**Seekers of the Naked Truth** Paul LeValley, 2018-01-01 Why would I spend a good portion of my time over the last 35 years gathering information on the Gymnosophists The story begins even earlier As an undergraduate student in the Flint College of the University of Michigan I pursued an English major with a strong history minor always looking for something between the two and rarely finding it Then in my practice teaching I happened into one of the early experimental high school courses in Interdisciplinary Humanities With the exciting interrelationships between art literature music philosophy and history I said YES this was what I had been looking for So I pioneered in teaching high school Humanities for the next few years Interdisciplinary Humanities was a bottom up movement Gradually colleges began offering Masters programs to give teachers the rich background they needed I decided I was not tied to Michigan where it was cold I would find the best Masters program in Humanities anywhere in the world and go there Well it turned out that the best Masters program in the world was at Wayne State University in Detroit of all places Unlike other programs that were really just double majors Wayne offered truly interdisciplinary classes Moreover they offered an Eastern track and a Western track Knowing that I would never find that Eastern track anywhere else I studied interdisciplinary courses in the cultures of India China Japan and Egypt The middle eastern professor was on sabbatical when I was there I especially liked India perhaps because I had already travelled around the world and India impressed me the most *The Nation* ,1986 *The Bloomsbury Review* ,1984 *The Publishers Weekly* ,1985 *India at the Death of Akbar* William Harrison Moreland, 1920 *The Indian Review* G.A. Natesan, 1928 **Publishers Weekly** ,1985 **When Sun Meets Moon** Scott Kugle, 2016-05-02 The two Muslim poets featured in Scott Kugle s comparative study lived separate lives during the eighteenth and early nineteenth centuries in the Deccan region of southern India Here they meet in the realm of literary imagination illuminating the complexity of gender sexuality and religious practice in South Asian Islamic culture Shah Siraj Awrangabadi 1715 1763 known as Sun was a Sunni who after a youthful homosexual love affair gave up sexual relationships to follow a path of personal holiness Mah Laqa Bai Chanda 1768 1820 known as Moon was a Shi i and courtesan dancer who transferred her seduction of men to the pursuit of mystical love Both were poets in the Urdu language of the ghazal or love lyric often fusing a spiritual quest with erotic imagery Kugle argues that Sun and Moon expressed through their poetry exceptions to the general rules of heteronormativity and gender inequality common in their patriarchal societies Their art provides a lens for a more subtle understanding of both the reach and the limitations of gender roles in Islamic and South Asian culture and underscores how the arts of poetry music and dance are integral to Islamic religious life Integrated throughout are Kugle s

Abbott,2022-02-01 This book first published in 1932 demonstrates how the control of certain isms has for long moulded the interpretation of Indian belief and ritual by Western writers particularly In every chapter there is some new coordination often iconoclastic of then accepted theory whilst the new wealth of customs carefully recorded is astonishing Long disputed problems such as that of the Maratha devak or that of the ceremonial sowing of seedlings known to Western scholars as the gardens of Adonis have at last been settled through careful research      **History of Freedom Movement in India VOL 1** TARA CHAND, The book deals with the social political cultural and economic conditions of India in the eighteenth century against the backdrop of the historical processes that had in earlier times shaped the life and history of Indian people      *World Press Review* ,1985      **Early English Travellers in India** Ram Chandra Prasad,1980 These studies in Elizabethan and Jacobean travel literature informed by a scholarly and sympathetic but very properly unsentimental approach to ten significant English travellers in India between 1579 and 1630 throw considerable light on the India of the great Mughals and reveal the many strands which are interwoven into the ties that have bound and still in many ways bind the great and ancient civilisations of the Indian sub continent with the smaller and shorter civilisations of the British Isles Professor Ram Chandra Prasad combines the skills and resources of the historian the literary critic and the student of comparative literature and languages to demonstrate what we may learn of these two countries from the often idiosyncratic but always rich prose of Englishmen abroad in the ages of Queen Elizabeth I and King James I Professor Prasad has chosen for study Thomas Stephens Ralph Fitch John Mildenhall William Hawkins Thomas Roe Thomas Coryat William Finch Nicholas Withington Edward Terry and Henry Lord He makes just enough reference to non English travellers such as Manucci to keep his readers in the general picture of western exploration while at the same time he concentrates on his chosen field The author s practice of quoting long extracts in the original language has a twofold advantage it makes his narrative more vivid and it facilitates the determination of what one traveller owes to another This new completely revised edition of Early English Travellers in India will continue to fill a long felt gap in Indo Anglian literature and it will be greeted as an important achievement by the scholar and the general reader alike      *The Atlantic* ,1985      **The Washington Monthly** ,1985-02      *Cyclopædia of India and of Eastern and Southern Asia, Commercial, Industrial and Scientific* Edward Balfour,1871      **Cyclopaedia of India and of Eastern and Southern Asia, Commercial, Industrial and Scientific** ,1871      **The Sufis of Bijapur, 1300-1700** Richard Maxwell Eaton,2015-03-08 The Sufis were heirs to a tradition of Islamic mysticism and they have generally been viewed as standing more or less apart from the social order Professor Eaton contends to the contrary that the Sufis were an integral part of their society and that an understanding of their interaction with it is essential to an understanding of the Sufis themselves In investigating the

Sufis of Bijapur in South India the author identifies three fundamental questions What was the relationship he asks between the Sufis and Bijapur s ulama the upholders of Islamic orthodoxy Second how did the Sufis relate to the Bijapur court Finally how did they interact with the non Muslim population surrounding them and how did they translate highly developed mystical traditions into terms meaningful to that population In answering these questions the author advances our knowledge of an important but little studied city state in medieval India Originally published in 1978 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 Sexual Violence and Predatory Journalism in India Francis Philip Barclay, Kaifia Ancer

Laskar, 2025-02-18 Sexual Violence and Predatory Journalism in India examines unethical editorial practices in the reporting of sexual crimes against women in India introducing the term Predatory Journalism This book conceptualises and analyses predatory practices that commodify sexual crimes against women examining how it is facilitated and motivated by online spaces and social media channels and how it can often result in further harm to victims and their families It argues for editorial intervention more regulation policy measures and legal frameworks that will help build a sensitive and ethical media landscape and rebuild public trust Key issues examined include sexism sensationalism invasion of privacy victim blaming media trials media manipulation of information armchair reporting explicit sexual imagery the usage of unreliable sources and a lack of responsibility and accountability Providing a comprehensive analysis of the issue and offering a framework for ethical practice Sexual Violence and Predatory Journalism in India will be essential reading for scholars and students of media and cultural studies journalism and sociology interested in the intersection of media and crime in India and its associated ethical challenges
