2023-12-05 In **Radical Betrayal** Anders W Edwardsson delivers a provocative examination of how both liberal and neoconservative forces have undermined American exceptionalism the belief in America s unique character and role in world history Tracing the evolution of American national identity from its founding through the present day Edwardsson argues that the post World War II era has witnessed a gradual erosion of the principles that once defined the American experiment From Woodrow Wilson s progressive idealism to Franklin Roosevelt s New Deal from Lyndon Johnson s Great Society to George W Bush s democratization agenda Edwardsson methodically chronicles how political leaders have dramatically expanded federal power and global interventionism in ways that contradict America s founding vision The author demonstrates how both parties have contributed to what he sees as America s decline liberals through welfare state expansion and neoconservatives through misguided foreign wars Most provocatively Edwardsson argues that Donald Trump s presidency represented a potential return to traditional American principles before being undermined by establishment forces He warns that continued abandonment of American exceptionalism threatens not only the nation s prosperity but its very survival as a unified republic Whether you agree with his analysis or not Edwardsson s sweeping historical narrative challenges readers to reconsider the forces shaping American politics and identity in an increasingly polarized age If you enjoyed *The Case for Nationalism* by Rich Lowry *The Dying Citizen* by Victor Davis Hanson or *America in Retreat* by Bret Stephens you ll love **Radical Betrayal**

Immigrant Faiths Karen I. Leonard,2006-03-10 Recent immigrants are creating their own unique religious communities within existing denominations or developing hybrid identities that combine strands of several faiths or traditions These changes call for new thinking among both scholars of religion and scholars of migrati

American Sanctuary Louis P. Nelson,2006-03-14 This volume examines a diverse set of spaces and buildings seen through the lens of popular practice and belief to shed light on the complexities of sacred space in America Contributors explore how dedication sermons document shifting understandings of the meetinghouse in early 19th century Connecticut the changes in evangelical church architecture during the same century and what that tells us about evangelical religious life the impact of contemporary issues on Catholic church architecture the impact of globalization on the construction of traditional sacred spaces the urban practice of Jewish space nature worship and Central Park in New York the mezuzah and domestic sacred space and finally the spiritual aspects of African American yard art

Edward Said's Rhetoric of the Secular Mathieu E. Courville,2011-10-20 *Edward Said s Rhetoric of the Secular* provides an important new reading of Edward W Said s work emphasizing not only the

distinction but also the fuzzy borders between representations of the religious and the secular found within and throughout his oeuvre and at the core of some of his most customary rhetorical strategies Mathieu Courville begins by examining Said's own reflections on his life before moving on to key debates about Said's work within Religious Studies and Middle Eastern Studies and his relationship to French critical theorists Through close attention to Said's use of the literal and the figurative when dealing with religious national and cultural matters Courville discerns a pattern that illuminates what Said means by secular Said's work shows that the secular is not the utter opposite of religion in the modern globalized world but may exist in a productive tension with it

American Religions and the Family Don S. Browning, David A. Clairmont, 2007 Religions respond to capitalism democracy industrialization feminism individualism and the phenomenon of globalization in a variety of ways Some religions conform to these challenges if not capitulate to them some critique or resist them and some work to transform the modern societies they inhabit In this unique collection of critical essays scholars of Judaism Christianity Islam Hinduism Buddhism Confucianism and Native American thought explore the tension between modernization and the family sexuality and marriage traditions of major religions in America Contributors examine how various belief systems have confronted changing attitudes regarding the meaning and purpose of sex the definition of marriage the responsibility of fathers and the status of children They also discuss how family law in America is beginning to acknowledge certain religious traditions and how comparative religious ethics can explain and evaluate diverse family customs Studies concerning the impact of religious thought and behavior on American society have never been more timely or important Recent global events cannot be fully understood without comprehending how belief systems function and the many ways they can be employed to the benefit and detriment of societies Responding to this critical need *American Religions and the Family* presents a comprehensive portrait of religious cultures in America and offers secular society a pathway for appreciating religious tradition

Religion and Film S. Brent Plate, 2017-09-05 Religion and cinema share a capacity for world making ritualizing mythologizing and creating sacred time and space Through cinematography mise en scene editing and other production activities film takes the world out there and refashions it Religion achieves similar ends by setting apart particular objects and periods of time telling stories and gathering people together for communal actions and concentrated focus The result of both cinema and religious practice is a re-created world a world of fantasy a world of ideology a world we long to live in or a world we wish to avoid at all costs Religion and Film introduces readers to both religious studies and film studies by focusing on the formal similarities between cinema and religious practices and on the ways they each re-create the world Explorations of film show how the cinematic experience relies on similar aesthetic devices on which religious rituals have long relied sight sound the taste of food the body and communal experience Meanwhile a deeper understanding of the aesthetic nature of religious rituals can alter our understanding of film production Utilizing terminology and theoretical insights from the study of religion as well as the study of film Religion and Film shows that by paying attention to the ways films are constructed we

can shed new light on the ways religious myths and rituals are constructed and vice versa This thoroughly revised and expanded new edition is designed to appeal to the needs of courses in religion as well as film departments In addition to two new chapters this edition has been restructured into three distinct sections that offer students and instructors theories and methods for thinking about cinema in ways that more fully connect film studies with religious studies *America's Religions*
Peter W. Williams, 2002 A survey of religious traditions practiced in the United States as of 2002 covering the religious histories of Africans American Indians Jews Christians Muslims Spanish speakers and Asians Includes definitions and pronunciations of religious terms
