N Ja Island Saga Of The Journey To New Iceland:

Clearing the Plains James William Daschuk, 2013 In arresting but harrowing prose James Daschuk examines the roles that Old World diseases climate and most disturbingly Canadian politics the politics of ethnocide played in the deaths and subjugation of thousands of aboriginal people in the realization of Sir John A Macdonald's National Dream It was a dream that came at great expense the present disparity in health and economic well being between First Nations and non Native populations and the lingering racism and misunderstanding that permeates the national consciousness to this day *Clearing the Plains* is a tour de force that dismantles and destroys the view that Canada has a special claim to humanity in its treatment of indigenous peoples Daschuk shows how infectious disease and state supported starvation combined to create a creeping relentless catastrophe that persists to the present day The prose is gripping the analysis is incisive and the narrative is so chilling that it leaves its reader stunned and disturbed For days after reading it I was unable to shake a profound sense of sorrow This is fearless evidence driven history at its finest Elizabeth A Fenn author of *Pox Americana* Required reading for all Canadians Candace Savage author of *A Geography of Blood* Clearly written deeply researched and properly contextualized history Essential reading for everyone interested in the history of indigenous North America J R McNeill author of *Mosquito Empires* *La destruction des indiens des Plaines* James Daschuk, 2015-11-06T00:00:00-05:00 La conquête des Plaines constitue l'un des chapitres mythiques de l'histoire du Canada Mais le mythe a son versant sombre En quelques années seulement des milliers d'Autochtones sont morts les survivants ont été réduits en sujétion Dans cet ouvrage passionnant et bouleversant James Daschuk analyse les causes de cet effroyable massacre les maladies venues de l'Ancien Monde les rigueurs du climat mais surtout la politique ethnocidaire du gouvernement canadien Pour les premiers habitants des Plaines le docteur John A Macdonald a tourné au cauchemar Le Canada actuel continue d'en payer le très lourd tribut en matière de richesse et de santé un gouffre sépare Autochtones et Allochtones le racisme les différends et les malentendus continuent par ailleurs de les opposer *The Orkneyinga Saga.
