Naked And Fiery Forms

Adrienne Rich

Naked And Fiery Forms:

Feminisms Robyn R. Warhol, Diane Price Herndl, 1997 In the landmark 1991 edition of *Feminisms* Robyn Warhol and Diane Price Herndl assembled the most comprehensive collection of American and British feminist literary criticism ever to be published In this revised edition the editors have updated the volume in keeping with the expanded parameters of feminist literary discourse With the inclusion of more than two dozen new essays along with a major reorganization of the sections in which they appear Warhol and Price Herndl have again established the measure for representing the latest developments in the field of feminist literary theory Believing that the feminist movement can only move forward where difference commands attention not dismissal or negativism they have continued the original collection's mission of providing a multiplicity of perspectives and approaches This anthology contains three new sections Conflict Gaze and Practice and includes more selections by and about women of color and lesbians Aimed at academics and the general public alike this collection is an indispensable guide to the range of practice on campus today in the field of feminist literary criticism

Naked and fiery forms Suzanne Juhasz, 1976 How to Suppress Women's Writing Joanna Russ, 1983-09 Discusses the obstacles women have had to overcome in order to become writers and identifies the sexist rationalizations used to trivialize their contributions

Feminisms Redux Diane Price Herndl, 2009 *Coming to Light* Stanford University. Center for Research on Women, 1985 This collection of 16 essays discusses the broad relationship of women poets to the American literary tradition

Paradoxes in Selected Poetry of Emily Dickinson and Sylvia Plath Chitra Sreedharan, 2022-03-01 This book effectively brings out the multivalence of the poetry of both Emily Dickinson and Sylvia Plath without sensationalizing either the writers or their work Although it begins by selecting and demarcating various poems by the two authors thematically it adopts a multi pronged approach to the two writers that dissolves all water tight compartments and provides a holistic view of the issues raised through the poetry and the similarities and differences in the approaches of the two women

Collected Poems: 1950-2012 Adrienne Rich, 2016-06-21 The collected works of Adrienne Rich whose poetry is distinguished by an unswerving progressive vision and a dazzling empathic ferocity New York Times A Finalist for the 2017 Pulitzer Prize in Poetry Adrienne Rich was the singular voice of her generation and one of our most important American poets She brought discussions of gender race and class to the forefront of poetical discourse pushing formal boundaries and consistently examining both self and society This collected volume traces the evolution of her poetry from her earliest work which was formally exact and decorous to her later work which became increasingly radical in both its free verse form and feminist and political content The entire body of her poetry is on display in this vast volume including the National Book Award winning *Diving Into the Wreck* and her prize winning *Atlas of the Difficult World* The *Collected Poems* of Adrienne Rich gathers and memorializes all of her boldly political formally ambitious thoughtful and lucid work the whole of which makes her one of the most prolific and influential poets of our time

Linguistics Meets Literature Matthias Bauer, Sigrid

Beck, Saskia Brockmann, Susanne Riecker, Angelika Zirker, Nadine Bade, 2020-06-08 Until recently collaborative efforts between formal linguistics and literary studies have been relatively sparse this book is an attempt to bridge this gap and add to the hitherto small pool of studies that combine the two disciplines Our study concentrates on Emily Dickinson's poetry since it displays a highly uncommon and therefore challenging use of language We argue this to be part of her poetic strategy and consider Dickinson an intuitive linguist her apparent non compliance with linguistic rules is a productive exploration of linguistic expression to reveal the flexibility and potential of grammar leading to complex processes of interpretation Our study includes a number of in depth analyses of individual poems which combine formal linguistic methods and literary scholarship and focus on specific aspects such as ambiguity reference and presuppositions One of our findings concerns the dynamic interpretation of lyrical texts in which the pragmatic step of establishing what a poem means for the reader is postponed to text level We provide readers with a tool box of methods for the formal linguistic analysis not just of Emily Dickinson's poetry but of linguistically complex literary texts in general **In Her Words** Margaret H.

Persin, 2011-04-29 During her lifetime Gloria Fuertes achieved the status of a controversial cultural icon both through her poetry for adults and through her poetry recorded readings and television programs for juveniles This collection of lively essays by authors who specialize in contemporary Spanish poetry approaches the works of Gloria Fuertes from various theoretical and critical perspectives In Her Words speaks to the inherent complexity of Gloria Fuertes poetry as manifested in its ultimate indeterminacy and indecision yet attests to this poet's abiding value as the voice of the marginalized women the poor children all the invisible members of society who were silenced during the years of Spanish dictatorship under Franco This book manifests the prescience of Fuertes stands on a variety of social and cultural issues from women's changing roles in society gender and sexuality identity within a society held captive by a dictatorial regime to more universal themes such as love justice ethics nature and obsolete societal norms In Her Words decisively addresses and ultimately rejects the Spanish cultural elite's inclination to disavow Fuertes influence and reveals how her voice has shaped succeeding generations of Spanish poets and underscored the ubiquity of her verse in contemporary Spanish literature and culture The subtlety and diversity of the essays included in this volume attest to the power of Gloria Fuertes poetic creativity her ability to appeal to a wide audience both in Spain and abroad and her place in the contemporary Spanish poetic canon *Around*

