Grandma Wallaroo is a fiction story with sprinkles of true events Wally as Grandma is called has and does live a very active life This story takes us fly fishing with her Grandson that has some life threatening surprises Her Granddaughter talks her into going to look at a car to buy and ends up with something totally different She signs up for a trip to the International Space Station with 34 others and ends up returning from space in a very different and unproven way with an astronaut that was there to test the recovery unit **A Blessed Life** Linda Anne Monica Schneider,2012-08-15 For once I intend now to write strictly about what I know best my life and its circumstances I want to tell the story of what it has been like for a middle class American descended from Italian and German immigrants It is the story of a girl who grew up and found her law vocation during the 50s through 70s and who happens to be blind and hard of hearing and who now has used a series of wonderful guide dogs as traveling companions I have referred to my life as blessed in the title because the hand of Divine Providence

has been at work since my conception in shaping me and promoting whatever goodness or success I may have attained both directly and through the human beings in my life The imperfections and errors that remain which I hope to continue to remedy with His help are the evidence that this Divine work is as Benjamin Franklin said in his epitaph a work in progress being continually revised and corrected by the Divine Author The sub title comes from the theme of the discussion group in which I participated during my Cursillo retreat Travelers to Emmaus Like the two discouraged disillusioned pilgrims who fled from Jerusalem after the death and still disbelieved resurrection of Jesus I am still in the lifelong process of finding the Lord

In a Land without Dogs the Cats Learn to Bark Jonathan Garfinkel, 2023-02-21 In his wildly ambitious and darkly funny debut novel Jonathan Garfinkel probes the fractured nature of identity the necessity of lies and the bloody legacy of the Soviet Empire Spanning generations continents and cultures In a Land without Dogs the Cats Learn to Bark is an electric tale about a nation trying to emerge from the shadow of the Soviet Union to embrace Western democracy Driven by a complexly plotted mystery that leads from Moscow to Toronto to Tbilisi punctuated by wild car chases and drunken jazz reveries and featuring an eccentric cast of characters including Georgian performance artists Chechen warlords and KGB spies Garfinkel delivers a story that questions the price of freedom and laughs at the answer With exhilarating prose reminiscent of Rachel Kushner and more twists than a John le Carr thriller In a Land without Dogs the Cats Learn to Bark is a daring nuanced and spectacularly entertaining novel by an exceptional talent
