Nabokov The Critical Heritage:

Vladimir Nabokov Norman Page,1997 Controversial Russian novelist regarded as the most original prose writer of the twentieth century Writings include *Lolita* Volume covers the period 1941-1977 Extras Chronological table of Nabokov's life and works

Nabokov, the Critical Heritage Norman Page,1982 *(Vladimir Vladimirovich) Nabokov. The Critical Heritage* Norman Page,1982

Nabokov, the Critical Heritage Norman Page,1982

The Humour of Vladimir Nabokov Paul Benedict Grant,2024-09-30 The first in depth study of Vladimir Nabokov's humour investigating its physical aspects such as farce slapstick sexual and scatological humour Offers the first in depth study of Nabokov's humour Presents a revisionist reading of Nabokov Examines the metaphysical aspects of Nabokov's humour Examines the sexual and scatological aspects of Nabokov's humour Applies humour theory e.g. those of Hobbes Bergson Freud to Nabokov's texts Compares Nabokov's humour to that of his Russian predecessors e.g. Pushkin Gogol Chekhov and to literary humourists such as Rabelais Swift Joyce Many critics classify Vladimir Nabokov as a highbrow humourist a refined wordsmith overly fond of playful puzzles and private in jokes whose art appeals primarily to an intellectually sophisticated readership This study presents a more balanced portrait placing equal emphasis on the broader earthier humour that is such a marked feature of Nabokov's writing which draws on the human body and all things physical for its laughs sex and scatological farce and slapstick Moving between the metaphysical and the physical the cosmic and the comic mind and matter it presents Nabokov as a writer at home in both high and low forms of humour a comedian who is capable of producing as many belly laughs as brainteasers and of appealing to a much wider readership than is commonly supposed

Nabokov and His Fiction Julian W. Connolly,1999-08-05 Published in 1999 to mark the centenary of Vladimir Nabokov's birth this volume brings together the work of eleven of the world's foremost Nabokov scholars offering perspectives on the writer and his fiction Their essays cover a broad range of topics and approaches from close readings of major texts including *Invitation of a Beheading* *Invitation of a Beheading* and *Pale Fire* to penetrating discussions of the significant relationship between Nabokov's personal beliefs and experiences and his art Several of the essays attempt to uncover the artistic principles that underlie the author's literary creations while others seek to place Nabokov's work in a variety of literary and cultural contexts Among these essays are a first glimpse at a little known work *The Tragedy of Mr Morn* as well as a perspective on Nabokov's most famous novel *Lolita* The volume as a whole offers valuable insight into Nabokov scholarship

Vladimir Nabokov Professor Norman Page,Norman Page,2013-11-05 This set comprises of 40 volumes covering nineteenth and twentieth century European and American authors These volumes will be available as a complete set mini boxed sets by theme or as individual volumes This second set complements the first 68 volume set of *Critical Heritage* published by Routledge in October 1995

Vladimir Nabokov David Rampton,1993-07-13 Vladimir Nabokov considers the novelist's aesthetic precepts and practice and the distinctive character of his work and the book also gives consideration of his fiction in the larger context of the modernist and postmodernist enterprise It analyses the

importance of the novels challenges to all sorts of aesthetic and moral presumptions including some of Nabokov's own. Readers are thus encouraged to draw their own conclusions about the issues raised in Nabokov's work.

The Garland Companion to Vladimir Nabokov Vladimir E. Alexandrov, 2014-05-22 First published in 1995 This companion constitutes a virtual encyclopaedia of Nabokov and occupies a unique niche in scholarship about him. Articles on individual works by Nabokov including his short stories and poetry provide a brief survey of critical reactions and detailed analyses from diverse vantage points. For anyone interested in Nabokov from scholars to readers who love his works this is an ideal guide. Its chronology of Nabokov's life and works, bibliographies of primary and secondary works and a detailed index make it easy to find reliable information on any aspect of Nabokov's rich legacy.

Discourse and Ideology in Nabokov's Prose David H. J. Larmour, 2003-08-29 These essays offer readings of several of Nabokov's novels as well as discussions of his exchange of views about literature with Edmund Wilson and his place in the 1960s and contemporary popular culture.

