Mahoney, 1845 **Six Years in the Monasteries of Italy, and Two Years in the Islands of the Mediterranean and in Asia Minor** S. J. Mahoney, 1836 **The Clarinet Polka** Keith Maillard, 2014-05-27

Author Keith Maillard received critical acclaim with his novel Gloria which told the story of a young woman on the cusp of womanhood in a town called Raysburg West Virginia In this book The Clarinet Polka Maillard turns that same eagle eyed attention to the other side of the tracks of that very same town and creates a stunning portrait of Polish America and of one man's struggle to find meaning in his life and roots The year is 1969 and young Jimmy Koprowski returns from his stint in the airforce to Raysburg his blue collar Polish American hometown where nothing much happens beyond working at the steel mill going to Mass and getting drunk at the local PAC Jimmy's efforts at rebuilding his life result in sleeping off hangovers in his parents attic and drifting into a destructive affair with a married woman But things change when his younger sister Linda decides to start an all girl polka band and Jimmy falls for the band's star clarinetist Janice whose young life is haunted by tragic events that happened before she was born The threads of Jimmy's family life the legacy of WWII Poland and the healing power of music language and tradition all begin to converge At once gritty and compassionate moving and witty The Clarinet Polka showcases the emotional and perfectly pitched voice of a lost soul finding his way *Layers upon Layers* Smaranda Kafka, In the Author's Words Translating a literary world is rewriting it and that is a tormenting job But still you don't want to ask any other person to do it It's yours and you don't give it away even to a friend You may listen to him and after that you'll do it the way you feel is right for you The translation of the Romanian book Alb i Negru la voia destinului marks its own rebirth into another form of expression in the book Layers upon Layers as the saying goes they are brothers but siblings not twins This book follows the same narrative as the first one and while it keeps the spirit of the original work it has its own soul manifesting through a series of subsequent changes while remaining obedient to the writer's perception of the reality the characters lived in And even though the book Layers upon Layers brings out the same memories sounds colours imagines and facts as the Romanian version it still sounds and feels differently That's the way I see this new book as an interpretation not a translation and I love it Hopefully you love it too Smaranda Kafka *Caravaggio and His Two Cardinals* Creighton Gilbert, Michelangelo Merisi da Caravaggio, 1995 Gilbert devotes separate discussions to the Marquis and to Cardinal Mattei in developing his argument that each of them influenced Caravaggio in different ways A collector of classical sculpture the Marquis is connected to the classical mythological themes that are here identified in specific paintings A study of Cardinal Mattei indicates that he was outstandingly devout which was true of only a small number of cardinals during the period Gilbert shows that the artist's two paintings for the Cardinal alter the previous patterns of representing their religious themes in ways related to Counter Reformation ideas Scholars have long searched for the specific religious figure who inspired this quality in Caravaggio's work resolved here by Gilbert's meticulous scholarship and carefully drawn
