N. W. Rowell, Ontario Nationalist M. E. Prang, 1975 *The Thousandth Man* Barry Cahill, Osgoode Society for Canadian Legal History, 2000-01-01 James McGregor Stewart 1889 1955 was perhaps the foremost Canadian corporate lawyer of his day He was also an appellate counsel venture capitalist Conservative Party fundraiser bibliographer of Rudyard Kipling and sometime university teacher of classics A leader of the bar in the inter war period he was the first Maritimer to serve as president of the Canadian Bar Association He distinguished himself mainly in constitutional cases before the Judicial Committee of the Privy Council During his career Stewart was also head of the leading law firm in eastern Canada now Stewart McKelvey Stirling Scales director and vice president of the Royal Bank of Canada and senior counsel to the Royal Commission on Dominion Provincial Relations Above all Stewart was committed to the idea of law as a truly learned profession and to the bar as the most important legal institution To this day no lawyer has held such prestige and power both within and outside Atlantic Canada in his time he was the only Maritime lawyer who gained full acceptance by every branch of the Canadian establishment Thematic rather than chronological in approach this fascinating legal biography provides both a history of a uniquely Canadian career and an interpretation of its significance for Stewart's time and ours **Embattled Nation** Patrice Dutil, David MacKenzie, 2017-10-07 *Embattled Nation* explores Canada's tumultuous wartime election of 1917 and the people and issues that made it a pivotal moment in Canadian history *Embattled Nation* explores the drama of Canada's tumultuous election of 1917 In the context of the bloody battles of Vimy Ridge Hill 70 Passchendaele and of the Halifax explosion Sir Robert Borden's Conservative government introduced conscription and called for a wartime election Most Liberals led by Sir Wilfrid Laurier opposed compulsory military service while in Quebec a new movement emerged to contest the Canadian government's attitude and policy To survive and win the election Prime Minister Borden resorted to unprecedented measures that tested the fabric of Canadian democracy **The Emergence of International Society in the 1920s** Daniel Gorman, 2012-08-20 *Chronicling the emergence of an international society in the 1920s* Daniel Gorman describes how the shock of the First World War gave rise to a broad array of overlapping initiatives in international cooperation Though national rivalries continued to plague world politics ordinary citizens and state officials found common causes in politics religion culture and sport with peers beyond their borders The League of Nations the turn to a less centralized British Empire the beginning of an international ecumenical movement international sporting events and audacious plans for the abolition of war all signaled internationalism's growth State actors played an important role in these developments and were aided by international voluntary organizations church groups and international networks of academics athletes women pacifists and humanitarian activists These international networks became the forerunners of international NGOs and global governance **The Lord's Dominion** Neil Semple, 1996 *The Lord's Dominion* describes the development of mainstream Canadian Methodism from its earliest days to its incorporation into the United Church of Canada

in 1925 Neil Semple looks at the ways in which the church evolved to take its part in the crusade to Christianize the world and meet the complex needs of Canadian Protestants especially in the face of the challenges of the twentieth century

Good Judgement Robert J. Sharpe, 2018-01-01 Good Judgment based upon the author's experience as a lawyer law professor and judge explores the role of the judge and the art of judging Engaging with the American English and Commonwealth literature on the role of the judge in the common law tradition Good Judgment addresses the following questions What exactly do judges do What is properly within their role and what falls outside How do judges approach their decision making task In an attempt to explain and reconcile two fundamental features of judging namely judicial choice and judicial discipline this book explores the nature and extent of judicial choice in the common law legal tradition and the structural features of that tradition that control and constrain that element of choice As Sharpe explains the law does not always provide clear answers and judges are often left with difficult choices to make but the power of judicial choice is disciplined and constrained and judges are not free to decide cases according to their own personal sense of justice Although Good Judgment is accessibly written to appeal to the non specialist reader with an interest in the judicial process it also tackles fundamental issues about the nature of law and the role of the judge and will be of particular interest to lawyers judges law students and legal academics

The Shaping of Peace John W. Holmes, 1979-12-15 When Mackenzie King went to the San Francisco Conference he told the Commons that Canada had played its part in winning the war and it was now its duty to play a part in the shaping of peace This is a history and analysis of Canadian participation in the peace settlement and in the establishment of the United Nations and other international institutions written by a man who was in the Department of External Affairs at the time Although the book records the principal events its emphasis is on the ideas and basic philosophies which Canada applied to the world scene in these years The first of two volumes deals with postwar planning in Ottawa the institutions which were created before the war ended and Canada's part in settling the war both in relief and reconstruction and in the peace treaties It describes the shifting relations with Britain and the United States including new defence and economic relationships the working of the atomic triad and the postwar Commonwealth It concludes with an extended discussion of Canada's part in the preparations for San Francisco and in the conference itself with reference both to political and security issues and the economic and social functions involved A second volume will describe Canada's attitudes as the cold war developed the shifts in NATO the experiences of the Korean War and the evolution of middle power diplomacy in the 1950s John Holmes well informed account of the shaping of peace is the first to provide a comprehensive overview of what has been regarded as Canada's most creative initiative in international affairs

