**Names Can Never Hurt Me** Wade Kelly, 2015-02-16 What if sexuality wasn't a definable thing and labels merely got in the way Nick Jones can't remember a time when he wasn't part of the in crowd Everywhere he goes he stands out as the best looking guy in the room and women practically fall into bed with him Then after kissing Corey on a dare led to much more and on many occasions Nick's screw anything reputation escalated but he didn't care When Nick meets RC at the restaurant where he works it throws his whole life out of whack RC lives up to his dubbed nickname Scruffy Dude He seems Nick's complete opposite but Nick can't get him out of his head Because of peer pressure and his fears about defining his sexuality Nick struggles with stepping out of his comfort zone and caring about someone different than himself If he's lucky somewhere between arrogance and ignorance Nick might find out what it means to be an adult but if he's wrong he could lose everything

**Jesus Is the Question** Martin B. Copenhaver,2014-09-02 Contrary to some common assumptions Jesus is not the ultimate Answer Man but more like the Great Questioner In the Gospels Jesus asks many more questions than he answers To be precise Jesus asks 307 questions He is asked 183 of which he only answers 3 Asking questions was central to Jesus life and teachings In fact for every question he answers directly he asks literally a hundred Jesus is the Question considers the questions Jesus asks what they tell us about Jesus and more important what our responses might say about what it means to follow Him Through Jesus questions he modeled the struggle the wondering the thinking it through that helps us draw closer to God and better understand not just the answer but ourselves our process and ultimately why questions are among Jesus most profound gifts for a life of faith A game changer of a book The Value of One Patricia Lawson,2021-05-06 Are you tired of dealing with problems Are you constantly speaking negatively Do you understand how easy it is to curse someone or have someone curse you Whether your problems are related to health finances or emotional issues God never intended for them to defeat you victory is possible Do you believe that others are more important to God than you The minister of a church I attended years ago used to say When I see someone being blessed I remind the Lord and myself I m in the same queue Contained within these covers are personal living examples which are easy to understand and remember so that you can adapt them to your own situations God didn t create us to be under the power of the enemy but to be in fellowship with Him and live victoriously Parental Patrol Anthony P.

Montanari,2019-09-19 Parental Patrol Identifying and Correcting Adolescent Behavior Before It Occurs By Anthony P Montanari This is a book that is long overdue In the juvenile justice system we ve developed systems of adjudication and rehabilitation in clinical psychology we focus on treatment protocols and healing strategies Nevertheless both structures have run on parallel tracks seldom intersecting despite their common mission of helping juveniles transition into successful responsible joyful adults Until now In Parental Patrol Detective Montanari provides a framework for understanding and avoiding the damaging developmental path that often leads young people to behaviors that result their involvement in both the juvenile justice and mental health systems For the concerned parent that path is described with the insight and proficiency of an experienced police officer and the sensitivity and compassion of an effective therapist through twenty aspects of learning that must be mastered if positive problem free emotional growth and development are to occur The

usefulness of Montanari's work goes well beyond being a guidebook for parents. It would also be relevant and appropriate as a training tool for police and therapists seeking to bridge the gap between their professions providing context and common ground to inform the important work that they do. Nicholas A. Duva Ph.D. *For the Love of the World* Edwin Zackrisson, 2021-08-04. The world can be subject to interpretations that cause Christians to disagree and even fight. Interpretations often end in startling disputes. For some that world includes the inheritance of denominational interpretations. Historically conditioned conclusions are taken out of their context. Booklets have been produced for young people that largely define the world as dancing smoking drugs music theater and music. This book will not spend time on these parochial notions. Rather it will deal with God's love for the world. While Christians are often warned against the world God loved the world from a different standpoint and made the ultimate sacrifice to give this world the chance to be restored to rightness with him.
