## **Nancy Hanks:**

Nancy Hanks of Wilderness Road Meridel Le Sueur, 1990 Retells the story of Nancy Hanks who grew up on the frontier and how she influenced her famous son Nancy Hanks Caroline Hanks Hitchcock, 1899 **Nancy Hanks** Michael Whitney Straight, 1988 Nancy Hanks Chairman of the National Endowment for the Arts NEA from 1969 to 1977 turned this fledgling organization into a major instrument for government support of the arts accomplishing thereby a virtual revolution in the public arts policy of the United States She died of cancer on January 7 1983 later that year at the request of Congress President Ronald Reagan designated the building complex at Pennsylvania Avenue and 11th Street the Old Post Office in Washington D C as the Nancy Hanks Center This biography captures the spirit and the flavor of Ms Hanks s remarkable life above all during the eight years in which she led the Endowment Tracing her childhood in Florida and North Carolina through her achievements as a student leader at Duke University Straight makes clear her conscious effort to find a path with more scope than the usual marriage and a family when expected of Southern women Nancy Hanks went to Washington and found a job with the Office of War Mobilization She later worked with Nelson Rockefeller who became governor of New York a Republican party luminary and vice president under Gerald Ford in addition to being an heir to one of America s greatest fortunes Her relationship with Rockefeller was crucial to her personal life and his conception of government and its role and a lasting influence on her career Straight examines Nancy Hanks s leadership of the NEA and takes particular note of the intense debate over the role of government in fostering American artistic expression an issue with roots running back through the New Deal to the early history of the United States Nancy Hanks took a strong and activist role in the formulation and administration of a national arts policy and her accomplishments have left an indelible mark on public support for arts in the United States Straight who worked closely with Ms Hanks and admired her despite frequent policy disagreements deals honestly with both the successes and failures of her efforts His biography imparts a sense of the reasons why her many friends felt such loyalty to this complex and gifted woman **Nancy Hanks** Alden Franklin Young, 2004-08-01 Nearly all the information published previously has omitted the beginning of President Lincoln Actually he was the Fourth president born in North Carolina His birth was never publicized due to conditions listed below My new book titled NANCY HANKS SINGLE MOTHER OF ABRAHAM LINCOLN gives the following details and are guaranteed to be correct First of all there were at least sixteen Abraham Lincolns born within that period They were all registered at birth except one President Abraham Lincoln was never registered at birth due to pressure in the family by Mrs Enloe wife of little Abraham s actual father Abraham Enloe The conditions were as follows Abraham Enloe was a well to do and influential Scottish trader and political figure in South Carolina and Western North Carolina After moving from South Carolina into North Carolina he settled near Bostic and Forest City NC Puzzle creek was one boundary of this farm A monument at the corner of this farm continues to be there today Abraham Enloe took Nancy Hanks into their family when she was six years of age to assist Mrs Enloe in the

housework and raising the family This was quite common during those days This lasted many years When Nancy was an adult in her twenties Mrs Enloe took an extended horse drawy vacation and trip to visit old friends and acquaintances This trip lasted several weeks into months By that time Nancy had grown up and was a beautiful lady A cornfield romance developed between Mr Enloe and Nancy during this absence The cornfield romance resulted in Nancy becoming pregnant with Abraham Enloe While Mrs Enloe was on her trip Nancy began to show she was pregnant When Mrs Enloe returned home from South Carolina Nancy was showing she was pregnant Mrs Enloe blew her stack and ordered her husband to get rid of Nancy immediately and without delay He did just that Mr Enloe moved Nancy to a friend in Belmont NC temporarily He then made arrangements with the buyer of his previous farm on Puzzle Creek to take care of Nancy until the baby was born Nancy was then moved to the Puzzle Creek farm awaiting the birth of the baby She joined the church there while awaiting the baby Abraham was delivered by a black mid wife who delivered all the babies within this local area There was no Doctor present nor available for this delivery Tom Lincoln had been employed by Abraham Enloe as a wagon driver to bring merchandise from Savannah and Charleston for two to three years Tom agreed to take Nancy and baby Abraham out of North Carolina when the baby was born Shortly after the birth this took place They went to the Tri City area of Tenn NC VA but Tom could not find any affordable land he could claim After two years of being together Tom and Nancy were married by a country minister This marriage was registered with NO mention of baby Abraham who was now two years of age Abraham Enloe sent Tom a few hundred dollars to buy their first farm in Indiana This and all the later history of the settling in Indiana is probably correct I believe this book NANCY HANKS SINGLE MOTHER OF ABRAHAM LINCOLN should be included in all historic records of North Carolina because it is completely correct and the truth      **Abe Lincoln and Nancy Hanks** Elbert Hubbard,1920      **A Story of Nancy Hanks** Ethel Calvert Phillips,1923      Nancy Hanks Caroline Hanks Hitchcock,1900

parents but in a truer sense they are the stories of the presidents themselves from a perspective that is long overdue The Real Lincoln; a Portrait Jesse William Weik, 1922 **Nancy Hanks** Caroline Hanks Hitchcock, 2017-09 Trieste Publishing has a massive catalogue of classic book titles Our aim is to provide readers with the highest quality reproductions of fiction and non fiction literature that has stood the test of time The many thousands of books in our collection have been sourced from libraries and private collections around the world The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original Our readers see the books the same way that their first readers did decades or a hundred or more years ago Books from that period are often spoiled by imperfections that did not exist in the original Imperfections could be in the form of blurred text photographs or missing pages It is highly unlikely that this would occur with one of our books Our extensive quality control ensures that the readers of Trieste Publishing s books will be delighted with their purchase Our staff has thoroughly reviewed every page of all the books in the collection repairing or if necessary rejecting titles that are not of the highest quality This process ensures that the reader of one of Trieste Publishing s titles receives a volume that faithfully reproduces the original and to the maximum degree possible gives them the experience of owning the original work We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality but also providing value to every one of our readers Generally Trieste books are purchased singly on demand however they may also be purchased in bulk Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates **Nancy Hanks** Caroline Hanks Hitchcock, 2014-08-07 This Is A New Release Of The Original 1899 Edition