1981 Jane Gallop, 2012-08-21 Jane Gallop's book offers a clear eyed and comprehensive history of feminist literary criticism Why she asks have we so quickly buried 1970s feminist criticism What lies buried there Why do 1990s academic feminists accuse other academic feminists of being academic Gallop takes the novel approach of structuring her inquiry around anthologies of feminist criticism twelve important texts that have had a wide impact on more than a decade of scholarship In reading an anthology as a whole she typically identifies a central hegemonic voice usually that of the editor's which would organise all the voices into a unity and then explores the resistance within that volume to such a unity Weight is placed

behind these internal differences as a wedge against the centrist drive Around 1981 addresses briefly french feminism and psychoanalytic feminism before focusing on its principal subject the mainstream of feminist literary criticism before and after its general acceptance as part of the changing institution of literary studies This brilliantly illuminates the dilemma of the feminist critic divided by her allegiance to both feminism and literary studies **Critics and Poets on Marianne Moore**

Linda Leavell, Cristanne Miller, Robin G. Schulze, 2005 The first collection of essays about Marianne Moore to appear in fifteen years this book brings together the work of well established Moore scholars such as Patricia C Willis Elizabeth Gregory Cristanne Miller Linda Leavell and Robin G Schulze with that of new contributors to the field The essays in this volume written from a variety of international perspectives range across the most pressing concerns of contemporary literary study and reassert Moore s centrality to a critical and poetic field in which she has been surprisingly marginalized This book also includes poems written by contemporary poets many of them significant contributors to scholarship on Moore as a way of acknowledging the importance of Moore s verse to living writers The poems compliment the scholarly essays by demonstrating in verse the important ways in which Moore s artistic achievements have stimulated her successors

American and British Poetry Harriet Semmes Alexander, 1984 **Preaching the Gospel of Black Revolt** Reginald A. Wilburn, 2014-05-19 In this comparative and hybrid study Reginald A Wilburn offers the first scholarly work to theorize African American authors rebellious appropriations of Milton and his canon Wilburn engages African Americans transatlantic negotiations with perhaps the preeminent freedom writer in the English tradition Preaching the Gospel of Black Revolt contends that early African American authors appropriated and remastered Milton by completing and complicating England s epic poet of liberty with the intertextual originality of repetitive difference Wilburn focuses on a diverse array of early African American authors such as Phillis Wheatley Frances Ellen Watkins Harper Frederick Douglass and Anna Julia Cooper He examines the presence of Milton in their works as a reflection of early African Americans rhetorical affiliations with the poet s satanic epic for messianic purposes of freedom and racial uplift Wilburn explains that early African American authors were attracted to Milton because of his preeminent status in literary tradition strong Christian convictions and poetic mastery of the English language This tripartite ministry makes Milton an especially indispensable intertext for authors whose writings and oratory were sometimes presumed beneath the dignity of criticism Through close readings of canonical and obscure texts Wilburn explores how various authors rebelled against such assessments of black intellect by altering Milton s meanings themes and figures beyond orthodox interpretations and imbuing them with hermeneutic shades of interpretive and cultural difference However they remastered Milton these artists respected his oeuvre as a sacred yet secular talking book of revolt freedom and cultural liberation Preaching the Gospel of Black Revolt particularly draws upon recent satanic criticism in Milton studies placing it in dialogue with methodologies germane to African American literary studies By exposing the subversive workings of an intertextual Middle Passage in black literacy Wilburn invites scholars from diverse

areas of specialization to traverse within and beyond the cultural veils of racial interpretation and along the color line in literary studies

Claiming Sylvia Plath Marianne Egeland, 2013-02-14 Over the years Sylvia Plath has come to inhabit a contested area of cultural production with other ambiguous authors between the highbrow the middlebrow and the popular *Claiming Sylvia Plath* is a critical and comprehensive reception study of what has been written about Plath from 1960 to 2010 Academic and popular interest in her seems incessant verging on a public obsession The story of Sylvia Plath is not only the story of a writer and her texts but also of the readers who have tried to make sense of her life and work A religious tone and a rhetoric of accountability dominate among the devoted Questing for the real or true Sylvia they share a sense of possessiveness towards outsiders or those who deviate from what they see as a correct approach to the poet In order to offer a new and more nuanced perspective on Plath's public image the reception has been organized into interpretive communities composed of critics feminists biographers psychologists and friends Pertinent questions are raised about how the poet functions as an exemplary figure and how and by whom she is used to further theories politics careers and a number of other causes Ethical issues and rhetorical strategies consequently loom high in *Claiming Sylvia Plath* The book may be employed both as a guide to the massive body of Plath literature and as a history of a changing critical doxa Why Sylvia Plath has been serviceable to so many and open to colonization is another way of asking why she keeps on fascinating all kinds of readers worldwide *Claiming Sylvia Plath* suggests a host of possible answers It includes an extensive Plath bibliography

