Appalachian trail Then in December 1939 when she was not much older than Laura she walked out of her apartment on a quiet tree lined street in Brookline leaving behind a fraying marriage and vanished without a trace Obsessed by her story Laura set off to find out what had happened The Art of Vanishing is a riveting mystery and a piercing exploration of marriage and convention that asks deep and uncomfortable questions Why do we give up on our childhood dreams Is marriage a golden noose Must we find ourselves in the same row houses with Pottery Barn lamps telling our kids to behave Searingly honest and written with a raw intensity it will challenge you to rethink your most intimate decisions and may just upend your life