Essays in the History of Canadian Law David H. Flaherty, 2011-12-15 This volume is the second in the Essays in the History of Canadian Law series designed to illustrate the wide possibilities for research and writing in Canadian legal history In combination these volumes reflect the wide ranging scope of legal history as an intellectual discipline and encourage others to pursue important

avenues of inquiry on all aspects of our legal past Topics include the role of civil courts in Upper Canada legal education political corruption nineteenth century Canadian rape law the Toronto Police Court the Kamloops outlaws and commissions of assize in nineteenth century British Columbia private rights and public purposes in Ontario waterways the origins of workers compensation in Ontario and the evolution of the Ontario courts Contributors include Brendan O'Brien Peter N Oliver William N T Wylie G Blaine Baker Paul Romney Constance B Backhouse Paul Craven Hamar Foster Jamie Bendickson R C B Risk and Margaret A Banks

From Arm's Length to Hands-On John E. Hodgetts, 1995-12-15 Confederation was a relief to legislators who had to ensure the uneasy union between Upper and Lower Canada the dualism had demanded double barrelled ministries and the rotation of the capital after 1849 between Toronto and Quebec City every four years The year 1867 was therefore a watershed The creation of the province of Ontario demanded that a civil service be put in place to support the new offices of the lieutenant governor Executive Council and Legislative Assembly However the election of the Whitney government in 1905 is perceived by J E Hodgetts as an equally important dividing point in Ontario's bureaucratic history Before 1905 the province met the fairly rudimentary needs of a largely agrarian community by relying on local authorities and the assistance of private clientele and charitable associations Thus administration was at arm's length It placed minimal demands on a miniscule staff and the simple structures of the emergent public service James Whitney's arrival in 1905 coincided with the growth of natural resource industries in the north and the need to create agencies to deal with them Developing urbanization and industrialization were accompanied by technological advances in communication and transportation and these too required regulation This prompted the hands on administrative mode and the hands increased in number with the creation of new organizational satellites the expansion and consolidation of departments and the emergence of central agencies to reform coordinate and control These strands of economic development and parallel administrative bodies form the substance of Hodgetts's history of the Ontario civil service from confederation until the beginning of the Second World War Hodgetts has analysed carefully the factors that led to the gradual enlargement of the government's functions and the progressive tightening of the exercise of its authority

Canada and the First World War, Second Edition David MacKenzie, 2018-12-03 The First World War is often credited as being the event that gave Canada its own identity distinct from that of Britain France and the United States Less often noted however is that it was also the cause of a great deal of friction within Canadian society The fifteen essays contained in *Canada and the First World War* examine how Canadians experienced the war and how their experiences were shaped by region politics gender class and nationalism Editor David MacKenzie has brought together some of the leading voices in Canadian history to take an in depth look into the tensions and fractures the war caused and to address the way some attitudes about the country were changed while others remained the same The essays vary in scope but are strongly unified so as to create a collection that treats its subject in a complete and comprehensive manner *Canada and the First World War* is a tribute to esteemed University of Toronto

historian Robert Craig Brown one of Canada's greatest authorities on the Great War World War One The collection is a significant contribution to the on going re examination of Canada's experiences in war and a must read for students of Canadian history

E.C. Drury Charles M. Johnston, 1986-12-15 In a fiercely fought provincial election in 1919 a new political movement came to power in Ontario The victorious party was the United Farmers of Ontario Its leader Ernest Charles Drury 1878 1968 became the province's eighth premier Idealistic agrarian reformer staunch temperance man free trade advocate Simcoe County yeoman and progressive populist Drury was a man of the people and of the land inevitably tagged the Farmer Premier In this biography Charles M Johnston follows the career of Drury through agrarian activism and partisan politics and explores the personal and ideological forces that directed him Drury began his career in the farm movement as leader of the Dominion Grange and Farmers Alliance He went on to act as the driving force behind the Canadian Council of Agriculture and then co founded the UFO in 1913 Activist though he was Drury as a premier sought no dramatic departures from established political procedures When others of his party did notably J J Morrison and W C Good Drury disavowed their class consciousness and their formula of group government Instead he advocated the creation of a people's party based on what he called Broadening Out an appeal to all citizens regardless of class occupation or political stripe who were seen to share the farmer's desire for a more humane moral and progressive society in the wake of the First World War The question of Broadening Out was a controversial one within agrarian ranks and it led to dissension among the leaders This weakening of the party combined with the shrewd tactics of Howard Ferguson's Tories to bring about the Drury government's downfall in 1923 During its four years in power it had enacted some solid social welfare legislation but its defeat was resounding With it came the effective end of Drury's political career Johnston offers a revealing study of a brief chapter in Ontario history and of the man whose principles and ideals shaped it

