Abraham Lincoln, American Prince Wayne Soini,2022-03-02 The relationship between Abraham Lincoln and his two most influential ancestors his mother and the Virginia planter a slaveholder a shadowy grandfather he likely never met is rarely mentioned in Lincoln biographies or in history texts However Lincoln forever linked to the cause of freedom and equality in America spoke candidly of the planter to his law partner Billy Herndon who recalled his words My mother inherited his qualities and I hers All that I am or ever hope to be I get from my mother God bless her This vital two generation relationship was nonetheless problematic In Lincoln s boyhood the planter was a figure he ridiculed while in his young manhood the planter evolved into a role model whom Lincoln revered and associated with Jefferson s overdue ideal that all men are created equal Thus galvanized by blood to educate himself to stand for election and to oppose slavery Lincoln quit farming at age 22 This book explains how he thus followed an inherited family dream **Lincoln, the citizen** Henry Clay Whitney,1908 Lincoln the Citizen, February 12, 1809 to March 4, 1861 Henry Clay Whitney,1907 The Real Lincoln Jesse William Weik,2002-01-01 Originally published in 1922 The Real Lincoln is an in depth look at Abraham Lincoln the man not the public figure Acclaimed at the time as an excellent impartial source book The Real Lincoln was compiled by Jesse W Weik through a series of letters and interviews with people who knew the sixteenth president personally as well as their descendents This is an examination of Lincoln without the weight of history looking at him as a dynamic figure and illuminating aspects of his life before his presidency His childhood his marriage to Mary Todd his law practice the way he spent his free time and his introduction to politics are just some of the subjects covered In this latest edition of The Real Lincoln Michael Burlingame has included dozens of original letters and interviews received by Weik between 1892 and 1922 that went into creating this work Occasionally lighthearted and always insightful this revealing book will enthrall anyone curious about the human side of the man too often viewed as a monument Pioneer Settlers of Grayson County, Virginia Benjamin Floyd Nuckolls,1914
