Sherlock Holmes and the Lufton Lady Christopher Redmond, 2013-07-29 *The Lufton Lady* reveals an episode from the early career of Sherlock Holmes an incident that proves the great detective had a heart as well as a brain The story is told mostly in excerpts from the journal of an aristocrat who finds himself caught up in a dramatic encounter in 1878 *The Lufton Lady* is a novella by Marlene R Aig a noted Sherlockian and member of the Adventuresses of Sherlock Holmes who was also a respected Associated Press reporter It has been largely unknown since her death in 1996 and is now published for the first time *The Search for Justice in a Media Age* Siobhan Holohan, 2017-11-28 What can we learn from the legal cases of Stephen Lawrence and Louise Woodward How do the legal system and the media contribute to a collective understanding of class nation race and gender In this book Siobhan Holohan explores media representations of law and order in the context of notions of multi culturalism and victim centred politics Two high profile cases the murder of Stephen Lawrence and the US trial of the British au pair Louise Woodward are examined Holohan argues that the stories built up around Woodward and Lawrence the organization of public discourse around a sacrificial figure have contributed to exclusionary patterns of social order The book offers a perceptive account of what makes some criminal legal cases prone to scrutiny and spectacle and provides a vivid illustration of the presence of power relations in legal decisions In conclusion the author draws on the model of the Macpherson report to propose a more

The Big Trial Lawrence M. Friedman, 2015-05-04 The trial of O J Simpson was a sensation avidly followed by millions of people but it was also in a sense nothing new One hundred years earlier the Lizzie Borden trial had held the nation in thrall The names and the crimes may change but the appeal is enduring and why this is how it works and what it means are what Lawrence Friedman investigates in *The Big Trial* What is it about these cases that captures the public imagination Are the headline trials of our period different from those of a century or two ago And what do we learn from them about the nature of our society past and present To get a clearer picture Friedman first identifies what certain headline trials have in common then considers particular cases within each grouping The political trial for instance embraces treason and spying dissenters and radicals and to varying degrees corruption and fraud Celebrity trials involve the famous whether victims as in the case of Charles Manson or defendants as disparate as Fatty Arbuckle and William Kennedy Smith but certain high profile cases such as those Friedman categorizes as tabloid trials can also create celebrities The fascination of whodunit trials can be found in the mystery surrounding the case Are we sure about O J Simpson What about Claus von Bulow tried in another sensational case for sending his wife into a coma An especially interesting type of case Friedman groups under the rubric worm in the bud These are cases such as that of Lizzie Borden that seem to put society itself on trial they raise fundamental social questions and often suggest hidden and secret pathologies And finally a small but important group of cases proceed from moral panic the Salem witchcraft trials being the classic instance though Friedman also considers recent examples Though they might differ in significant ways these types of trials also have important similarities Most notably they invariably raise questions about identity Who is this defendant A villain An innocent unfairly accused And in this respect *The Big Trial* shows us the headline trial reflects a critical aspect of modern society Reaching across the nineteenth and twentieth centuries to the latest outrage from congressional hearings to lynching and vigilante justice to public punishment from Dr Sam Sheppard the fugitive to Jeffrey Dahmer the cannibal The Rosenbergs to Timothy McVeigh the book presents a complex picture of headline trials as displays of power moments of didactic theater that demonstrate in one way or another whether a society is fair whom it protects and whose interest it serves

The Jeffrey Dahmer Story Don Davis, 1991-11-15 An account of the bizarre case of Jeffrey Dahmer the son of middle class parents whose ten year murdering spree is possibly responsible for the deaths of more than sixteen people describes Dahmer's background and the uncovering of his crimes *American Journal of Criminal Law*, 1998

When Caregivers Kill Betty L. Alt, Sandra K. Wells, 2010-04-16 From mothers who kill their children in postpartum fugues to fathers who murder their kids for revenge against an estranged wife the stories in this book are chilling yet real and bring home the message that children are vulnerable to violence even in the care of those who should love and protect them the most Sadly child murder by parents and caregivers happens more frequently than one might guess and while each case is different there are often warning signs that something might be amiss Signs of physical abuse may precede the ultimate act of murder A mother's mental state after the birth of a child may signal true distress and the potential for extreme actions No one can predict with certainty when a parent or other caregiver may snap but here Alt and Wells examine many cases of child murder to find out what they have in common how we might prevent such violence and what more we can do to protect children in potentially explosive situations

Hush Little Babies Don Davis, 2007-04-01 A killing so brutal it shocked the police and left the nation grieving Hush Little Babies is the appalling true story of Darlie Routier the neighborhood's most wonderful mom who one night coldly calculatingly and brutally stabbed her two sons and watched them die in a pool of their own blood Darlie claimed an intruder has come through the window fatally stabbed her sons six year old Devon and five year old Damon slashed her throat with same knife then fled while her husband and infant son slept upstairs At first Darlie's heartfelt testimony evoked fear and sympathy in her safe Dallas community Then police became suspicious after these troubling questions were raised Why according to a police report didn't Darlie make any attempt to help her dying sons Why when she called 911 did she tell the dispatcher that her own fingerprints would be on the murderer's knife because she had picked it up Why did the trail of blood left behind contradict Darlie's testimony From the dark forces that drove her to kill her own flesh and blood to the evidence that snared her in her own twisted web here is a chilling account of homemaker loving wife mother of three and cold blooded killer Darlie Routier