The Persons Case Robert J. Sharpe, Patricia I. McMahon, 2017-06-22 On 18 October 1929 John Sankey England's reform minded Lord Chancellor ruled in the Persons case that women were eligible for appointment to Canada's Senate Initiated by Edmonton judge Emily Murphy and four other activist women the Persons case challenged the exclusion of women from Canada's upper house and the idea that the meaning of the constitution could not change with time The Persons Case considers the case in its political and social context and examines the lives of the key players Emily Murphy Nellie McClung and the other members of the famous five the politicians who opposed the appointment of women the lawyers who argued the case and the judges who decided it Robert J Sharpe and Patricia I McMahon examine the Persons case as a pivotal moment in the struggle for women's rights and as one of the most important constitutional decisions in Canadian history Lord Sankey's decision overruled the Supreme Court of Canada's judgment that the courts could not depart from the original intent of the framers of Canada's constitution in 1867 Describing the constitution as a living tree the decision led to a reassessment of the nature of the constitution itself After the Persons case it could no longer be viewed as fixed and unalterable but had to be treated as a document that in the

words of Sankey was in a continuous process of evolution The Persons Case is a comprehensive study of this important event examining the case itself the ruling of the Privy Council and the profound affect that it had on women s rights and the constitutional history of Canada Lunch-Bucket Lives Craig Heron,2015-06-03 Lunch Bucket Lives takes the reader on a bumpy ride through the history of Hamilton s working people from the 1890s to the 1930s It ambles along city streets peers through kitchen doors and factory windows marches up the steps of churches and fraternal halls slips into saloons and dance halls pauses to hear political speeches and above all listens for the stories of men women youths and children from families where people relied mainly on wages to survive Heron takes wage earning as a central element in working class life but also looks beyond the workplace into the households and neighbourhoods settlement patterns and housing marriage child care domestic labour public health schooling charity and social work popular culture gender identities ethnicity and ethnic conflict and politics in various forms presenting a comprehensive view of working class life in the first half of the twentieth century This book has been published with the help of a grant from the Federation for the Humanities and Social Sciences through the Awards to Scholarly Publications Program using funds provided by the Social Sciences and Humanities Research Council of Canada **'Honest Enough to Be Bold'** Charles W. Humphries,1985-12-15 On a promise of Clean Uncorrupt and Incorruptible Government James Pliny Whitney marked the end of an era of Liberal rule that had lasted for over three decades and introduced to the province a new progressive brand of conservatism As this lively biography demonstrates Whitney was a gruff and forceful leader He had a keen understanding of the social and technological forces that were changing Ontario so dramatically in the early twentieth century he also understood better than the Liberals the political implications of those forces The policies of his government extended to hydroelectric power bilingual schools northern development automobile regulation temperance he dealt with the advocates of prohibition through gritted teeth imperial unity housing workmen s compensation and the suffrage movement In a lapse from progressiveness he argued that women should not be exposed to the unlovely influence of party politics He had a lasting influence on higher education in the province through the establishment of a Board of Governors for the University of Toronto then unmistakably the provincial university of Ontario and the provision of tenure for its full professors Whitney liked to describe himself as bold enough to be honest honest enough to be bold Humphries concludes that as premier from 1905 to 1914 Whitney lived up to his self description The boldness of his legislative programs recognized the evolution of a new industrial society and paved the way for government to intervene in economic and social affairs The success of his progressive conservatism laid the foundation for decades of Tory success in Ontario **The Judicial House of Lords** Louis Blom-Cooper QC,Brice Dickson,Gavin Drewry,2009-08-13 The House of Lords served as the highest court in the UK for over 130 years In 2009 the new UK Supreme Court took over its judicial functions closing the doors on one of the most influential legal institutions in the world and a major chapter in the history of the UK legal system This volume gathers over 40 leading scholars and practitioners

