Napoleon And The Archduke Charles:

Napoleon and the Archduke Charles Francis Loraine Petre O.B.E,2011-07-05 The campaign which forms the subject of this volume is one which has received scant notice in England and has been a good deal misunderstood The misunderstanding has been mainly due to Napoleon s successful misrepresentation of the earlier part as one of his greatest and most successful efforts So begins Petre s excellent study of the 1809 campaign in Germany the most concise study of one of the most interesting of Napoleon s campaigns The peace of Tilsit in 1807 was the Apogee of Napoleon s reign he had subdued all of his continental enemies Prussia a broken wreck after Jena Auerst dt Austria smashed at Austerlitz Russia humbled after Friedland However the new allies of the French smarted from the reduction of territory prestige and glory they were also being squeezed by the constraints of commerce embodied by the Continental system whereby Britain and her products were meant to be kept out of mainland Europe They looked only for a sufficient time to re gather their forces bide their time and strike to take back what was formerly theirs as the peace creaked and groaned under the pressure Napoleon decided to dethrone the Spanish Bourbons in 1808 The Peninsular war would grow into a painful ulcer for the French and after set backs such as the disaster of Baylen where an entire French army corps surrendered to the Spanish and Vimiero where the French were kicked out of Portugal the continent took heart and prepared to strike at Napoleon The Austrians were to take up the challenge in 1809 under the leadership of the Archduke Charles the Emperor s younger brother He had spent some time modernising the army after the defeats of 1805 and although advising against the timing of the war he stood ready to take charge Napoleon gathered his forces quickly boosted in numbers by German allies and advised his lieutenants in the theatre what to prepare However his orders were misinterpreted and when put into action the French forces were scattered and in danger of being overwhelmed piece meal However Napoleon managed to salvage the situation and despite a growing number of mistakes and some sterling fighting on the part of Davout pushed the advancing Austrians from Bavaria The road to Vienna was thus opened for him but he would have to first cross the Danube and pass to the Marchfeld to take on his most able continental opponent The battles of Aspern Essling and Wagram were to follow leaving Napoleon beaten off the field of battle for the first time in a major engagement as the decline in his star starts A great read by a master historian Author Francis Loraine Petre OBE 1852 1925 Napoleon and the Archduke Charles F. Lorraine Petre,2017-01-31 The Archduke Charles was the most formidable of Napoleons continental foes but only once came into direct conflict with him this was in the 1809 Franco Austrian campaign in the Danube Valley Smarting from Austrias humiliations in 1805 the Archduke launched a surprise attack upon the French whilst Napoleon was occupied in distant Spain Outnumbered the French faced disaster but with typical energy and decisiveness Napoleon arrived just in time In five days of marching and fighting he repulsed the Austrians at Abensburg and Eckmuhl The road to Vienna was now oPen he pushed on but he underestimated his enemy being thrown back by the Archduke Charles as he tried to cross the Danube Failing to follow up

his success the Archduke hesitated too long and when Napoleon attempted to cross the river a second time at the Battle of Wagram he succeeded F Loraine Petres penetrating analysis of this pivotal campaign was first published in 1909 on the centenary of the great conflict to become one of his celebrated series of works on Napoleons wars **Napoleon and the Archduke Charles** F.
