Summary of Amanda Lamb's Love Lies Everest Media, 2022-06-13T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 On July 12 2008 Jessica Adam called 911 to report her friend Nancy Cooper missing She had made plans to go running with a friend that morning but hadn't returned yet Her car was still at home and her cell phone was there 2 The Cary Police Department received a call about Nancy from her friend Jessica Adam at around 7

J.

Cotten,2019-09-03 The book deals with the criminal mind and why some people do the things they do It is mostly about psychology and why some people turn out to be self centered egomaniacs not caring for others as long as they get their gratification such as the two sons of a woman who wanted her to sign everything she has over to them and then be interned in some nursing home where she would most probably be abused by staff members not to mention the negligence A month and half earlier she suffered a debilitating stroke but neither one of her sons came to see her in the hospital and never once called her to find out how she was As the two sons were growing up she and her husband became increasingly disappointed in them The woman prayed for then to become less self centered but to no avail She eventually became an atheist as did her husband Another subject the book deals with is obsession and how it motivates some people do bodily harm as well as perpetrating murder Finally it deals with why some people act the way they do due to their upbringing such as why a nurse turned on her mother because her mother favored her older sister **April May June July** Alison B. Hart,2024-05-14 A triumphant family story and sharply observed exploration of privilege identity and love in all its forms following four estranged siblings whose lives collide in the lead up to a family wedding when new clues surface about their long missing father Truly a great American novel that does the very best of what fiction can do sink us into other people s lives show us new worlds make our hearts pound and our breath catch Superb Julia Phillips April May June and July Barber don t have much in common anymore An upcoming family wedding will place the four siblings in the same room for the first time in years But shortly before when April spots their father who went missing while serving overseas a decade ago their reunion becomes entirely more complicated While the siblings search for the truth about their father forces them back into each other s lives it also intensifies their private dramas April loves her husband but seeks excitement outside their marriage May had big dreams for the future but she s still stuck living at home June is eager to marry her girlfriend so why does she need a drink at every wedding related event And then there s baby brother July whose unrequited love for his straight roommate has him more confused than ever Confronting the past together April May June and July will find not only answers about their father but new romance hope and understanding as they learn to embrace the beauty of their shared history **Lasting Impressions** ,2000 **Harlequin Historical July 2022 - Box Set 1 of 2** Sophia James,Jenni Fletcher,Melissa Oliver,2022-06-28 Do you dream of wicked rakes gorgeous Highlanders and muscled Viking warriors Harlequin Historical brings you three new full length titles in one collection This box set includes THE DEBUTANTE S SECRET By Sophia James
