Naming Of William Rutherford:

The Naming of William Rutherford Linda Kempton, 2008-05-27 Jack's dream is frightening and confusing. It seems almost true and he senses that it contains some sort of message for him. Jack's intuition is correct and the cradle comes to play an important part in his life linking him with the past so much so that he begins to live in two worlds. *NC Patriots 1775-1783: Their Own Words, Volume 2, Part 2* J.D. Lewis, This volume includes the names of almost 13 000 men who served in the NC State Troops and or NC Militia during the American Revolution. Some men also served in the NC Continental Line. This list includes the person's home county, known officers and known battles and skirmishes if any. *History of Cambria County, Pennsylvania* Henry Wilson Storey, 1907 **Chicago: Its History and its Builders, Volume 5** Josiah Seymour Currey, Maybe there has never been a more comprehensive work on the history of Chicago than the five volumes written by Josiah S. Currey and possibly there will never be. Without making this work a catalogue or a mere list of dates or distracting the reader and losing his attention, he builds a bridge for every historically interested reader. The history of Windy City is not only particularly interesting to her citizens but also important for the understanding of the history of the West. This volume is number five out of five and contains more biographies of the most important Chicago citizens in the foundation times. *The Parliamentary Debates* Great Britain. Parliament, 1908 *Register of Officers and Agents, Civil, Military and Naval [etc]* United States. Department of the Interior, 1897 **Early Kentucky Householders, 1787-1811**, 1986 This is a consolidated list of approximately 34 000 names that appeared in the annual tax lists for Lincoln County, Kentucky between 1787 and 1811. Forty-six of the fifty-four Kentucky counties that existed in the year 1811 are mentioned in the descriptions of landholdings claimed by Lincoln County householders during this period. In fact, nearly half of the counties were created out of the original Lincoln County boundaries. Thus a Lincoln County tax list can essentially be viewed as a statewide tax list. This is an important consideration because a tax list of this magnitude can actually stand as a substitute for the missing 1790 and 1800 Kentucky censuses. Mr. Sutherland's householders are heads of household who do not necessarily own the land on which they and their families lived. Taxpayers, i.e. householders recorded in the annual tax lists between 1787 and 1811 are listed here in alphabetical order along with the date of the tax list, the number of the tax book, and the page number of the original entry and an enumeration of all other persons living in the household. As an aid to research, the compiler has drawn up a complete Surname Directory which groups the phonetic variations of each name under a common spelling so that the researcher has only to search for the common spelling rather than the variants. This is a superb research tool. **The Descendants of William Phelps, who Settled at Windsor, Connecticut, 1636-2005**, 2005 **A System of Heraldry, Speculative and Practical: with the True Art of Blazon ... Illustrated with Suitable Examples of Armorial Figures, and Achievements of the Most Considerable Surnames and Families in Scotland ...** Alexander Nisbet, 1804 *Appendix to the Journals of the House of Representatives of New Zealand* New Zealand. Parliament. House of Representatives, 1901

Canada Lumberman and Woodworker ,1911 **Official Register of the United States** ,1879 **Register of Officers and Agents, Civil, Military and Naval ...** United States.
