en cada situación la condición de mujer imprimió a su voluntad intelectual y al modo en que ellas modularon sus producciones y su participación en la esfera pública. Los ensayos aquí reunidos contribuyen a repensar la historia de las elites culturales latinoamericanas como una historia escrita y vivida tanto por mujeres como por varones atravesada por las representaciones sociales sobre los géneros y las relaciones de poder que los articulan. Proponen una serie de interrogantes surgidos del cruce entre la historia intelectual, la historia y la sociología de los intelectuales, la historia de las mujeres, los estudios de género y el feminismo que conducen a delimitar un campo de indagación específico acerca de las mujeres intelectuales en América Latina. Un campo sobre el cual resta aún mucho por conocer.

Women, Ethnicity and Nationalisms in Latin America

Natividad Gutiérrez Chong, 2016-12-05. The relationship between gender and nationalism is a compelling issue that is receiving increasing coverage in the scholarly literature. With case studies covering Argentina, Ecuador, Bolivia and Mexico, this is the first book to explore these links in the context of Latin America. It includes contributions from Latin American scholars to offer a unique and revealing view of the most important political and cultural issues. The work opens by outlining four dimensions in the relationship between gender and nationalism. These are the contribution of women to nation building and their exclusion from it by the state and its institutions; the role of women in contemporary ethnic and nationalist movements; the place of the female body in the myths and traditions surrounding the nation; and the role of women in forging the intellectual and artistic culture of the nation. It then provides both theoretical and empirical explorations of these themes with chapters covering the debate on multiculturalism and gender in the construction of the nation; the struggles of ethnic women to participate politically in their communities; and studies of the first Mexican filmmaker, Mimi Derrba, and the indigenous heroine Dolores Cacuango from Ecuador.

Patricia Rosas Lopátegui, 2010. Collection of Mexican revolutionary female writers. **Frida Kahlo**. Gannit Ankori, 2013-10-15. Frida Kahlo stepped into the limelight in 1929 when she married Mexican muralist Diego Rivera. She was twenty-two; he was forty-three. Hailed as Rivera's exotic young wife who dabbles in art, she went on to produce brilliant paintings but remained in her husband's shadow throughout her life. Today, almost six decades after her untimely death, Kahlo's fame rivals that of Rivera, and she has gained international acclaim as a path-breaking artist and a cultural icon. Cutting through Fridamania, this book explores Kahlo's life, art, and legacies while also scrutinizing the myths, contradictions, and ambiguities that riddle her dramatic story. Gannit Ankori examines Kahlo's early childhood, medical problems, volatile marriage, political affiliations, religious beliefs, and most important, her unparalleled and innovative art. Based on detailed analyses of the artist's paintings, diary, letters, photographs, medical records, and interviews, the book also assesses Kahlo's critical impact on contemporary art and culture. Kahlo was of her time, deeply immersed in the issues that dominated the first half of the twentieth century. Yet, as this book reveals, she was also

ahead of her time Her paintings challenged social norms and broke taboos addressing themes such as the female body gender cross dressing hybridity identity and trauma in ways that continue to inspire contemporary artists across the globe Frida Kahlo is a succinct and powerful account of the life art and legacy of this iconic artist
