

CHRISTIAN AND MUSLIM PERSPECTIVES

NAMING GOD

LUCINDA MOSHER, Editor

Naming God

Charles Haddon Spurgeon

Naming God:

Naming God Janet Soskice, 2023-07-20 Generations of Christians Janet Soskice demonstrates once knew God and Christ by hundreds of remarkable names These included the appellations Messiah Emmanuel Alpha Omega Eternal All Powerful Lamb Lion Goat One Word Serpent and Bridegroom In her much anticipated new book Soskice argues that contemporary understandings of divinity could be transformed by a return to a venerable analogical tradition of divine naming These ancient titles drawn from scripture were chanted and sung crafted and invoked in polyphony and plainsong as they were woven into the worship of the faithful However during the sixteenth century Descartes moved from naming to defining God via a series of metaphysical attributes This made God a thing among things a being amongst beings For the author reclaiming divine naming is not only overdue It can also re energize the relationship between philosophy and religious tradition This path breaking book shows just how rich and revolutionary such reclamation might be Naming God Lucinda Mosher, 2023 This volume like other Building Bridges Seminar books presents pairs of lectures by Christians and Muslims which introduce texts for dialogical study plus the actual text excerpts themselves This series is unique in that each volume goes far beyond mere reporting on a dialogical seminar rather each provides guidance and materials for constructing a similar dialogical experience on a particular topic Naming God brings fresh perspective to a topic of great interest in Christian Muslim understanding In a sense Naming God continues the conversation begun in the Seminar s earlier publication Monotheism and Its Complexities 2018 and employs the same distinctive approach to dialogical close reading a scripture and other source material The book is vital reading for students undergraduate and graduate and congregational leaders Naming God Rabbi Lawrence A. Hoffman, PhD, 2015-06-22 An in depth exploration of the complexities and perhaps audacity of naming the unnameable Almost forty contributors from all Jewish denominations and from around the world wrestle with Avinu Malkeinu and the linguistic and spiritual conundrum it presents asking How do we name God altogether without recourse to imagery that defies belief **Naming God in Korea** Sung-Wook Hong, 2008 Essence and Energies: Being and Naming God in St Gregory Palamas Tikhon Pino, 2022-10-03 St Gregory Palamas ca 1296 1357 is among the most well known and celebrated theologians of late Byzantium This book provides a comprehensive account of the essence energies distinction across his twenty five treatises and letters written over a twenty year period An Athonite monk abbot and later Metropolitan of Thessalonica Gregory is remembered especially for his distinction between God s essence and energies and his celebrated doctrine still generates a great deal of debate What does Palamas actually mean by the term energies Are they activities that God performs and if so how can they be eternal and uncreated Indeed how could God be simple if he possesses energies distinct from his essence Going beyond the Triads and the One Hundred and Fifty Chapters this book explores Palamas s answers to these long standing questions by analyzing all of the treatises produced by Palamas between the years 1338 and 1357 It seeks to understand what Palamas means when he speaks of God s energies how he

seeks to prove that they are distinct from the divine essence and how he explains that this distinction in no way violates the unity and simplicity of the one God in Trinity Essence and Energies is a useful resource for upper level undergraduates postgraduates and scholars interested in Byzantine theology in the fourteenth century Naming God Robert P. Scharlemann,1985 **Naming God** Lucinda Mosher,2023-11-01 A fresh look at how Christians and Muslims speak of God Naming God entails labeling the ineffable And yet the Bible itself oscillates between denying that God can be named and describing how God shows Godself anyway In Naming God the result of the 2021 Building Bridges Seminar an international dialogue of Christian and Muslim scholars the contributors examine the many ways Christians and Muslims refer to and describe God and the significance of naming God differently This book provides guidance and materials that will benefit faith leaders as well as students and scholars of theology dialogue theory and conflict resolution Nonspecialists will benefit from an entry point into the theme of naming God while specialists will be challenged to develop and deepen their thought on this important topic *The Quest for Plausible Christian Discourse in a World of Pluralities* Younhee Kim,2008 This book critically examines David Tracy s well known methodology of fundamental theology namely his revisionist model as developed in his *Blessed Rage for Order* 1975 together with his methodological shifts through the 1980s 1990s and early 2000s It explores how successful he has been in constructing a methodology for the public theological discourse that he deems so necessary More particularly this book asks how serviceable this methodology is for articulating Christian discourse in an intelligible and public way in the contemporary context of religious plurality *Naming God* Celia Wolf-Devine,2019-10 Naming God explores the way gender structures our understanding of that reality which transcends our experience It is intended to promote reflection and to avoid an adversarial us versus them approach by presenting a variety of perspectives looking at the reasons offered by each and trying to bring them into dialogue *All the Names of the Lord* Valentina Izmirlieva,2008-09-15 Christians face a conundrum when it comes to naming God for if God is unnamable as theologians maintain he can also be called by every name His proper name is thus an open ended all encompassing list a mystery the Church embraces in its rhetoric but which many Christians have found difficult to accept To explore this conflict Valentina Izmirlieva examines two lists of God s names one from *The Divine Names* the classic treatise by Pseudo Dionysius and the other from *The 72 Names of the Lord* an amulet whose history binds together Kabbalah and Christianity Jews and Slavs Palestine Provence and the Balkans This unexpected juxtaposition of a theological treatise and a magical amulet allows Izmirlieva to reveal lists rhetorical potential to create order and to function as both tools of knowledge and of power Despite the two different visions of order represented by each list Izmirlieva finds that their uses in Christian practice point to a complementary relationship between the existential need for God s protection and the metaphysical desire to submit to his infinite majesty a compelling claim sure to provoke discussion among scholars in many fields *The Century Dictionary and Cyclopedia: The Century dictionary ... prepared under the superintendence of William Dwight Whitney* William Dwight

Whitney, Benjamin Eli Smith, 1903 **Jews, Christians, and the Theology of the Hebrew Scriptures** Alice Ogden
 Bellis, Joel S. Kaminsky, 2000 The Catechism Explained Francis Spirago, 1899 This Catechism is divided into three parts
 The first part treats of faith the second of morals the third of the means of grace In the first part Our Lord appears in His
 character of Teacher in the second in His character of King and in the third in His character of High Priest And since this
 Catechism proposes as its primary object to answer the question for what purpose are we here upon earth thereby
 emphasizing and giving prominence to man s high calling and destiny it is especially suited to the present day when the
 pursuit of material interests self indulgence and pleasure engrosses the attention of so many This Catechism is in fact
 nothing more nor less than an abstract of Our Lord s teaching and may be called a guide book for the Christian on the road to
 heaven Preface **Literature & Dogma** Matthew Arnold, 1873 Probably the most influential of Arnold s theologically
 polemical works **Naming God** David Alan White, 1996 *Miscellanea* Catholic Record Society (Great Britain), 1905
Diseases of Women Emilius Clark Dudley, 1898 **In the Name of Liberty** William Bourke Cockran, 1925 *Psalm*
CXXV to CL Charles Haddon Spurgeon, 1886 **Dr. William Smith's Dictionary of the Bible** William Smith, 1888

Naming God Introduction

In the digital age, access to information has become easier than ever before. The ability to download Naming God has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Naming God has opened up a world of possibilities. Downloading Naming God provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Naming God has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Naming God. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Naming God. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Naming God, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Naming God has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to

engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Naming God Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Naming God is one of the best book in our library for free trial. We provide copy of Naming God in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Naming God. Where to download Naming God online for free? Are you looking for Naming God PDF? This is definitely going to save you time and cash in something you should think about.
