Nadezhda Means Hope:

A Ransomed Dissident Igor Golomstock, 2018-10-25 In 1939 a ten year old Igor Golomstock accompanied his mother a medical doctor to the vast network of labour camps in the Russian Far East While she tended patients he was minded by assorted trusty prisoners hardened criminals and returned to Moscow an almost feral adolescent fluent in obscene prison jargon but intellectually ignorant Despite this dubious start he became a leading art historian and co author with his close friend Andrey Sinyavsky of the first deeply controversial monograph on Picasso published in the Soviet Union His writings on his 43 years in the Soviet Union offer a rare insight into life as a quietly subversive art historian and the post Stalin dissident community In vivid prose Golomstock shows the difficulties of publishing curating and talking about Western art in Soviet Russia and with self deprecating humour the absurd tragicomedy of life for the Moscow intelligentsia during Khrushchev's thaw and Brezhnev's stagnation He also offers a unique personal perspective on the 1966 trial of Sinyavsky and Yuri Daniel widely considered the end of Khrushchev's liberalism and the spark that ignited the Soviet dissident movement In 1972 he was given permission to leave the Soviet Union but only after paying a ransom of more than 25 years salary nominally intended to reimburse the state for his education A remarkable collection of artists scholars and intellectuals in Russia and the West including Roland Penrose came together to help him pay this astronomical sum His memoirs of life once in the UK offer an insider's view of the BBC Russian Service and a penetrating analysis of the notorious feud between Sinyavsky and Aleksandr Solzhenitsyn Nominated for the Russian Booker Prize on its publication in Russian in 2014 *The Ransomed Dissident* opens a window onto the life of a remarkable man a dissident of uncompromising moral integrity and with an outstanding gift for friendship
