Neander Genesis is another new departure for Mary Barnard. This study has its roots in the work Mr. Barnard did in the 'twies as assisting Carl van Dusen on the papers of Benjamin Franklin. Her interest in the Barnard clan had been aroused, and she was pleased to find a connection there that led to Thomas Barnard, born in England around 1800, one of Nathaniel's first Parishsons. Neander Genesis will offer general readers a cross-section of early American history as experienced by one family.

The narrative is dominated by one family line. The poetry shares the stage with prose. The poetry shares the stage with prose. The poetry shares the stage with prose. The poetry shares the stage with prose.

The narrative is therefore a story both personal and representative. The poem shows the stage with passages of human events, incidents, circumstances, the deed of violence. The narrative does not show the deed of violence.
