Doctrine of Sacred Scriptures Emanuel Swedenborg, Doctrine of Holy Scripture THE HOLY SCRIPTURE OR WORD IS DIVINE TRUTH It is in everybody s mouth that the Word is from God is Divinely inspired and is therefore holy and yet hitherto no one has known wherein it is Divine For in the letter the Word appears like a common writing in a style that is strange and neither so sublime nor so brilliant as apparently are the writings of the day For this reason a man who worships nature as God or in preference to God and who consequently thinks from himself and what is proper to himself and not from heaven from the Lord may easily fall into error in respect to the Word and into contempt for it and while reading it may say to himself What is this What is that Can this be Divine Could God whose wisdom is infinite speak in this manner Wherein consists its holiness and whence comes its holiness except from religious feeling and its consequent persuasion But he who thinks in this way does not consider that Jehovah Himself the God of heaven and earth spoke the Word through Moses and the prophets and that it must therefore be Divine truth itself for what Jehovah Himself speaks can be nothing else Nor does he consider that the Lord who is the same as Jehovah spoke the Word that is in the Gospels much of it with His own mouth and the rest from the spirit of His mouth which is the Holy Spirit This is why as He Himself says there is Life in His words that He is the Light which enlightens and that He is the Truth