from the UK and beyond to provide a comprehensive history of the House of Lords as a judicial institution charting its role working practices reputation and impact on the law and UK legal system The book examines the origins of the House s judicial work the different phases in the court s history the international reputation and influence of the House in the legal profession the domestic perception of the House outside the law and the impact of the House on the UK legal tradition and substantive law The book offers an invaluable overview of the Judicial House of Lords and a major historical record for the UK legal system now that it has passed into the next chapter in its history *Patterns of the Past* Roger Hall,William Westfall,Laurel Sefton MacDowell,1996-07-25 *Patterns of the Past* has been published to commemorate the one hundredth anniversary of the founding of the Ontario Historical Society Organized on 4 Sept 1888 as the Pioneer Association of Ontario the Society adopted its current name in 1898 Its objectives for a century have been to promote and develop the study of Ontario s past The purpose of this book is both to commemorate and to carry on that worthy tradition Introduced by Ian Wilson Archivist of Ontario and edited by Roger Hall William Westfall and Laurel Sefton MacDowell this distinctive volume is a landmark not only in the Society s history but in the province s historiography Eighteen scholars have pooled their talents to fashion a volume of fresh interpretive essays that chronicle and analyze the whole scope of Ontario s rich and varied past New light is thrown on our understanding of early native peoples rural life in Upper Canada the opening of the North the impact of railways and the growth of businesses and institutions And there is much social study here too especially of the new roles for women in industrial society of working class experience of ethnic groups and of children in our society s past As well there are innovative treatments of the conservation movement of science s role in provincial society and of the relationship between society and culture in small towns Anyone with an interest in the history of Canada s most populous province will find much in this comprehensive collection **Loyalties in Conflict** John Herd Thompson,Frances Swyripa,1983 Canadian Churches and the First World War Gordon L. Heath,2014-01-13 Most accounts of Canada and the First World War either ignore or merely mention in passing the churches experience Such neglect does not do justice to the remarkable influence of the wartime churches nor to the religious identity of the young Dominion The churches support for the war was often wholehearted but just as often nuanced and critical shaped by either the classic just war paradigm or pacifism s outright rejection of violence The war heightened issues of Canadianization attitudes to violence and ministry to the bereaved and the disillusioned It also exacerbated ethnic tensions within and between denominations and challenged notions of national and imperial identity The authors of this volume provide a detailed summary of various Christian traditions and the war both synthesizing and furthering previous research In addition to examining the experience of Roman Catholics English and French speaking Anglicans Presbyterians Methodists Baptists Lutherans Mennonites and Quakers there are chapters on precedents formed during the South African War the work of military chaplains and the roles of church women on the home front *Lord of Point Grey* P.B. Waite,2011-11-01 Few university presidents could be considered to the

manner born Larry MacKenzie was the exception He discovered this talent when president of the University of New Brunswick from 1940 to 1944 He became president of the University of British Columbia in 1944 and served for eighteen years Although UBC s present eminence owes much to many people as biographer P B Waite points out it is basically Larry MacKenzie s creation His importance to UBC is inestimable No doubt demography alone enjoined UBC s considerable expansion but Larry gave it force and focus He established the Faculty of Graduate Studies and introduced professional faculties such as law and medicine He was a marvellous doer but more important he could recognize talent in others like his chief expeditor Gordon Shrum UBC s redoubtable head of physics and dean of graduate studies Larry s big archive at UBC has enabled Waite to essay the life of a marvellously adept and humane president who loved his work and his students a vital and great hearted Canadian who had lived and worked as one could say a mari usque ad mare

Brewed in the North

Matthew J. Bellamy, 2019-10-10 For decades the name Labatt was synonymous with beer in Canada but no longer Brewed in the North traces the birth growth and demise of one of the nation s oldest and most successful breweries Opening a window into Canada s complicated relationship with beer Matthew Bellamy examines the strategic decisions taken by a long line of Labatt family members and professional managers from the 1840s when John Kinder Labatt entered the business of brewing in the Upper Canadian town of London to the globalization of the industry in the 1990s Spotlighting the challenges involved as Labatt executives adjusted to external shocks the advent of the railway Prohibition war the Great Depression new forms of competition and free trade Bellamy offers a case study of success and failure in business Through Labatt s lively history from 1847 to 1995 this book explores the wider spirit of Canadian capitalism the interplay between the state s moral economy and enterprise and the difficulties of creating popular beer brands in a country that is regionally linguistically and culturally diverse A comprehensive look at one of the industry s most iconic firms Brewed in the North sheds light on what it takes to succeed in the business of Canadian brewing
