

How to Write a Memoir

Select a Theme

A memoir is mainly a theme-oriented narrative with events from your life that serves this theme. For example, a personal memoir can focus on struggling with a certain illness or navigating different relationships.

Draft an Outline

Decide through the outline how the events you choose to narrate in your memoir are going to serve this theme.

Use Creative Writing

Using elements from creative writing (such as character development, plot, and different point of view) keep the readers interested and bring out their emotions as they make them more invested in your story.

Show; Don't Tell

It'll do you no good to just state the events you want to highlight in your memoir. Instead, you have to know how to narrate these events in a way that makes your readers feel everything you have been through.

Don't Name Names

For the sake of avoiding any legal consequences, you shouldn't mention anyone who doesn't wish to be mentioned, whether poorly or not.