Languages of Liberation Walter B. Kalaidjian, 1989

Women in Search of Literary Space Gudrun Grabher, Maureen Devine, 1992

Dickinson Scholarship Karen Dandurand, 2017-10-23 This bibliography first published in 1988 is intended to make more readily accessible the wealth of Dickinson criticism and scholarship that appeared from 1969 through 1985 During the 17 years that are covered in this bibliography nearly 800 books articles and dissertations have appeared The present work is intended to aid both students and scholars in finding the materials they need in their study of and research on Emily Dickinson's poetry and her life

A History of American Literature Linda Wagner-Martin, 2015-07-20 A HISTORY OF AMERICAN LITERATURE 1950 TO THE PRESENT Featuring works from notable authors as varied as Salinger and the Beats to Vonnegut Capote Morrison Rich Walker Eggers and DeLillo *A History of American Literature 1950 to the Present* offers a comprehensive analysis of the wide range of literary works produced in the United States over the last six decades and a fascinating survey of the dramatic changes during America's transition from the innocence of the fifties to the harsh realities of the first decade of the new millennium Author Linda Wagner Martin a highly acclaimed authority on all facets of modern American literature covers major works of drama poetry fiction non fiction memoirs and popular genres such as science fiction and detective novels Viewing works produced during this fertile literary period from a wide ranging perspective Wagner Martin considers literature in relation to such issues as the politics of civil rights feminism sexual preferences and race and gender based marketing She also places a special emphasis on works produced during the twenty

first century and writings influenced by recent historic events such as the 9 11 terrorist attacks Hurricane Katrina and the global financial crisis With its careful balance of scholarly precision and accessibility *A History of American Literature 1950 to the Present* provides readers of all levels with rich and revealing insights into the diversity of literary forms and influences that characterize postmodern America A monumental distillation of an enormous range of material Wagner Martin's rich book should be required reading for anyone grappling with making sense of the prolific broad spectrum and diverse writing in the US since 1950 Thadious M Davis University of Pennsylvania Linda Wagner Martin's history impressively and judiciously surveys all fields of American writing over the past sixty years taking full account of significant cultural and historical contexts and the major critical commentaries that have helped shape our understanding of developments in the second half of the last century and the dozen years following the millennium Balanced informative and always highly readable there is much here for general readers students and specialists alike Christopher MacGowan the College of William and Mary

Moving Reflections Jo Evans, 1996 Volume exploring the important but neglected Spanish female poet Angela Figuera Aymerich Angela Figuera Aymerich 1902-84 remains an obscure figure among the Spanish social poets of the Franco regime her work almost entirely eclipsed by male contemporaries This book attempts both to bring her poetry to the attention of a wider audience and to show how her work anticipates the generation of women writers and poets who have emerged since the coming of democracy Focusing primarily on a selection of poems published between 1948 and 1962 Dr Evans shows how her work has been mistakenly ignored as maternal in essence and so of little interest to the poetry of social protest in general Using feminist and psychoanalytical theories of language to suggest that identity and poetic identity in particular is constructed as the effect of mirror images the author argues that the moving reflections of gender faith and aesthetics mirror Figuera's struggle with a fragmented poetic identity through these concepts her work can be read not only as a moving reflection of maternal femininity and social injustice but as an active attempt to retrace the boundaries of female identity JO EVANS teaches in the Department of Hispanic Studies Edinburgh University

A Companion to American Poetry Mary McAleer Balkun, Jeffrey Gray, Paul Jaussen, 2022-04-11 *A COMPANION TO AMERICAN POETRY* A Companion to American Poetry brings together original essays by both established scholars and emerging critical voices to explore the latest topics and debates in American poetry and its study Highlighting the diverse nature of poetic practice and scholarship this comprehensive volume addresses a broad range of individual poets movements genres and concepts from the seventeenth century to the present day Organized thematically the Companion's thirty seven chapters address a variety of emerging trends in American poetry providing historical context and new perspectives on topics such as poetics and identity poetry and the arts early and late experimentalisms poetry and the transcendent transnational poetics poetry of engagement poetry in cinema and popular music Queer and Trans poetics poetry and politics in the 21st century and African American Asian American Latinx and Indigenous poetries Both a nuanced survey of American poetry and a catalyst for future

scholarship *A Companion to American Poetry* is essential reading for advanced undergraduate and graduate students, academic researchers and scholars, and general readers with interest in current trends in American poetry.