Nabokov, History and the Texture of Time Will Norman, 2012-10-02 This book argues that the apparent evasion of history in Vladimir Nabokov's fiction conceals a profound engagement with social and therefore political temporalities. While Nabokov scholarship has long assumed the same position as Nabokov himself that his works exist in a state of historical exceptionalism, this study restores the content context and commentary to Nabokovian time by reading his American work alongside the violent upheavals of twentieth-century ideological conflicts in Europe and the United States. This approach explores how the author's characteristic temporal manipulations and distortions function as a defensive dialectic against history, an attempt to salvage fiction for autonomous aesthetics. Tracing Nabokov's understanding of the relationship between history and aesthetics from nineteenth-century Russia through European modernism to the postwar American academy, the book offers detailed contextualized readings of Nabokov's major writings, exploring the tensions, fissures and failures in Nabokov's attempts to assert aesthetic control over historical time. In reading his response to the rise of totalitarianism, the Holocaust and Cold War, Norman redresses the commonly expressed admiration for Nabokov's heroic resistance to history by suggesting the ethical, aesthetic and political costs of reading and writing in its denial. This book offers a rethinking of Nabokov's location in literary history, the ideological impulses which inform his fiction and the importance of temporal aesthetics in negotiating the matrices of modernism.

Vladimir Nabokov D. Rampton, 2012-11-13 A clearly written, insightful study of Nabokov the novelist, providing an expert analysis of the 17 novels he wrote during a career spanning more than 50 years, one of the most impressive, challenging and controversial literary achievements of our time.

Vladimir Nabokov Neil Cornwell, 1999 Vladimir Nabokov's extraordinary literary career as a master of Russian and English prose is unique. Acclaimed in the limited Russian migré world under the name of Sirin, Nabokov switched to writing in English and settled in America, a refugee from Hitler's Europe. Exile, memory, lost love and the magic of childhood are among his themes. Stylistic and structural dexterity are his hallmarks. *Lolita* ranked number 4 in the 1998 New York Modern Library list of 100

best novels of the century published in English enabled him to retire to a final and productive period of European residence. Film versions of his most controversial novel keep Nabokov's name before the public while almost his entire oeuvre remains currently available in paperback. Neil Cornwell's study published for the Nabokov centenary examines five of Nabokov's major novels plus his short stories and critical writings situating his work against the ever-expanding mass of VN scholarship and noting his cultural debt to Russia, Europe, America and the British Isles. **Nabokov's Shakespeare** Samuel

Schuman, 2014-07-31 Nabokov's Shakespeare is a comprehensive study of an important and interesting literary relationship. It explores the many and deep ways in which the works of Shakespeare, the greatest writer of the English language, penetrate the novels of Vladimir Nabokov, one of the finest English prose stylists of the twentieth century. As a Russian youth, Nabokov read all of Shakespeare in English. He claimed a shared birthday with the Bard and some of his most highly regarded novels, *Lolita*, *Pale Fire*, and *Invitation to a Beheading*, are infused with Shakespeare and Shakespeareanisms. Nabokov uses Shakespeare and Shakespeare's works in a surprisingly wide variety of ways, from the most casual references to deep thematic links. Schuman provides a taxonomy of Nabokov's Shakespeareanisms, a quantitative analysis of Shakespeare in Nabokov, an examination of Nabokov's Russian works, his early English novels, the non-novelistic writings, poetry, criticism, stories, Nabokov's major works, and his final novels, and a discussion of the nature of literary relationships and influence. With a Foreword by Brian Boyd.

Authorship in Nabokov's Prefaces Jacqueline Hamrit, 2015-01-12 Whereas literary criticism has mainly oscillated between the death of the author (Barthes) and the return of the author (Couturier), this work suggests another perspective on authorship through an analysis of Nabokov's prefaces. It is here argued that the author, being neither dead nor tyrannical, alternates between authoritative apparitions and receding disappearances in the double gesture of mastery without mastery, which Derrida calls exappropriation: that is, a simultaneous attempt to appropriate one's work, control it, have it under one's power, and expropriate it, losing control by loosening one's grip. The intention of this is to approach, through one's experience of reading and interpreting, the experience of self-effacement and impersonality pertaining to writing (cf. Blanchot). Prefaces are considered to be suitable places for the deconstruction of the classical image of Nabokov's arrogance through the unearthing of his reserve and vulnerability. This work provides an account of the mere intuition, which therefore does not pretend to be a conclusive and definitive interpretation, of another image of Nabokov whose undeniable talent for deception seems in accordance with a need for discretion and secrecy. Vladimir Nabokov's *Lolita* Ellen Pifer, 2003 This volume

comprises an interview with Nabokov as well as nine critical essays that follow a progression focusing first on textual and thematic features of *Lolita* and then proceeding to broader issues and cultural implications, including the novel's relations to other work of literature and art. Vladimir Nabokov M. Glynn, 2016-04-30 Glynn provides a new reading of Vladimir Nabokov's work by seeking to challenge the notion that he was a Symbolist writer concerned with a transcendent reality. Glynn argues that Nabokov's epistemology was in fact anti-Symbolist and that this aligned him with both Bergsonism and

Russian Formalism which intellectual systems were themselves hostile to a Symbolist epistemology Symbolism may be seen to devalue material reality by presenting it as a mere adumbration of a higher realm Nabokov however valued the immediate material world and was creatively engaged by the tendency of the deluded mind to efface that reality

The Oxford Encyclopedia of American Literature Jay Parini, 2004 The Encyclopedia of American Literature gathers together 350 essays from over 190 leading scholars on the whole of American literature from European discovery to the present At the core of the Encyclopedia lie 250 essays on poets playwrights essayists and novelists Figures such as Whitman Melville Faulkner Frost and Morrison are discussed in detail with each examined in the context of his or her times an assessment of the writer's current reputation a bibliography of major works and a list of major critical and biographical works about the writer Fifty entries on major works such as Moby Dick Song of Myself Walden The Great Gatsby The Waste Land Their Eyes Were Watching God Death of a Salesman and Beloved place the work in its historical context and offer a range of possibilities with regard to critical approach The Encyclopedia also contains essays on literary movements periods and themes pulling together a broad range of information and making connections between them Each entry has its own primary and annotated secondary bibliography and a system of cross references helps readers locate information with ease The Encyclopedia of American Literature is an outstanding reference source for students studying authors or particular pieces of literature libraries looking for one comprehensive source and readers interested in American literature its authors and its connection with various areas of study

Vladimir Nabokov Barbara Wyllie, 2010-04-15 Best known for his deeply controversial 1955 novel *Lolita* Vladimir Nabokov 1899-1977 is celebrated as one of the most distinctive literary stylists of the twentieth century In *Vladimir Nabokov* Barbara Wyllie presents a comprehensive account of t

Vladimir Nabokov and the Poetics of Liberalism Dana Dragunoiu, 2011-08-31 Through a close examination of Nabokov's father's political moral and aesthetic values and more generally Russian liberalism as it existed in the first few decades of the 20th century the author provides persuasive answers to many long standing questions in this deeply researched innovative study

Unveiling the Magic of Words: A Report on "**Nabokov The Critical Heritage**"

Nabokov The Critical Heritage Introduction

In the digital age, access to information has become easier than ever before. The ability to download Nabokov The Critical Heritage has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Nabokov The Critical Heritage has opened up a world of possibilities. Downloading Nabokov The Critical Heritage provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Nabokov The Critical Heritage has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Nabokov The Critical Heritage. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Nabokov The Critical Heritage. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Nabokov The Critical Heritage, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and

validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Nabokov The Critical Heritage has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Nabokov The Critical Heritage Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Nabokov The Critical Heritage is one of the best book in our library for free trial. We provide copy of Nabokov The Critical Heritage in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Nabokov The Critical Heritage. Where to download Nabokov The Critical Heritage online for free? Are you looking for Nabokov The Critical Heritage PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Nabokov The Critical Heritage. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Nabokov The Critical Heritage are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different

products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Nabokov The Critical Heritage. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Nabokov The Critical Heritage To get started finding Nabokov The Critical Heritage, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Nabokov The Critical Heritage So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Nabokov The Critical Heritage. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Nabokov The Critical Heritage, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Nabokov The Critical Heritage is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Nabokov The Critical Heritage is universally compatible with any devices to read.
